Item 30. Indemnification.

Maryland law permits a Maryland corporation to include in its articles of incorporation a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from (a) actual receipt of an improper benefit or profit in money, property or services or (b) active and deliberate dishonesty established by a final judgment as being material to the cause of action. Our articles of incorporation contain such a provision that eliminates directors’ and officers’ liability to the maximum extent permitted by Maryland law, subject to the requirements of the 1940 Act.

Our articles of incorporation authorize us, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to indemnify any present or former director or officer or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee, from and against any claim or liability to which such person may become subject or which such person may incur by reason of his or her service in any such capacity.

Our bylaws obligate us, to the maximum extent permitted by Maryland law and subject to the requirements of the 1940 Act, to indemnify any present or former director or officer or any individual who, while a director or officer and at our request, serves or has served another corporation, real estate investment trust, partnership, joint venture, trust, employee benefit plan or other enterprise as a director, officer, partner or trustee and who is made, or threatened to be made, a party to the proceeding by reason of his or her service in any such capacity from and against any claim or liability to which that person may become subject or which that person may incur by reason of his or her service in any such capacity. Our bylaws also provide that, to the maximum extent permitted by Maryland law, with the approval of our board of directors and provided that certain conditions described in our bylaws are met, we may pay certain expenses incurred by any such indemnified person in advance of the final disposition of a proceeding upon receipt of an undertaking by or on behalf of such indemnified person to repay amounts we have so paid if it is ultimately determined that indemnification of such expenses is not authorized under our bylaws.

Maryland law requires a corporation (unless its articles of incorporation provide otherwise, which our articles of incorporation do not) to indemnify a director or officer who has been successful in the defense of any proceeding to which he or she is made, or threatened to be made, a party by reason of his or her service in that capacity. Maryland law permits a corporation to indemnify its present and former directors and officers, among others, against judgments, penalties, fines, settlements and reasonable expenses actually incurred by them in connection with any proceeding to which they may be made, or threatened to be made, a party by reason of their service in those or other capacities unless it is established that (a) the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty, (b) the director or officer actually received an improper personal benefit in money, property or services or (c) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. However, under Maryland law, a Maryland corporation may not indemnify for an adverse judgment in a suit by or in the right of the corporation or for a judgment of liability on the basis that a personal benefit was improperly received, unless in either case a court orders indemnification, and then only for expenses. In addition, Maryland law permits a corporation to advance reasonable expenses to a director or officer upon the corporation's receipt of (a) a written affirmation by the director or officer of his or her good faith belief that he or she has met the standard of conduct necessary for indemnification by the corporation and (b) a written undertaking by him or her or on his or her behalf to repay the amount paid or reimbursed by the corporation if it is ultimately determined that the standard of conduct was not met.

The Registrant has obtained primary and excess insurance policies insuring our directors and officers against some liabilities they may incur in their capacity as directors and officers. Under such policies, the insurer, on the Registrant's behalf, may also pay amounts for which the Registrant has granted indemnification to the directors or officers.

Item 31. Business and Other Connections of Investment Adviser.

Not applicable.

Item 32. Location of Accounts and Records.

All accounts, books and other documents required to be maintained by Section 31(a) of the Investment Company Act of 1940, and the rules thereunder are maintained at the Registrant's offices at 3700 Glenwood Avenue, Suite 530, Raleigh, North Carolina 27612.

Item 33. Management Services.

Not applicable.

Item 34. Undertakings.

1. We hereby undertake to suspend any offering of shares until the prospectus or prospectus supplement is amended if (1) subsequent to the effective date of this registration statement, our net asset value declines more than ten percent from our net asset value as of the effective date of this registration statement or (2) our net asset value increases to an amount greater than our net proceeds (if applicable) as stated in the prospectus or prospectus supplement.

2. We hereby undertake:

a. to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(1) to include any prospectus required by Section 10(a)(3) of the 1933 Act;

(2) to reflect in the prospectus or prospectus supplement any facts or events after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement; and

(3) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement.

b. for the purpose of determining any liability under the 1933 Act, that each such post-effective amendment to this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of those securities at that time shall be deemed to be the initial bona fide offering thereof.

c. to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

d. for the purpose of determining liability under the 1933 Act to any purchaser, that if we are subject to Rule 430C under the 1933 Act, each prospectus filed pursuant to Rule 497(b), (c), (d) or (e) under the 1933 Act as part of this registration statement relating to an offering shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness, provided, however, that no statement made in a registration statement or prospectus or prospectus supplement that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

e. for the purpose of determining liability of the Registrant under the 1933 Act to any purchaser in the initial distribution of securities, that if the securities are offered or sold to such purchaser by means of any of the following communications, we will be a seller to the purchaser and will be considered to offer or sell such securities to the purchaser:

(1) any preliminary prospectus or prospectus or prospectus supplement of us relating to the offering required to be filed pursuant to Rule 497 under the 1933 Act;

(2) the portion of any advertisement pursuant to Rule 482 under the 1933 Act relating to the offering containing material information about us or our securities provided by or on behalf of us; and

(3) any other communication that is an offer in the offering made by us to the purchaser.

f. to file a post-effective amendment to the registration statement, and to suspend any offers or sales pursuant the registration statement until such post-effective amendment has been declared effective under the 1933 Act, in the event the shares of the Registrant are trading below its net asset value and either (i) the Registrant receives, or has been advised by its independent registered accounting firm that it will receive, an audit report reflecting substantial doubt regarding the Registrant's ability to continue as a going concern or (ii) the Registrant has concluded that a material adverse change has occurred in its financial position or results of operations that has caused the financial statements and other disclosures on the basis of which the offering would be made to be materially misleading.

Neither Triangle Entity has sent or received notice of, or otherwise communicated or received communication with respect to, termination of any Material Agreement, nor has any such termination been threatened by any person. Neither Triangle Entity is a party to any employment agreements.

(13) Power and Authority. Each of the Triangle Entities has full power and authority to execute, deliver and perform this Agreement.

