Item 1.01. Entry into a Material Definitive Agreement.

As previously announced, on April 3, 2018, Triangle Capital Corporation (the “**Company**”) entered into: (i) an Asset Purchase Agreement (the “**APA**”) by and between the Company and an affiliate of Benefit Street Partners L.L.C. (“**BSP**”), and (ii) a Stock Purchase and Transaction Agreement (the “**SPA**”) by and between the Company and Barings LLC (“**Barings**”). A description of the APA and SPA is set forth below and is qualified in its entirety by the full text of the APA and the SPA, which are attached hereto as Exhibits 2.1 and 10.1, respectively, and are incorporated herein by reference.

The APA and the SPA contain representations and warranties that the Company, BSP and Barings, as applicable, have made as of specific dates. Except for its status as a contractual document that establishes and governs the legal relations among the parties with respect to the transactions described therein, the APA and the SPA are not intended to be a source of factual, business or operational information about the parties. The representations and warranties contained in the APA and the SPA were made only for purposes of those agreements and as of specific dates, may be subject to a contractual standard of materiality different from what an investor or a stockholder might view as material, may have been used for purposes of allocating risk between the respective parties rather than establishing matters as facts, and may have been qualified by certain disclosures not reflected in the APA and the SPA that were made to the other party in connection with the negotiation of the APA and the SPA and generally were solely for the benefit of the parties to that agreement. Investors or stockholders should read the APA and the SPA together with the other information concerning the Company that it files in reports and statements with the Securities and Exchange Commission (the “**SEC**”).

APA

Pursuant to the APA, subject to certain conditions described therein, at closing the Company will sell its right, title and interest to its portfolio company investments (the “**Investments**”) held at December 31, 2017, subject to certain adjustments to take into account portfolio activity since such date, in exchange for a purchase price of \$981.2 million in cash, as adjusted in accordance with the terms of the APA (the “**Asset Sale**”). The Company’s board of directors (the “**Board**”) has unanimously approved the Asset Sale upon the terms and subject to the conditions and limitations set forth in the APA. Subject to certain required approvals and closing conditions, as described below, the parties anticipate that the Asset Sale will close within the next four months.

Upon the terms and subject to the conditions set forth in the APA, from and after the closing of the Asset Sale, BSP will be responsible for and satisfy and discharge when due all liabilities with respect to the Investments arising out of and related to facts, events or circumstances arising or occurring, after the closing of the Asset Sale (the “**Assumed Obligations**”). BSP will also be responsible for any taxes with respect to the Investments and Assumed Obligations allocable to the period after the closing of the Asset Sale, and for half of the transfer taxes, if any, imposed in connection with the Asset Sale, subject to an agreed-upon cap. BSP has agreed to indemnify and hold harmless the Company from all Assumed Obligations, along with any related legal expenses and costs of enforcement of the indemnity. The Company will retain all liabilities of the Company, its subsidiaries and affiliates other than the Assumed Obligations, including any taxes with respect to the Investments and Assumed Obligations allocable to the period prior the closing of the Asset Sale as well any taxes incurred as a result of the Asset Sale (other than BSP’s agreed-upon portion of transfer taxes, as described above). The Company has also agreed to indemnify and hold harmless BSP from all liabilities and obligations of the Company and its subsidiaries and affiliates other than the Assumed Obligations, along with any related legal expenses and costs of enforcement of the indemnity.

The APA contains:

(a) representations and warranties of the Company, including representations and warranties relating to: corporate organization, corporate authority, absence of conflicts, third party and governmental consents and approvals, reports and regulatory matters, financial statements, absence of undisclosed liabilities, broker’s fees, absence of certain changes, legal proceedings, matters relating to the Investments and the Company’s ownership thereof, compliance with law, state takeover laws, affiliate transactions, taxes and information to be provided by the Company for inclusion in the proxy statement to be filed with the SEC in connection with seeking Company stockholder approval of the APA;

(b) representations and warranties from BSP to the Company, including representations and warranties relating to its organization, organizational documents, limited liability company authority, absence of conflicts, third party and governmental consents and approvals, broker's fees, state takeover laws, information to be provided by BSP for inclusion in the proxy statement to be filed with the SEC in connection with seeking Company stockholder approval of the APA, no financing conditions, source of financing, no arrangements with management or stockholders, and status of BSP under the securities laws;

