TRIANGLE CAPITAL CORPORATION REPORTS FULL YEAR 2007 AND FOURTH QUARTER 2007 RESULTS

RALEIGH, NC — March 12, 2008, Triangle Capital Corporation (NASDAQ: TCAP) (“Triangle” or “the Company”), a leading specialty finance company that provides customized financing solutions to lower middle market companies located throughout the United States, today announced its results for the full year of 2007 and for the fourth quarter ended December 31, 2007.

Full Year 2007 Results

For the year ended December 31, 2007, total investment income was \$12.7 million. Total investment income consisted of \$10.9 million of loan interest, fee, dividend income and PIK interest income and \$1.8 million of interest income from cash on hand. During 2007, the Company’s total investment income was primarily impacted by new investments funded during the year which totaled approximately \$64.2 million. Non-recurring fee income, consisting primarily of loan prepayment fees, debt amendment fees and certain management and advisory fees was approximately \$0.5 million for the year ended December 31, 2007.

Total operating expenses for the year ended December 31, 2007, were \$6.3 million. Operating expenses consisted of \$4.1 million in general and administrative expenses and management fees and \$2.2 million in interest expense and amortization of deferred financing fees.

Net investment income for 2007 was \$6.4 million. Net investment income per share during 2007 was \$0.95, based on the Company’s weighted average shares outstanding during the year of 6.7 million.

In commenting on the Company’s results, Garland S. Tucker, III, President and Chief Executive Officer stated, “Our 2007 results reflect a strong start for Triangle as a publicly held company. During the year we made eleven investments totaling more than \$64.0 million which was significantly ahead of our investment objectives. We also achieved net investment income substantially higher than the expectations we outlined at the time of our initial public offering. As we move into 2008 we are optimistic about the quality of our existing investment portfolio as well as our prospects for making attractive new investments.”

The Company’s net increase in net assets resulting from operations was \$8.8 million during 2007. The Company’s net increase in net assets resulting from operations was \$1.31 per share during 2007, based on the Company’s weighted average shares outstanding during the year of 6.7 million. During 2007 the Company recorded net unrealized appreciation of investments of

approximately \$3.1 million which was offset by net realized losses on investments of approximately \$0.6 million.

The Company's net asset value per share at December 31, 2007, was \$13.74. As of December 31, 2007, the Company's weighted average yield on all of its outstanding debt investments was approximately 13.9%.

Fourth Quarter 2007 Results

For the quarter ended December 31, 2007, total investment income was \$3.7 million. Total investment income consisted of \$3.4 million of loan interest, fee, dividend income and PIK interest income and \$0.3 million of interest income from cash on hand. Non-recurring fee income, consisting primarily of loan prepayment fees, debt amendment fees and certain management and advisory fees was approximately \$0.1 million for the quarter ended December 31, 2007.

Total operating expenses during the fourth quarter of 2007 were \$1.8 million. Operating expenses consisted of \$1.2 million in general and administrative expenses and \$0.6 million in interest expense and amortization of deferred financing fees.

Net investment income for fourth quarter of 2007 was \$2.0 million. Net investment income per share during the fourth quarter of 2007 was \$0.29, based on the Company's weighted average shares outstanding during the quarter of 6.8 million.

The Company's net increase in net assets resulting from operations was \$2.2 million during the fourth quarter of 2007. The Company's net increase in net assets resulting from operations was \$0.32 per share during the fourth quarter of 2007, based on the Company's weighted average shares outstanding during the quarter of 6.8 million. During the fourth quarter of 2007 the Company recorded net realized gains on investments of approximately \$0.7 million which was offset by net unrealized depreciation on investments of approximately \$0.5 million.

Liquidity and Capital Resources

At December 31, 2007, the Company had cash and cash equivalents totaling \$21.8 million. The Company also had debentures outstanding guaranteed by the Small Business Administration ("SBA") totaling \$37.0 million. The Company has the ability to issue more than \$90.0 million of additional SBA guaranteed debentures in the future.

Commenting on the Company's liquidity position, Steven C. Lilly, Chief Financial Officer, stated, "Triangle enjoys an exceptionally strong liquidity position including more than \$90.0 million of undrawn, committed capital from the SBA. Based on our strong liquidity position, we believe Triangle is very well positioned as we focus on attractive long term growth opportunities."

Dividend Information

As previously announced on December 19, 2007, Triangle's Board of Directors declared a cash dividend of \$0.30 per share with a record date of December 31, 2007 and a payable date of January 28, 2008.

Portfolio Investments

Also as previously announced, during the fourth quarter of 2007 the Company made three new investments totaling \$21.6 million, of which \$4.0 million was senior debt, \$3.1 million was second lien debt, \$13.5 million was subordinated debt, and \$1.0 million was equity. During the quarter, Triangle realized a long term gain of approximately \$0.7 million in connection with the simultaneous repayment of a subordinated debt investment and the sale of a warrant position.

New investments and gains from exited investments since September 30, 2007 are summarized as follows:

On October 25, 2007, the Company invested \$7.1 million in FCL Graphics, Inc. ("FCL") consisting of \$4.0 million in senior debt and \$3.1 million in second lien debt. FCL is a leading commercial printer based in Chicago, Illinois, producing such items as direct mailings, brochures, annual reports, posters, catalogs, sell sheets, newspaper inserts and labels.

On October 25, 2007, the Company invested \$3.5 million in Energy Hardware Holdings, LLC ("EH Holdings") consisting of \$3.3 million in senior subordinated debt and \$0.2 million in junior subordinated debt. EH Holdings is a global distributor of fasteners, machined parts, seals and gaskets to the power generation industry.

On December 19, 2007, Triangle made an \$11.0 million investment in Dyson Corporation ("Dyson") consisting of \$10.0 million in subordinated debt and \$1.0 million in equity. Dyson, located in Painesville, Ohio, has operated for 120 years as a supplier of custom fasteners and forgings to industrial markets, providing products to some of the country's most recognizable projects including the Golden Gate and Brooklyn bridges and the Trans Alaska Pipeline. Since 2003, Dyson has also established itself as a supplier to the high-growth wind energy industry.

On December 19, 2007, the Company realized a long term capital gain of approximately \$0.7 million, in connection with the full repayment of its \$4.2 million subordinated debt investment and sale of its warrant position in AirServ Corporation, an aviation services company providing a wide range of services for airlines, airports and other transportation companies throughout the United States. The transaction represented an internal rate of return of approximately 19.4%.

Important Disclosures Relating to Financial Statement Presentation

In accordance with Statement of Financial Accounting Standards No. 141, *Business Combinations* ("SFAS 141"), the Company's results of operations for the twelve months ended December 31, 2007, are presented as if the Company's initial public offering and related formation transactions had occurred as of January 1, 2007. In addition, in accordance with SFAS 141, the results of the Company's operations for the years ended December 31, 2006 and 2005, and the Company's financial position as of December 31, 2006, have been presented on a combined basis in order to provide comparative information with respect to prior periods.