(14) Authorization of Agreements. This Agreement and the Material Agreements have each been duly authorized by all requisite action on the part of the applicable Triangle Entity, executed and delivered by such Triangle Entity, as of the dates noted therein, and complies in all material respects with all applicable provisions of the 1940 Act. Assuming due authorization, execution and delivery by the other parties thereto, each such agreement constitutes a valid and binding agreement of such Triangle Entity, enforceable in accordance

with its terms, except as rights to indemnity and contribution hereunder and thereunder may be limited by federal or state securities laws or principles of public policy and subject to the qualification that the enforceability of such Triangle Entity's obligations hereunder and thereunder may be limited by bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other laws relating to or affecting creditors' rights generally, general equitable principles (whether considered in a proceeding in equity or at law) and an implied covenant of good faith and fair dealing.

(15) Absence of Defaults and Conflicts. Neither Triangle Entity is (i) in violation of its Organizational Documents, each as amended from time to time, (ii) in breach or default in the performance or observance of any obligation or the terms of any indenture, contract, lease, mortgage, declaration of trust, note agreement, loan or credit agreement or other agreement, obligation, condition, covenant or instrument to which it is a party or by which it may be bound or to which its property or assets is subject (collectively, "**Agreements and Instruments**") or (iii) in violation of any law, ordinance, administrative or governmental rule or regulation applicable to either of the Triangle Entities or of any decree of the Commission, any state securities commission, any foreign securities commission, any national securities exchange, any arbitrator, any court or any other governmental, regulatory, self-regulatory or administrative agency or any official having jurisdiction over the Triangle Entity, except, with respect to clauses (ii) or (iii), to the extent that such breaches, defaults or violations would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect.

(16) Non-Contravention. The execution, delivery and performance of this Agreement, the consummation of the transactions contemplated herein and in the Registration Statement, the Preliminary Prospectus and the Prospectus (including the issuance and sale of the Securities and the use of the proceeds from the sale of the Securities as described in the Preliminary Prospectus and the Prospectus under the caption "Use of Proceeds"), and compliance by the Triangle Entities with their obligations hereunder have been duly authorized by all necessary corporate action, have been effected in accordance with Section 23(b) of the 1940 Act (applicable to BDCs pursuant to Section 63 thereof) and do not and will not, whether with or without the giving of notice or passage of time or both, (i) conflict with or constitute a breach of, or default or Repayment Event (as defined herein) under, the Agreements and Instruments or result in the creation or imposition of any lien, charge or encumbrance upon any property or assets of a Triangle Entity pursuant to the terms of the Agreements and Instruments (except to the extent that such breaches, defaults or creations or impositions would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect), (ii) result in any violation of the provisions of the Organizational Documents of either Triangle Entity, each as amended from time to time, or (iii) result in any violation of any statute, law, rule, regulation, filing, judgment, order, injunction, writ or decree applicable to the Triangle Entity or any of its assets, properties or operations (except to the extent that such violations would not, individually or in the aggregate, be reasonably likely to have a Material Adverse Effect). As used herein, a "**Repayment Event**" means any event or condition which gives the holder of any note, debenture or other evidence of indebtedness (or any person acting on such holder's behalf) the right to require the repurchase, redemption or repayment of all or a portion of such indebtedness by a Triangle Entity, as applicable.

(17) Absence of Proceedings. There is no action, suit, proceeding, inquiry or investigation before or brought by any court or governmental, regulatory or self-regulatory agency or body, domestic or foreign, now pending, or, to the knowledge of either Triangle Entity, threatened, against or affecting either of the Triangle Entities that is required to be disclosed in the Registration Statement, Preliminary Prospectus or the Prospectus (other than as disclosed therein), or that could reasonably be expected to result in a Material Adverse Effect, or that could reasonably be expected to materially and adversely affect the properties or assets of either of the Triangle Entities or the consummation of the transactions contemplated in this Agreement or the performance by either Triangle Entity of its obligations under this Agreement or the Material Agreements. The aggregate of all pending legal or governmental proceedings to which the either of the Triangle Entities is a party or of which any of their respective property or assets is the subject that are not described in the Registration Statement, Preliminary Prospectus or the Prospectus, including ordinary routine litigation incidental to the business of the Triangle Entities, could not reasonably be expected to result in a Material Adverse Effect.

(18) Accuracy of Descriptions and Exhibits. The statements set forth under the headings “Capitalization,” “Risk Factors,” “Business Development Company and Regulated Investment Company Elections,” “Description of Capital Stock,” “Regulation” and “Material U.S. Federal Income Tax Considerations” in the Preliminary Prospectus and the Prospectus, and in Item 30 of the Registration Statement, insofar as such statements purport to summarize certain provisions of the 1940 Act, Maryland law, the SBA Regulations (as defined herein), the shares of common stock, the Company’s Organizational Documents, United States federal income tax law and regulations or legal conclusions with respect thereto, fairly and accurately summarize such provisions in all material respects; all descriptions in the Registration Statement, the Preliminary Prospectus and the Prospectus of any Triangle Entity documents are accurate in all material respects; and there are no franchises, contracts, indentures, mortgages, deeds of trust, loan or credit agreements, bonds, notes, debentures, evidences of indebtedness, leases or other instruments or agreements required to be described or referred to in the Registration Statement, the Preliminary Prospectus or the Prospectus or to be filed as exhibits thereto that are not so described or filed as required by the applicable provisions of the 1933 Act or the 1940 Act; provided, however, that the Company will file this Agreement in a post-effective amendment to the Registration Statement pursuant to Rule 462(d).

(19) Absence of Further Requirements. No filing with, or authorization, approval, consent, license, order, registration, qualification or decree of, any court or governmental authority or agency, domestic or foreign is necessary or required for the performance by the Triangle Entities of their obligations under this Agreement in connection with the offering, issuance, sale or delivery of the Securities hereunder, or the consummation of the transactions contemplated by this Agreement, except such as have been already obtained under the 1933 Act, the 1940 Act and the 1934 Act, or as may be required under the rules and regulations of the Financial Industry Regulatory Authority, Inc. (“*FINRA*”), Nasdaq or state securities laws.

(20) Possession of Licenses and Permits. its material obligations with respect to such permits. All of the permits are valid and in full force and effect, neither Triangle Entity has received any notice of proceedings relating to the revocation or modification of, or non-compliance with, any permits, and no event has occurred which allows or, after notice or lapse of time, would allow, revocation, modification or termination thereof or result in any other material impairment of the rights of the Triangle Entities under any such permit, subject in each case to such qualification as may be set forth in the Preliminary Prospectus and the Prospectus.