(c) covenants providing that, until the Asset Sale is completed, the Company will, and will cause its subsidiaries to, to the extent related to the Investments, conduct its business in the ordinary course, use commercially reasonable efforts to maintain and preserve intact the Company's assets and business organization, not take or omit to take any action that would have a material adverse effect on the Company and its subsidiaries, and to take no action that would be reasonably expected to adversely affect or materially delay the ability of the Company to obtain any required governmental approvals or to perform its obligations under the APA and to consummate the Asset Sale and the Externalization (as defined below);

(d) covenants providing that, until the closing of the Asset Sale, and subject at all times to the requirements of the Company's financing documents and applicable law, the Company will not take (or omit to take) certain actions that would materially affect the Investments without the written consent of BSP or pursuant to specified exceptions;

(e) covenants providing that the Company will use its commercially reasonable efforts to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties and governmental entities that are necessary or advisable to consummate the Asset Sale, including (i) filing a proxy statement with the SEC to solicit stockholder approval for the Asset Sale; (ii) if applicable, filing a notification and report form with the Federal Trade Commission (the "FTC") and Department of Justice (the "DOJ") as required by the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the "HSR Act"); and (iii) notifying the Small Business Administration ("SBA") of the contemplated Asset Sale and Externalization and seeking guidance from the SBA regarding the treatment of the Company's SBA licenses in connection with the transactions; and

(f) certain other covenants, including covenants regarding access to information, cooperation, seeking Company stockholder approval, non-solicitation of competing offers from third parties (the "APA No-Shop"), the treatment of Investments for which required consents to transfer have not been obtained at closing, and cooperation regarding transfer of the Investments and related administrative agent and similar functions.

In addition, the Company and BSP will take steps necessary to provide for the repayment at closing of the Company's credit facility, the repayment (or transfer of funds to the indenture trustee sufficient to make repayment) of all principal and accrued interest due on its 6.375% Notes due December 15, 2022 and 6.375% Notes due March 15, 2022 and, if required by the SBA, repayment of the Company's outstanding SBA debentures.

The obligations of the parties to complete the Asset Sale are subject to certain conditions, including:

(a) the approval by Company stockholders of the Asset Sale shall have been obtained;

(b) the approval by Company stockholders of the Advisory Agreement (as defined below) and the matters to be voted upon by them that are conditions to closing under the SPA shall have been obtained;

(c) no law, injunction, order, decree entered by a governmental entity shall be in effect preventing or prohibiting the transactions contemplated by the APA;

(d) if applicable, the expiration or termination of all waiting periods (and any extension thereof) under the HSR Act shall have occurred; and

(e) there shall be no pending suit or proceeding by a governmental entity that has a reasonable likelihood of success, (i) challenging the Asset Sale, seeking to restrain or prohibit the consummation of the Asset Sale or seeking to obtain from the Company or BSP any damages that are material in relation to the Company and its subsidiaries taken as a whole, or (ii) seeking to prohibit BSP or any of its subsidiaries from effectively controlling in any material respect the business or operations of the Company and its subsidiaries.

In addition to the foregoing mutual conditions to closing, (a) BSP's obligation to consummate the Asset Sale is further conditioned upon (i) the accuracy of the representations and warranties of the Company (subject to the interpretive standards set forth in the APA), (ii) the performance by the Company, in all material respects, of its covenants and obligations under the APA, (iii) the receipt of a payoff letter in connection with repayment of the Company's credit facility at closing, and (iv) no material adverse effect (as defined in the APA) with respect to the Company having occurred between the signing date and closing, and (b) the Company's obligation to consummate the Asset Sale is further conditioned upon (i) the accuracy of the representations and warranties of BSP (subject to the interpretive standards set forth in the APA) and (ii) the performance by BSP, in all material respects, of its covenants and obligations under the APA.