(22) SBA Debentures. The Fund is eligible to sell securities guaranteed by the SBA in the amounts and on the terms described in the Preliminary Prospectus and the Prospectus. The Fund is not in default under the terms of any debenture which it has issued to the SBA for guaranty by the SBA or any other material monetary obligation, and no event, which with the passage of time, notice or both has occurred, which would be a default or event of default thereunder.

(23) Possession of Intellectual Property. The Triangle Entities own or possess, or can acquire on reasonable terms, adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, “**Intellectual Property**”) necessary to carry on their business as described in the Preliminary Prospectus and the Prospectus. The expected expiration of any of rights to such Intellectual Property would not result in a Material Adverse Effect. The Triangle Entities have not received any notice or are not otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Triangle Entities therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, singly or in the aggregate, would result in a Material Adverse Effect. None of the Intellectual Property employed by the Triangle Entities has been obtained or is being used by the Triangle Entities in violation of any contractual obligation binding on either of the Triangle Entities or any of its officers, directors or employees or otherwise in violation of the rights of any person.

(24) Distribution of Written Offering Material. The Triangle Entities have not distributed and will not distribute any written offering material in connection with the offering and sale of the Securities other than the Preliminary Prospectus and the Prospectus, and such materials as may be approved by the Underwriters and comply with the requirements of Rule 482 under the 1933 Act.

The Company has taken no action designed to, or likely to have the effect of, terminating the registration of the common stock of the Company under the 1934 Act or delisting the common stock of the Company from the Nasdaq Global Market, nor has the Company received any notification that the Commission or Nasdaq is contemplating terminating such registration or listing. The Company has continued to satisfy, in all material respects, all Nasdaq listing requirements.

(27) FINRA Matters. (28) Tax Returns. Each of the Triangle Entities has filed all tax returns that are required to be filed and have paid all taxes required to be paid by it and any other assessment, fine or penalty levied against it, to the extent that any of the foregoing is due and payable, except for any such tax, assessment, fine or penalty that is currently being contested in good faith by appropriate actions and except for such taxes, assessments, fines or penalties the nonpayment of which would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect. The Company has made adequate charges, accruals and reserves in the applicable financial statements referred to in the Preliminary Prospectus and the Prospectus in respect of all federal, state and foreign income and franchise taxes for all periods as to which the tax liability of either of the Triangle Entities or the General Partner has not been finally determined. (29) Partnership Tax. At all times from the date of its formation until February 21, 2007, the Fund was treated as a partnership for federal income tax purposes, and not as an association or publicly traded partnership taxable as a corporation. As of and at all times from February 22, 2007, the Fund has been a disregarded entity for federal income tax purposes.

(30) Subchapter M. The Company has been and is in compliance with the requirements of Subchapter M of the Code to qualify as a regulated investment company under the Code. The Company will direct the investment of the net proceeds of the offering of the Securities and continue to conduct its activities in such a manner as to comply with the requirements of Subchapter M of the Code.

(31) Insurance. The Triangle Entities maintain a joint directors and officers/errors and omissions insurance policy and fidelity bond that complies with the requirements of Rule 17g-1 under the 1940 Act, and each Triangle Entity and its subsidiaries are insured for reasonable

Each Triangle Entity is in compliance with the terms of such policies and fidelity bonds in all material respects and there are no claims by either Triangle Entity under any such policies or fidelity bonds as to which any insurance company is denying liability or defending under a reservation of rights clause. The Triangle Entities have no reason to believe that they will not be able to renew their existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue their business at a cost that would not have a Material Adverse Effect, except as set forth in or contemplated in the Preliminary Prospectus and the Prospectus.

The Company's auditors and the Audit Committee of the Board of Directors have been advised of (1) any known significant deficiencies in the design or operation of internal controls that could adversely affect the ability to record, process, summarize, and report financial data and (2) any known fraud, whether or not material, that involves management or other employees who have a role in the Company's and the Fund's respective internal control over financial reporting; and such deficiencies or fraud will not result in a Material Adverse Effect.

(ii) The Triangle Entities' internal control over financial reporting is effective and the Triangle Entities are not aware of any material weakness in their internal control over financial reporting.

(iii) The Company has established and maintains disclosure controls and procedures (as such term is defined in the rules and regulations promulgated under the 1934 Act), which (A) are designed to ensure that material information relating to the Company, including its consolidated subsidiaries, is made known to the Company's principal executive officer and its principal financial officer by others within those entities, particularly during the periods in which the periodic reports required under the 1934 Act are being prepared, (B) will be evaluated for effectiveness as of the end of each fiscal quarter and fiscal year of the Company and (C) are effective to perform the functions for which they were established.

(33) Compliance with the Sarbanes-Oxley Act. The Triangle Entities are in compliance with the applicable provisions of the Sarbanes-Oxley Act and the rules and regulations promulgated in connection therewith, including Sections 302 and 906 related to certifications and Section 404.

Each Triangle Entity (i) has adopted and implemented written policies and procedures reasonably designed to prevent violation of the Federal Securities Laws (as that term is defined in Rule 38a-1 under the 1940 Act) by the Triangle Entity, (ii) is conducting its business in compliance with all laws, rules, regulations, decisions, directives and orders except for such failure to comply which would not reasonably be expected to result in a Material Adverse Effect and (iii) is conducting its business in compliance in all material respects with the requirements of the SBA and the 1940 Act.

(35) Investment Adviser Status. Neither Triangle Entity nor the General Partner is currently subject to registration as an investment adviser under the Investment Advisers Act of 1940, as amended.

(36) Absence of Stabilization. Neither Triangle Entity has taken, and will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in the stabilization or manipulation of the price of any security to facilitate the sale or resale of the Securities, and neither Triangle Entity is aware of any such action taken or to be taken by any affiliates of such Triangle Entity. The Triangle Entities acknowledge that the Underwriters may engage in passive market making transactions in the Securities in accordance with Regulation M under the 1934 Act.

(37) Statistical, Demographic or Market-Related Data. Any statistical, demographic or market-related data included in the Registration Statement, the Preliminary Prospectus or the Prospectus is based on or derived from sources that the Triangle Entity believes to be reliable and accurate and all such data included in the Registration Statement, the Preliminary Prospectus or the Prospectus accurately reflects the materials upon which it is based or from which it was derived.

(38) Advertisements. All advertising, sales literature or other promotional material (including “prospectus wrappers,” “broker kits,” “road show slides” and “road show scripts”), whether in printed or electronic form, authorized in writing by or prepared by or at the direction of the Company for use in connection with the offering and sale of the Securities (collectively, “*sales material*”) complied and comply in all material respects with the applicable requirements of the 1933 Act, the 1940 Act and the rules and interpretations of the FINRA. (39) Absence of Undisclosed Payments. To each Triangle Entity’s knowledge, neither the Triangle Entities nor any employee or agent of the Triangle Entities has made any payment of funds of the Triangle Entities or received or retained any funds, which payment, receipt or retention of funds is of a character required to be disclosed in the Preliminary Prospectus or the Prospectus.

(40) Investments. Except for those limitations of general application provided in the 1940 Act, the SBA Regulations and the Code, there are no material restrictions, limitations or regulations with respect to the ability of the Triangle Entities to invest their assets as described in the Preliminary Prospectus or the Prospectus.

(42) Lock-Up Agreements. The Company has obtained for the benefit of the Underwriters the agreement (a "**Lock-Up Agreement**"), in the form set forth as Schedule C hereto, from all directors and executive officers of each of the Triangle Entities.

(43) Payment of Dividends. None of the Triangle Entities nor their respective subsidiaries has been named as a "potentially responsible party" under the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended.

(45) ERISA. Each of the Triangle Entities and its subsidiaries are in compliance in all material respects with all currently applicable provisions of the Employee Retirement Income Security Act of 1974, as amended, including the regulations and published interpretations thereunder (herein called "**ERISA**"). No "reportable event" (as defined in ERISA) has occurred with respect to any "pension plan" (as defined in Section 3(2) ERISA) for which such Triangle Entity or any subsidiary would have any liability. Such Triangle Entity and its subsidiaries have not incurred and do not expect to incur liability under (i) Title IV of ERISA with respect to termination of, or withdrawal from, any "pension plan" or (ii) Sections 412 or 4971 of the Code. Each "pension plan" for which the any Triangle Entity or any subsidiary would have any liability that is intended to be qualified under Section 401(a) of the Code is so qualified and nothing has occurred, whether by action or by failure to act, that would reasonably be expected to cause the loss of such qualification.

Neither Triangle Entity, or, to the knowledge of either Triangle Entity, any director, officer, partner, manager, agent, employee or affiliate of either Triangle Entity has (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity; (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee; (iii) violated or is in violation of any provision of the Foreign Corrupt Practices Act of 1977; (iv) made any bribe, rebate, payoff, influence payment, kickback or other unlawful payment; or (v) made any payment of funds to either Triangle Entity or received or retained funds in violation of any such law, rule or regulation.

(47) No Brokers or Finders. There is no broker, finder or other party that is entitled to receive from the Company or the Fund any brokerage or finder’s fee or other fee or commission as a result of any transactions contemplated by this Agreement, other than as contemplated herein.

(48) FINRA Affiliations. To the knowledge of either Triangle Entity, there are no affiliations or associations (as such terms are defined by the FINRA) between any member of the FINRA and any of the Company’s directors and officers, except for Sherwood Smith, as previously disclosed to the Underwriters. For purposes of this Section 1(a)(48), the Company shall be entitled to reasonably rely on representations from such officers and directors.

(49) OFAC. Neither of the Triangle Entities or any of their subsidiaries or, to the knowledge of either Triangle Entity, any director, officer, agent, employee of either of the Triangle Entities (in their capacities as such) or affiliate of either Triangle Entity or any of its subsidiaries is currently subject to any U.S. sanctions administered by the Office of Foreign Assets Control of the U.S. Department of the Treasury (**“OFAC”**); and the Company will not directly or indirectly use the proceeds of the offering of the Securities hereunder, or lend, contribute or otherwise make available such proceeds to any subsidiary, joint venture partner or other person or entity, for the purpose of financing the activities of any person currently subject to any U.S. sanctions administered by OFAC.

(b) Officers’ Certificates. Any certificate signed by any officer of a Triangle Entity and delivered to the Underwriters or to counsel for the Underwriters shall be deemed a representation and warranty by such Triangle Entity to each Underwriter as to the matters covered thereby.

Section 2. Sale and Delivery to Underwriters; Closing.

(a) Initial Securities. On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to

purchase from the Company, at the price per share set forth in Schedule B, the amount of Initial Securities set forth in Schedule A opposite such Underwriter's name, plus any additional number of Initial Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof.

(b) Over-Allotment Securities. Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company hereby grants an option to the several Underwriters to purchase, severally and not jointly, up to 195,000 Over-Allotment Securities at the same price per share as the Underwriters shall pay for the Initial Securities. Said option may be exercised only to cover over-allotments in the sale of the Initial Securities by the Underwriters. Said option may be exercised in whole or in part at any time and from time to time on or before the 30th day after the date of the Prospectus upon notice by the Underwriters to the Company setting forth the number of shares of the Over-Allotment Securities as to which the several Underwriters are exercising the option and the settlement time and date. The number of Over-Allotment Securities to be purchased by each Underwriter shall be the same percentage of the total number of shares of the Over-Allotment Securities to be purchased by the several Underwriters as such Underwriter is purchasing of the Initial Securities, plus any additional number of Over-Allotment Securities which such Underwriter may become obligated to purchase pursuant to the provisions of Section 10 hereof, subject to such adjustments as you in your absolute discretion shall make to eliminate any fractional shares. Any such time and date of delivery (an "**Option Closing Time**") shall be determined by you, but shall not be later than seven full business days after the exercise of said option, nor in any event prior to the Closing Time.

(c) Payment. Payment of the purchase price for, and delivery of certificates, if any, for the Initial Securities shall be made at the offices of Sutherland Asbill & Brennan LLP, 1275 Pennsylvania Avenue, NW, Washington, DC 20004, or at such other place as shall be agreed upon by the Underwriters and the Company, at 10:00 A.M. (Eastern time) on August 12, 2009 (unless postponed in accordance with the provisions of Section 10), or such other time not later than ten business days after such date as shall be agreed upon by the Underwriters and the Company (such time and date of payment and delivery being herein called "**Closing Time**").

In addition, in the event that any or all of the Over-Allotment Securities are purchased by the Underwriters, payment of the purchase price for, and delivery of certificates, if any, for, such Over-Allotment Securities shall be made at the above-mentioned offices, or at such other place as shall be agreed upon by the Underwriters and the Company, on each Option Closing Time as specified in the notice from the Underwriters to the Company.