The Company and BSP have the right to terminate the APA under certain circumstances, including (a) by mutual written agreement of each party or (b) by either the Company or BSP if: (i) any governmental entity that must grant regulatory approval shall have issued an order, decree or ruling or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting any of the transactions contemplated by the APA and such order, decree, ruling or other action shall have become final and nonappealable; (ii) the Asset Sale has not closed on or prior to October 5, 2018; (iii) the Company stockholders do not approve the APA and the matters that are conditions to closing under the SPA; or (iv) there is a material breach of any covenants, agreements, representations or warranties by the other party that is not cured prior to the date of the closing of the Asset Sale.

In addition, BSP may terminate the APA in the event the Board has made an adverse recommendation change regarding approval of the Asset Sale and the matters that are conditions to closing under the SPA, or in the event the Company has materially violated the APA No-Shop. The Company may also terminate the APA in the event the Board desires to accept a "superior proposal" from a third party (which is defined relative to the transactions contemplated by the APA and the SPA as a whole), after taking into account any adjustment made to the proposals made under the APA and SPA, and otherwise subject to certain procedural requirements set forth in the APA. In the event that the Company terminates the APA in order to accept a superior proposal, it must also terminate the SPA and pay the applicable termination fees under each agreement, as further described below.

In certain circumstances, the Company may be obligated to pay BSP a termination fee of \$18 million in cash. Those circumstances are described in greater detail in the APA and generally relate to termination of the APA in connection with an "adverse recommendation change" by the Board, a material breach by the Company of the APA No-Shop, and acceptance by the Company of a superior proposal. In addition, in other circumstances, the Company may be obligated to pay a "tail" termination fee of \$18 million in cash. The circumstances in which a tail termination fee would be payable are described in greater detail in the APA and generally relate to the entry into a significant corporate transaction within 12 months of termination of the APA in certain circumstances, subject to other conditions described in the APA regarding receipt of a competing proposal prior to such termination and the consummation of the subsequent transaction. The Company may also have to reimburse BSP for its documented out of pocket costs and expenses paid or payable to third parties and incurred or accrued by or on behalf of BSP in connection with the APA, subject to a maximum of \$4.25 million, in the event the APA is terminated in certain circumstances.

The foregoing descriptions are summaries of fees and expenses that may be incurred by the Company in connection with termination of the APA in certain circumstances, and reference is made to the greater detail regarding those matters set forth in the APA. However, in no event will the Company have an obligation to pay both a termination fee and a "tail" termination fee, or more than one termination fee or "tail" termination fee, under the APA. In addition, any expense reimbursement payable would be netted against any "tail" termination fee that may become payable following termination.

SPA

Pursuant to the SPA, subject to certain conditions described therein, at closing (the “**Externalization Closing**”), which will occur only after the closing of the Asset Sale, Barings will: (a) enter into an investment advisory agreement (the “**Advisory Agreement**”) and an administration agreement (the “**Administration Agreement**”) with the Company pursuant to which Barings will serve as the Company’s investment adviser and administrator, respectively; (b) pay \$85 million in cash to the Company’s stockholders; (c) purchase shares of Company common stock, par value \$0.001 per share (the “**Company Common Stock**”), directly from the Company in a private placement transaction for an aggregate purchase price of \$100 million (the “**Stock Purchase**” and, together with the foregoing (a) and (b), the “**Externalization**”); and (d) enter into a registration rights agreement with the Company with respect to the shares of Company Common Stock acquired by Barings (though Barings has agreed to certain restrictions on transfer of such shares for a period of two years following the Externalization Closing).

In addition to the foregoing, at or prior to the Externalization Closing, (a) the Board will approve and authorize the use of not less than \$50 million of proceeds from the Stock Purchase for the Company to implement one or more issuer tender offers to repurchase for cash its outstanding shares of Company Common Stock at a price per share up to and including the net asset value per share of the Company Common Stock, and (b) Barings will enter into a trading plan with a reputable third-party brokerage firm relating to the purchase by Barings of \$50 million of shares of Company Common Stock in open market transactions over a two-year period, subject to the availability of shares of Company Common Stock for purchase at prices not greater than the net asset value per share of Company Common Stock (the “**Open Market Purchases**”). In the event that Barings does not make Open Market Purchases of at least \$50 million prior to the end of the two-year period, then, within five business days following the end of such period, Barings will purchase shares of Company Common Stock directly from the Company at the greater of the then-current net asset value per share of Company Common Stock and the market price per share of the Company Common Stock on the New York Stock Exchange, in an aggregate amount equal to the difference between (i) \$50 million and (ii) the aggregate dollar amount of the Open Market Purchases made by Barings (the “**Subsequent Stock Purchase**”).