Delivery of the Securities shall be made to the Underwriters for the respective accounts of the several Underwriters against payment by the several Underwriters of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account designated by the Company. Delivery of the Initial Securities and the Over-Allotment Securities shall be made through the facilities of The Depository Trust Company, unless the Underwriters shall otherwise instruct. RBC, Morgan Keegan, BB&T and Sterne Agee, each individually and not as a representative of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Initial Securities or the Over-Allotment Securities, if any, to be purchased by any Underwriter whose funds have not been received by the Closing

Time or the relevant Option Closing Time, as the case may be, but such payment shall not relieve such Underwriter from its obligations hereunder.

(d) Denominations; Registration. Certificates for the Initial Securities and the Over-Allotment Securities, if any, shall be in such denominations and registered in such names as the Underwriters may request in writing at least one full business day before the Closing Time or the relevant Option Closing Time, as the case may be. The certificates, if any, for the Initial Securities and the Over-Allotment Securities, if any, will be made available for examination and packaging by the Underwriters in Boston, Massachusetts not later than noon (Eastern time) on the business day prior to the Closing Time or the relevant Option Closing Time, as the case may be.

Section 3. Covenants of the Triangle Entities. The Triangle Entities, jointly and severally, covenant with each Underwriter as follows:

(a) Compliance with Securities Regulations and Commission Requests. The Triangle Entities, subject to Section 3(a)(ii), will comply with the requirements of the 1933 Act, including Rule 430C thereunder, and will notify the Underwriters immediately, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement shall become effective, or the Prospectus, any amendment or supplement thereto, or any amendment or supplement to the Preliminary Prospectus shall have been filed, (ii) of the receipt of any comments from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or any amendment or supplement to the Preliminary Prospectus or the Prospectus or for additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any order preventing or suspending the use of the Preliminary Prospectus or the Prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes and (v) if either Triangle Entity becomes the subject of a proceeding under Section 8A of the 1933 Act in connection with the offering of the Securities. The Company will promptly effect the filings required by Rule 497 and will take such steps as they deem necessary to ascertain promptly whether the form of prospectus transmitted for filing under Rule 497 was received for filing by the Commission and, in the event that it was not, it will promptly file such prospectus. The Triangle Entities will make every reasonable effort to prevent the issuance of any stop order, or order of suspension or revocation of registration, and, if any such stop order or order of suspension or revocation of registration is issued, to obtain the lifting or withdrawal thereof at the earliest possible moment.

(b) Filing of Amendments. The Company will give the Underwriters notice of its intention to file or prepare any amendment to the Registration Statement (including any Rule 462(b) Registration Statement) or any amendment, supplement or revision to either the prospectus included in the Registration Statement at the time it became effective or to the Preliminary Prospectus or the Prospectus or will furnish the Underwriters with copies of any such documents within a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document to which the Underwriters or counsel for the Underwriters shall object.

(c) Delivery of Registration Statements. At the request of the Underwriters, the Company will furnish or deliver to the Underwriters and counsel for the Underwriters, without charge, signed copies of the Registration Statement as originally filed and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein) and signed copies of all consents and certificates of experts, and will also deliver to the Underwriters, without charge, a conformed copy of the Registration Statement as originally filed and of each amendment thereto (without exhibits) for each of the Underwriters, during the time period when the Underwriters are required to deliver the Prospectuses. The copies of the Registration Statement and each amendment thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) Delivery of Prospectuses. The Company has delivered to each Underwriter, without charge, as many copies of the Preliminary Prospectus as such Underwriter reasonably requested, and the Company hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Company will furnish to each Underwriter, without charge, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, such number of copies of any amendments or supplements to the Preliminary Prospectus prepared on or after the date of this Agreement and the Prospectus (and any amendments or supplements thereto) as such Underwriter may reasonably request. The Preliminary Prospectus and the Prospectus and any amendments or supplements thereto furnished to the Underwriters is or will be, as the case may be, identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(e) Continued Compliance with Securities Laws. Each Triangle Entity will comply with the 1933 Act and the 1940 Act (including the requirements for qualification as a BDC) so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Preliminary Prospectus and the Prospectus. If at any time when the Prospectus is required by the 1933 Act to be delivered in connection with sales of the Securities (including, without limitation, pursuant to Rule 172), any event shall occur or condition shall exist as a result of which it is necessary, in the opinion of counsel for the Underwriters or for the Triangle Entities, to amend the Registration Statement or amend or supplement the Prospectus in order that the Prospectus will not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein not misleading in the light of the circumstances existing at the time it is delivered to a purchaser, or if it shall be necessary, in the opinion of such counsel, at any such time to amend the Registration Statement or amend or supplement the Prospectus in order to comply with the requirements of the 1933 Act or the 1940 Act, the Company will promptly prepare and file with the Commission, subject to Section 3(b) hereof, such amendment or supplement as may be necessary to correct such statement or omission or to make the Registration Statement or the Prospectus comply with such requirements, and the Company will furnish to the Underwriters such number of copies of such amendment or supplement as the Underwriters may reasonably request.

(f) Amendments or Supplements to the Disclosure Package. If there occurs an event or development as a result of which the Disclosure Package would include an untrue statement of a material fact or would omit to state a material fact necessary in order to make the statements therein, in light of the circumstances then prevailing, not misleading, the Company will promptly

notify the Underwriters so that any use of the Disclosure Package may cease until it is amended or supplemented (at the sole cost and expense of the Company).

(g) Blue Sky Qualifications. The Company will use its best efforts, in cooperation with the Underwriters, to qualify the Securities for offering and sale under the applicable securities laws of such states and other jurisdictions (domestic or foreign) as the Underwriters may designate and to maintain such qualifications in effect so long as required for the distribution of the Securities; provided, however, that the foregoing shall not apply to the extent that the securities are “covered securities” that are exempt from state regulation pursuant to Section 18 of the 1933 Act. Notwithstanding the foregoing, the Company shall not be obligated to file any general consent to service of process or to qualify as a foreign corporation or as a dealer in securities in any jurisdiction in which it is not so qualified or to subject itself to taxation in respect of doing business in any jurisdiction in which it is not otherwise so subject.

(h) Rule 158. The Company will timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to their securityholders as soon as practicable an earnings statement for the purposes of, and to provide to the Underwriters the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(i) Use of Proceeds. The Company will use the net proceeds received by it from the sale of the Securities in the manner specified in the Preliminary Prospectus and the Prospectus under “Use of Proceeds.” The proceeds will not be used by either Issuer to purchase, hold or carry margin securities as defined in, or in violation of, Board of Governors of the Federal Reserve System Regulations T, U or X.

(j) Listing. The Company will use its reasonable best efforts to cause the Securities to be duly authorized for listing by Nasdaq prior to the date the Securities are issued.

(k) Restriction on Sale of Securities. During a period of 60 days from the date of the Prospectus (the “*Lock-Up Period*”), the Triangle Entities will not, without the prior written consent of the Underwriters, (A) directly or indirectly, offer, pledge, sell, contract to sell, sell any option, rights or warrant to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of common stock of the Company or any securities convertible into or exercisable or exchangeable for common stock of the Company or file any registration statement under the 1933 Act with respect to any of the foregoing or (B) enter into any swap or any other agreement or any transaction that transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of the common stock of the Company, whether any such swap or transaction described in clause (A) or (B) above is to be settled by delivery of common stock of the Company or such other securities, in cash or otherwise. Notwithstanding the foregoing, if (1) during the last 17 days of the Lock-Up Period, the Company issues an earnings release or material news or a material event relating to the Triangle Entities occurs, or (2) prior to the expiration of the Lock-Up Period, the Company announces that it will release earnings results or become aware that material news or a material event will occur during the 16-day period beginning on the last day of the Lock-Up Period, then the Lock-Up Period shall automatically be extended and the restrictions imposed by this Section 3(k) shall continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, as applicable,

unless the Underwriters waive, in writing, such extension. The restrictions in this Section shall not apply to (1) the Securities to be sold hereunder or (2) common stock issued or, for avoidance of doubt, purchased in the open market pursuant to the Company's dividend reinvestment plan or in connection with grants awarded under the Company's Amended and Restated 2007 Equity Incentive Plan, in each case in the ordinary course consistent with past practice.

(l) Reporting Requirements. The Triangle Entities, during the period when the Prospectus is required to be delivered under the 1933 Act or the 1934 Act, will file all documents required to be filed with the Commission pursuant to the 1933 Act, the 1940 Act or the 1934 Act within the time periods required by the 1933 Act, the 1940 Act, the 1934 Act and the rules and regulations of the Commission thereunder.

(m) Entity Taxation. The Company will comply with the requirements of Subchapter M of the Code to continue to qualify as a regulated investment company under the Code.

(n) Absence of Stabilization. The Triangle Entities will not take, directly or indirectly, any action designed to cause or result in, or that would constitute or may reasonably be expected to constitute, the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(o) Continued Compliance with SBA Requirements. The Fund will continue to comply with the requirements for qualification as an SBIC, which is eligible to borrow from the SBA as described in the Prospectus.

Section 5. Conditions of Underwriters' Obligations. The obligations of the several Underwriters hereunder shall be subject to the accuracy of the representations and warranties of the Triangle Entities contained in Section 1 hereof as of the Applicable Time, the Closing Time and any Option Closing Time pursuant to Section 4 hereof, to the accuracy of the statements of the Triangle Entities made in any certificates delivered pursuant to the provisions hereof, to the performance by the Triangle Entities of their respective covenants and other obligations hereunder, and to the following further conditions:

(j) Conditions to Purchase of Over-Allotment Securities. In the event that the Underwriters exercise their option provided in Section 2(b) hereof to purchase all or any portion of the Over-Allotment Securities, the obligations of the several Underwriters to purchase the applicable Over-Allotment Securities shall be subject to the conditions specified in the introductory paragraph of this Section 5 and to the further condition that, at the applicable Option Closing Time, the Underwriters shall have received:

Section 6. Indemnification.

(a) Indemnification by the Triangle Entities. The Triangle Entities, jointly and severally, shall indemnify and hold harmless each Underwriter, its partners, directors, officers and employees, and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, and the successors and assigns of all of the foregoing persons, as follows:

(1) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement (or any amendment thereto), including the Rule 430C Information, or the omission or alleged omission therefrom of a material fact required to be

stated therein or necessary to make the statements therein not misleading, or arising out of any untrue statement or alleged untrue statement of a material fact included in the Preliminary Prospectus, any sales material, the Disclosure Package or the Prospectus (or, in each case, any amendment or supplement thereto), or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(2) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental, regulatory or self-regulatory agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; and

(3) against any and all expense whatsoever, as incurred (including the fees and charges of counsel chosen by the Underwriters), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, or regulatory or self-regulatory authority, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by any Underwriter expressly for use in the Registration Statement (or any amendment thereto), including the Rule 430C Information, or in the Preliminary Prospectus, any sales material, the Disclosure Package or the Prospectus (or any amendment or supplement thereto), it being understood and agreed that the only such information furnished to the Company in writing by the Underwriters consists of the information described in Section 6(c) hereof.

(b) Indemnification for Marketing Materials. In addition to the foregoing indemnification, the Triangle Entities also, jointly and severally, shall indemnify and hold harmless each Underwriter and each person, if any, who controls any Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 6(a), as limited by the proviso set forth therein, with respect to any sales material, if any are employed.

(c) Indemnification by the Underwriters. Each Underwriter severally agrees to indemnify and hold harmless each of the Triangle Entities, their respective directors, members and shareholders, each of the Triangle Entities' officers who signed the Registration Statement, and each person, if any, who controls a Triangle Entity within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in subsection (a) of this Section 6, as incurred, but only with respect to untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement (or any amendment thereto), including the Rule 430C Information, or any Preliminary Prospectus, any sales material, the Disclosure Package or the Prospectus (or any amendment or supplement thereto) in reliance upon and in conformity with written information furnished to the Triangle Entities by such Underwriter expressly for use in the

Registration Statement (or any amendment thereto), including the Rule 430C Information, or such Preliminary Prospectus, sales material, Disclosure Package or Prospectus (or any amendment or supplement thereto). The Triangle Entities acknowledge that the statements set forth in the Preliminary Prospectus and the Prospectus in (i) the last paragraph of the cover page regarding delivery of the Securities and (ii) under the heading "Underwriting," (A) the list of Underwriters and their respective participation in the sale of the Securities, (B) the sentences related to concessions and reallowances and (C) the paragraph related to stabilization, syndicate covering transactions and penalty bids constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in the Disclosure Package or the Prospectus.