At the Externalization Closing, the Company’s current officers and directors will resign and new directors and officers identified by Barings will be appointed. Following the Externalization Closing, the Company will continue to indemnify its current officers and directors for up to six years after the Externalization Closing and will obtain “tail” insurance with respect to acts or omissions occurring prior to the Externalization Closing that were committed by the current officers and directors in their capacity as such.

If approved by the Company’s stockholders, at the Externalization Closing the Company will enter into the Advisory Agreement with Barings. Pursuant to the terms of the Advisory Agreement, the Company will pay the Adviser a base management fee and an incentive fee. The base management fee will be calculated based on the Company’s gross assets, including assets purchased with borrowed funds or other forms of leverage and excluding cash and cash equivalents, at an annual rate of 1.0% for the period commencing on the date of the Advisory Agreement through December 31, 2018; 1.125% for the period commencing on January 1, 2019 through December 31, 2019; and 1.375% for all periods thereafter. The incentive fee will consist of two parts: an income based incentive fee and a capital gains incentive fee. The income based incentive fee will be 20% of pre-incentive fee net investment income with an 8% hurdle rate, and beginning in 2020 the income based incentive fee will also be subject to a three-year look-back. The capital gains incentive fee will be 20% of the Company’s cumulative net capital gains. The specific terms of the fee structure under the Advisory Agreement will be described in the proxy statement to be filed with the SEC in connection with seeking Company stockholder approval of the Advisory Agreement.

The SPA contains:

(a) representations and warranties of the Company, including representations and warranties relating to, among others: corporate organization, capitalization, corporate authority and absence of conflicts, third party and governmental consents and approvals, reports and regulatory matters, financial statements the absence of undisclosed liabilities, internal controls, broker’s fees, absence of certain changes, legal proceedings, taxes and tax returns, employee matters, compliance with law, certain material contracts, state takeover laws, the information to be provided by the Company for inclusion on the proxy statement, and the Investments to be sold in the Asset Sale;

(b) representations and warranties from Barings to the Company, including representations and warranties relating to: organization, limited liability company authority and absence of conflicts, third party and governmental consents and approvals, regulatory matters, broker's fees, legal proceedings, state takeover laws, the information to be provided by Barings for inclusion on the proxy statement, no financing conditions, no arrangements with management or stockholders of the Company, and certain securities laws matters;

(c) covenants providing that the Company will conduct its businesses in the ordinary course until the Externalization Closing is completed and use its commercially reasonable efforts to maintain and preserve intact the Company's assets and business organization;

(d) covenants providing that the Company will not, until the Externalization Closing, and subject at all times to the requirements of the Company's financing documents and applicable law, take (or omit to take) certain non-ordinary course and other actions without the written consent of Barings or pursuant to specified exceptions;

(e) covenants providing that the Company will use its commercially reasonable efforts to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all permits, consents, approvals and authorizations of all third parties and governmental entities that are necessary or advisable for the Company to effect the Externalization, including (i) filing a proxy statement to solicit stockholder approval of the Advisory Agreement and the Stock Purchase (and, if applicable, the Subsequent Stock Purchase); (ii) if required, filing a notification and report form with the FTC and DOJ as required by the HSR Act; and (iii) notifying the SBA of the contemplated Externalization and Asset Sale and seeking guidance from the SBA regarding the treatment of the Company's SBA licenses in connection with the transactions; and

(f) certain other covenants, including covenants regarding access to information, cooperation, seeking Company stockholder approval, non-solicitation of competing offers from third parties (the "**SPA No-Shop**"), certain transition matters and termination of Company benefit plans and related matters. In addition, the Company is obligated to take steps necessary to ensure the repayment of indebtedness of the Company at closing of the Asset Sale on the terms set forth in the APA.