(d) Actions against Parties; Notification. Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. In the case of parties indemnified pursuant to Section 6(a) above, counsel to the indemnified parties shall be selected by the Underwriters, and, in the case of parties indemnified pursuant to Section 6(c) above, counsel to the indemnified parties shall be selected by the Triangle Entities. An indemnifying party may participate at its own expense in the defense of any such action; provided, however, that counsel to the indemnifying party shall not (except with the consent of the indemnified party) also be counsel to the indemnified party. In no event shall the indemnifying party be liable for the fees and expenses of more than one counsel (in addition to any local counsel) separate from its own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(e) Settlement Without Consent. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

Section 7. Contribution. (a) If the indemnification provided for in Section 6 hereof is for any reason unavailable to or insufficient to hold harmless an indemnified party in respect of any

losses, liabilities, claims, damages or expenses (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses (or actions in respect thereof) incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Triangle Entities on the one hand and the Underwriters on the other hand from the offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Triangle Entities on the one hand and of the Underwriters on the other hand in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Triangle Entities on the one hand and the Underwriters on the other hand in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriters, in each case as set forth on the cover of the Prospectus, bear to the aggregate initial public offering price of the Securities as set forth on such cover.

(b) The relative fault of the Triangle Entities on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether any such untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Triangle Entities or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(c) The Triangle Entities and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by *pro rata* allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses (or actions in respect thereof) incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

(d) Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of any such untrue or alleged untrue statement or omission or alleged omission.

(e) No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. No person shall be entitled to indemnification hereunder in contravention of Section 17(i) of the 1940 Act.

(f) For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and each trustee, director, officer, employee and agent of an Underwriter shall have the same rights to contributions as such Underwriter, and each person who controls the Triangle Entities within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act, each officer of a Triangle Entity, each trustee, director or member of a Triangle Entity shall have the same rights to contribution as such Triangle Entity. The Underwriters' respective obligations to contribute pursuant to this Section 7 are several in proportion to the number of Initial Securities set forth opposite their respective names in Schedule A hereto and not joint.

Section 8. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and covenants contained in this Agreement or in certificates of officers of the Triangle Entities submitted pursuant hereto, shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or controlling person, or by or on behalf of the Triangle Entities, and shall survive delivery of the Securities to the Underwriters.

Section 9. Termination of Agreement. (a) The Underwriters may terminate this Agreement, by notice to the Company, at any time on or prior to the Closing Time (and, if any Over-Allotment Securities are to be purchased on an Option Closing Time which occurs after the Closing Time, the Underwriters may terminate their obligations to purchase such Over-Allotment Securities, by notice to the Company, at any time on or prior to such Option Closing Time) (i) if there has been, since the respective dates as of which information is given in the Preliminary Prospectus or the Prospectus, any Material Adverse Effect, or (ii) if there has occurred any material adverse change in the financial markets in the United States or the international financial markets, any outbreak of hostilities or escalation thereof, any calamity or crisis, any acts of terrorism, or any change or development involving a prospective change in national or international political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Underwriters, impracticable or inadvisable to market the Securities or to enforce contracts for the sale of the Securities, or (iii) if trading in any securities of the Company has been suspended or materially limited by the Commission or Nasdaq, or if trading generally on the American Stock Exchange, the New York Stock Exchange or in the Nasdaq Global Market has been suspended or materially limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, the FINRA or any other governmental authority, or a material disruption has occurred in commercial banking or securities settlement or clearance services in the United States, or (iv) if a banking moratorium has been declared by either Federal or New York authorities.

(b) If this Agreement is terminated pursuant to this Section 9, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 4, 6, 7, 8, and 12 hereof shall survive such termination and remain in full force and effect.

Section 10. Default by One or More of the Underwriters. If one or more of the Underwriters shall fail at the Closing Time or an Option Closing Time to purchase the Securities which it or they are obligated to purchase under this Agreement (the "**Defaulted Securities**"), the

remaining Underwriters shall have the right, within 24 hours thereafter, to make arrangements for one or more of the non-defaulting Underwriters, or any other underwriters, to purchase all of the Defaulted Securities in such amounts as may be agreed upon and upon the terms herein set forth; if, however, the Underwriters shall not have completed such arrangements within such 24-hour period, then:

(a) if the number of Defaulted Securities does not exceed 10% of the number of Securities to be purchased on such date, each of the non-defaulting Underwriters shall be obligated, severally and not jointly, to purchase the full amount thereof in the proportions that their respective underwriting obligations hereunder bear to the underwriting obligations of all non-defaulting Underwriters; or

(b) if the number of Defaulted Securities exceeds 10% of the number of Securities to be purchased on such date, this Agreement or, with respect to any Option Closing Time which occurs after the Closing Time, the obligation of the Underwriters to purchase and of the Company to sell the Over-Allotment Securities to be purchased and sold on such Option Closing Time, shall terminate without liability on the part of any non-defaulting Underwriter.

No action taken pursuant to this Section 10 shall relieve any defaulting Underwriter from liability in respect of its default.

In the event of any such default which does not result in a termination of this Agreement or, in the case of an Option Closing Time which is after the Closing Time, which does not result in a termination of the obligation of the Underwriters to purchase and the Company to sell the relevant Over-Allotment Securities, as the case may be, the Underwriters shall have the right to postpone the Closing Time or the relevant Option Closing Time, as the case may be, for a period not exceeding seven days in order to effect any required changes in the Registration Statement or Prospectus or in any other documents or arrangements. As used herein, the term "Underwriter" includes any person substituted for an Underwriter under this Section 10.

Section 11. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to RBC Capital Markets Corporation, 3 World Financial Center, 8th Floor, 200 Vesey Street, New York, NY 10281, Attention: Lance Tupper, Managing Director, with a copy to Sutherland Asbill & Brennan LLP, 1275 Pennsylvania Avenue, NW, Washington, DC 20004, Attention: Steven B. Lilly, with a copy to Bass, Berry & Sims PLC, 100 Peabody Place, Suite 900, Memphis, TN 38103, Attention: John A. Good, Esq.

Section 12. Parties. This Agreement shall inure to the benefit of and be binding upon the Underwriters, the Triangle Entities and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters, the Triangle Entities and their respective successors and the controlling persons and directors, officers, members, shareholders and trustees referred to in Sections 6 and 7 and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained,

whether as third-party beneficiaries or otherwise. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Underwriters, the Triangle Entities and their respective successors, and, solely for purposes of Sections 6 and 7, their respective controlling persons and officers, directors, shareholders and trustees, and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. No purchaser of Securities from any Underwriter shall be deemed to be a successor by reason merely of such purchase.

Section 13. Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS FORMED AND TO BE PERFORMED ENTIRELY WITHIN THE STATE OF NEW YORK, WITHOUT REGARD TO THE CONFLICTS OF LAW PRINCIPLES OR RULES THEREOF, TO THE EXTENT SUCH PRINCIPLES WOULD REQUIRE OR PERMIT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION.

Re: Lock-Up Agreement for shares of Triangle Capital Corporation

Ladies & Gentlemen:

The undersigned is an owner of record or beneficially of certain shares of common stock ("**Common Stock**") of Triangle Capital Corporation, a Maryland corporation (the "**Company**") or securities convertible into or exchangeable or exercisable for shares of Common Stock (collectively, the "**Securities**"). The Company proposes to carry out a public offering of Common Stock (the "**Offering**") for which you will act as the representative to the several underwriters (the "**Underwriters**"). The undersigned recognizes that the Offering will be of benefit to the undersigned and will benefit the Company by, among other things, raising additional capital for its operations. The undersigned acknowledges that you are relying on the representations and agreements of the undersigned contained in this letter agreement (this "**Agreement**") in carrying out the Offering and in entering into an Underwriting Agreement (the "**Underwriting Agreement**") with the Company with respect to the Offering.

In consideration of the foregoing, the undersigned hereby agrees that the undersigned will not (and will cause any spouse or immediate family member of the spouse or the undersigned living in the undersigned's household and any trustee of any trust that holds Securities for the benefit of the undersigned or such spouse or family member not to), without the prior written consent of RBC Capital Markets Corporation on behalf of the Underwriters (which consent may be withheld in its sole discretion), directly or indirectly, (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of (or enter into any transaction or device that is designed to, or could be expected to, result in the disposition by any person at any time in the future of) any Securities (including, without limitation, shares of Common Stock that may be deemed to be beneficially owned by the undersigned in accordance with the rules and regulations of the Securities and Exchange Commission), (2) enter into any swap or other

derivatives transaction that transfers to another, in whole or in part, any economic benefits or risks of ownership of shares of the Securities, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of the Common Stock or such other Securities, in cash or otherwise, or (3) publicly announce an intention to do any of the foregoing, for a period commencing on the date hereof and continuing through the close of trading on the date 60 days after the public offering date set forth on the final prospectus used to sell the Securities in the Offering (the “**Lock-up Period**”) pursuant to the Underwriting Agreement.

The foregoing restrictions have been expressly agreed to by the undersigned so as to preclude the undersigned (or such spouse, family member or trustee) from engaging in any hedging or other transaction that is designed to or reasonably expected to lead to or result in a disposition of Securities during the Lock-up Period, even if such Securities would be disposed of by someone other than such holder. Such prohibited hedging or other transactions would include, without limitation, any short sale (whether or not against the box) or any purchase, sale or grant of any right (including, without limitation, any put or call option) with respect to any security (other than a broad-based market basket or index) that includes, relates to or derives any significant part of its value from the Securities. In addition, the undersigned agrees that, without the prior written consent of RBC Capital Markets Corporation on behalf of the Underwriters, it will not, during the Lock-Up Period, make any demand for or exercise any right with respect to, the registration of any Securities or any security convertible into or exercisable or exchangeable for the Securities.

The foregoing shall not apply to the following: (1) the registration of or sale to the Underwriters of Securities pursuant to the Offering and the Underwriting Agreement, (2) the issuance of shares of Common Stock issuable under the Company’s dividend reinvestment plan, (3) Securities withheld by, or transferred to the Company under any Restricted Stock Award Agreement for purposes of covering any tax withholding obligations on behalf of the undersigned, as permitted under the Company’s Amended and Restated 2007 Equity Incentive Plan, (4) bona fide gifts, succession and inheritance by will or intestacy, (5) transfers to trusts for the benefit of the undersigned, any spouse, immediate family member or a charitable, educational or religious institution by the undersigned, or (6) transfers made with the prior written consent of RBC Capital Markets Corporation on behalf of the Underwriters; provided, however, that in the case of a transfer under clause (4) or (5), the transferee(s)/donee(s) shall agree in writing prior to such disposition to be bound by the restrictions set forth herein and to the extent any interest in the Securities is retained by the undersigned (or such spouse or family member), the Securities shall remain subject to the restrictions contained in this Agreement.

Notwithstanding the foregoing, if (1) during the last 17 days of the Lock-up Period, the Company issues an earnings release or material news or a material event relating to the Company occurs, or (2) prior to the expiration of the Lock-up Period, the Company announces that it will release earnings results or become aware that material news or a material event will occur during the 16-day period beginning on the last day of the Lock-up Period, then the Lock-up Period shall automatically be extended and the restrictions imposed by this Agreement shall continue to apply until the expiration of the 18-day period beginning on the issuance of the earnings release or the occurrence of the material news or material event, as applicable, unless RBC Capital Markets Corporation, on behalf of the Underwriters, waives, in writing, such extension.

The undersigned also agrees and consents (1) with respect to Securities held of record by the undersigned, to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of such Securities as described herein except in compliance with this Agreement, and (2) with respect to Securities beneficially owned, but not held of record by, the undersigned, to cause the record holder of such Securities to agree and consent to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of such Securities as described herein except in compliance with this Agreement.

It is understood that, if (1) the Company notifies the undersigned that it does not intend to proceed with the Offering, (2) the registration statement filed with the Securities and Exchange Commission with respect to the Offering is withdrawn, or (3) for any reason the Underwriting Agreement shall terminate or be terminated prior to payment for and delivery of the Securities to be sold thereunder, the undersigned will be released from its obligations under this Agreement.

This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts formed and to be performed entirely within the State of New York, without regard to conflicts of law principles or rules thereof, to the extent such principles would require or permit the application of the laws of another jurisdiction.

This Agreement is irrevocable and will be binding on the undersigned and the respective successors, heirs, personal representatives and assigns of the undersigned.