The obligations of the parties to complete the Externalization is subject to certain conditions, including:

(a) the approval by Company stockholders of the Advisory Agreement, the Stock Purchase (and, if applicable, the Subsequent Stock Purchase) and the Asset Sale shall have been obtained;

(b) Barings shall be registered as an investment adviser under the Investment Advisers Act of 1940, as amended;

(c) no law, injunction, order, decree entered by a governmental entity shall be in effect preventing or prohibiting the transactions contemplated by the SPA;

(d) if applicable, the expiration or termination of all waiting periods (and any extension thereof) under the HSR Act shall have occurred;

(e) the closing of the Asset Sale shall have occurred; and

(f) there shall be no pending suit or proceeding by a governmental entity that has a reasonable likelihood of success, (i) challenging the Externalization, seeking to restrain or prohibit the consummation of the Externalization or seeking to obtain from the Company or Barings any damages that are material in relation to the Company and its subsidiaries taken as a whole, or (ii) seeking to prohibit Barings or any of its subsidiaries from effectively controlling in any material respect the business or operations of the Company and its subsidiaries.

In addition to the foregoing mutual conditions to closing, (a) Barings' obligation to consummate the Externalization is further conditioned upon (i) the accuracy of the representations and warranties of the Company (subject to the interpretive standards set forth in the SPA), (ii) the performance by the Company, in all material respects, of its covenants and obligations under the SPA (other than the SPA No-Shop, which must be performed in all respects), (iii) no material adverse effect (as defined in the SPA) with respect to the Company having occurred between the signing date and closing, (iv) receipt of evidence of the repayment of the indebtedness of the Company at closing of the Asset Sale, (v) receipt of the requisite resignations from the Company's officers and directors, (vi) classification of the Board into three equal, or nearly equal, classes of directors to hold office for staggered terms of three years each, (vii) the approval by the Board of the election of directors identified by Barings and the appointment of each such director to the relevant director class designated by Barings, (viii) the change of the Company's name to Barings BDC, Inc., (ix) the "pro forma NAV" (as calculated in accordance with the SPA) being no less than \$545 million as of the date specified in the SPA, (x) the "investment company taxable income" of the Company being not more than \$15 million as of the date specified in the SPA, and (xi) the Company having entered into the Advisory Agreement and the Administration Agreement, and (b) the Company's obligation to consummate the Externalization is further conditioned upon (i) the accuracy of the representations and warranties of Barings (subject to the interpretive standards set forth in the SPA), and (ii) the performance by Barings, in all material respects, of its covenants and obligations under the SPA.

The Company and Barings have the right to terminate the SPA under certain circumstances including (a) by mutual written agreement of each party or (b) by either the Company or Barings if: (i) any governmental entity that must grant regulatory approval shall have issued an order, decree or ruling or taken any other action, in each case permanently restraining, enjoining or otherwise prohibiting any of the transactions contemplated by the SPA and such order, decree, ruling or other action shall have become final and nonappealable; (ii) the Externalization has not closed on or prior to October 5, 2018; (iii) the Company stockholders do not approve the Advisory Agreement and the Stock Purchase (and, if applicable, the Subsequent Stock Purchase); or (iv) there is a material breach of any covenants, agreements, representations or warranties by the other party that is not cured prior to the date of the Externalization Closing.

In addition, Barings may terminate the SPA in the event the Board has made an adverse recommendation change regarding approval of the Advisory Agreement and Stock Purchase, or in the event the Company has entered into an agreement with respect to a competing proposal. The Company may also terminate the SPA in the event the Board desires to accept a "superior proposal" from a third party, or makes an "adverse recommendation change" with respect to the stockholder approval of the Advisory Agreement and the Stock Purchase (and, if applicable, the Subsequent Stock Purchase), in each case after taking into account any adjustment made to the proposals made under the SPA and the APA, and otherwise subject to certain standards and procedural requirements set forth in the SPA. In the event the Company terminates the SPA in order to accept a superior proposal, it must also terminate the APA and pay the applicable termination fees under each agreement, as further described above and below.

In certain circumstances, the Company may be obligated to pay Barings a termination fee of \$6 million in cash. Those circumstances are described in greater detail in the SPA and generally relate to termination of the SPA in connection with an "adverse recommendation change" by the Board, the Company entering into a "competing proposal," and acceptance by the Company of a superior proposal. In addition, the Company may be obligated to pay a termination fee of \$6 million in cash if, following termination of the SPA in certain circumstances, the Company enters into a significant corporate transaction within 12 months of termination, subject to certain other conditions described in the SPA regarding receipt of a competing proposal prior to termination and the consummation of the subsequent transaction. The Company may also have to reimburse Barings for its documented out of pocket costs and expenses paid or payable to third parties and incurred or accrued by or on behalf of Barings in connection with the SPA, subject to a maximum of \$3 million, in the event the SPA is terminated in certain circumstances.

The foregoing descriptions are summaries of fees and expenses that may be incurred by the Company in connection with termination of the SPA in certain circumstances, and reference is made to the greater detail regarding those matters set forth in the SPA. However, in no event will the Company have an obligation to pay more than one termination fee under the SPA. In addition, any expense reimbursement payable would be netted against the termination fee that may become payable in the circumstances relating to a subsequent sale described above.

(b) If SBA Approval is received by Buyer in accordance with Section 7.1(b)(iii), Seller shall reasonably cooperate with Buyer to allow Buyer to assume the SBA Debentures and shall transfer to Buyer the SBIC Equity Interests in accordance with the terms of this Agreement as if such SBIC Equity Interests were Purchased Equity Interests and the assets held by the relevant SBIC Subsidiaries (including Purchased Assets therein) will not be separately transferred to the extent the SBIC Equity Interests are transferred to Buyer, in each case, (i) solely to the extent permitted by Applicable Law, (ii) solely to the extent the parties are able to affect such transfer of SBIC Equity Interests and assumption of SBA Debentures as of the Closing and (iii) subject to Section 3.4(c). In the event that Buyer purchases the SBIC Equity Interests and assumes the SBA Debentures pursuant to this Section 3.4(b), the Purchase Price shall be reduced by an amount equal to the amount of principal, accrued interest and all other amounts outstanding under the SBA Debentures as of the Closing. In the event that the relevant holder of the Seller Restricted Shares has so requested (in accordance with the Seller Stock Plan and relevant restricted share award agreement), the Seller shall, in accordance with the procedures adopted by the Company, withhold a number of Seller Restricted Shares having a fair market value (determined on the date such shares are withheld) equal to the aggregate amount required to be deducted and withheld under the Code and any applicable state or local Tax law with respect to the lapsing of restrictions on all Seller Restricted Shares held by the relevant holder, and the Seller shall pay over to the appropriate taxing authorities a corresponding amount of cash in satisfaction of such Tax liabilities. For the avoidance of doubt, the foregoing is intended solely to document the impact of the Contemplated Transactions on the Seller Restricted Shares and is not intended to, and shall not, impose any liability on, or create any obligation of, Buyer.

3.6 Allocation of Purchase Price: Tax Matters.

(a) The Purchase Price (plus any other amounts treated as purchase price and liabilities treated as assumed, in each case, for U.S. federal income tax purposes) will be allocated to reflect assumed liabilities and other amounts deemed paid by Buyer for federal income tax purposes in accordance with the principles of section 1060 of the Code and the regulations thereunder (and any corresponding provision of state, local or foreign Tax law, as appropriate) pursuant to an allocation schedule (each an "**Allocation Schedule**") to be prepared by Buyer. Buyer shall provide the Allocation Schedule (and any revision to the Allocation Schedule necessitated by an adjustment of the Purchase Price as discussed below) to Seller for Seller's review and comment. Seller shall provide any comments to Buyer within thirty (30) days of receiving the Allocation Schedule (or any revision to the Allocation Schedule). If Seller provides no comments to Buyer within such thirty (30) day period, the Allocation Schedule provided to Seller shall be the final Allocation Schedule (subject to revision necessitated by an adjustment of the Purchase Price for U.S. federal income tax purposes) and such allocation shall be binding among the Buyer and the Seller, its Subsidiaries and Affiliates. If Seller provides comments to Buyer within such thirty (30) day period, Buyer shall consider Seller's comments in good faith. If Buyer objects to Seller's comments, Buyer and Seller shall use commercially reasonable efforts to settle the dispute with respect to such comments promptly. If Buyer and Seller have not resolved such dispute within thirty (30) days of Buyer's receipt of Seller's comments, Buyer and Seller shall jointly retain a nationally recognized tax expert (a "**Tax Dispute Referee**") to resolve disputed items. The findings of the Tax Dispute Referee shall be final and binding on the Parties. Upon final resolution of disputed items, the Allocation Schedule shall be adjusted to reflect such resolution. The costs, fees and expenses of the Tax Dispute Referee incurred in connection with a dispute relating to the Allocation Schedule shall be borne equally by Seller and Buyer. Buyer and Seller hereby covenant and agree to (i) be bound by the Allocation Schedules for all income Tax purposes, (ii) prepare and file all Tax Returns on a basis consistent with each such Allocation Schedule and (iii) not take any position on any Tax Return, before any Governmental Authority charged with the collection of any Tax, or in any judicial proceeding that is in any way inconsistent with the terms of any such Allocation Schedule unless required to do so by applicable Law. Each Party will use commercially reasonable efforts provide the other with any other information required to complete Form 8594 under the Code as soon as reasonably practicable. If any indemnification payment is made pursuant to this Agreement or any other adjustment to the Purchase Price for U.S. federal income tax purposes occurs, Buyer shall promptly revise any affected Allocation Schedules to take into account such payment or adjustment in a manner consistent with the principles of section 1060 of the Code and the regulations thereunder (and any corresponding provision of state, local or foreign Tax Law, as appropriate).

(b) All Transfer Taxes incurred in connection with this Agreement and any transactions contemplated hereunder shall be borne and paid, or caused to be paid, by Buyer and Seller equally, provided however that the maximum amount of such Transfer Taxes borne by Buyer shall not exceed \$100,000 and Seller shall bear the excess. Buyer and Seller shall cooperate

to minimize the incurrence of any such Transfer Taxes. Buyer and Seller shall cooperate in timely making and filing all Tax Returns as may be required to comply with the provisions of laws relating to such Transfer Taxes. To the extent permitted by applicable Law, Buyer will file all necessary Tax Returns and other documentation with respect to all Transfer Taxes, and, if required by applicable Law, Seller will join in the execution of any such Tax Returns and related documentation. To the extent any Tax Return with respect to Transfer Taxes is required by applicable Law to be filed by Seller, Seller will timely file such Tax Return and other documentation and pay any amount of Tax shown as due on such Tax Return, and, subject to the first sentence of this Section 3.6(b), Buyer shall pay to Seller one-half of the amount of Tax shown as due for any such Tax Return no later than five (5) days before any such Tax and Buyer provides Seller with reasonable notice of such requirement, Seller will file such Tax Return and other documentation and pay any amount of Tax shown is due and, if required by applicable Law, shall join in the execution of any such Tax Returns and related documentation. Buyer and Seller shall use commercially reasonable efforts to cooperate in providing each other with any appropriate resale exemption certifications and other similar documentation.

(c) Buyer and Seller agree to furnish or cause to be furnished to each other, upon reasonable request, as soon as reasonably practicable, such information and assistance relating to the Purchased Assets and Assumed Obligations (including access to books and records) as is reasonably necessary for the preparation and filing of all Tax Returns, the making of any election relating to Taxes, the preparation for any audit by any tax authority, and the prosecution or defense of any claim, suit or proceeding relating to any Tax, in each case, with respect to a Pre-Closing Tax Period; provided, however, that neither Buyer nor Seller shall be required to furnish or cause to be furnished any Tax Returns or provide access to any books or records to the extent not related to the Purchased Assets or Assumed Obligations. Buyer and Seller shall retain all Books and Records with respect to Taxes pertaining to the Purchased Assets or Assumed Obligations for a period of at least seven (7) years following the Closing Date. Seller and Buyer shall use commercially reasonable efforts to cooperate with each other in the conduct of any audit or other proceeding relating to Taxes involving the Purchased Assets or Assumed Obligations for any Pre-Closing Tax Period.

(d) Without duplication for any amounts included in the Purchase Price, any refund or credit for Taxes with respect to the Purchased Assets or the Assumed Obligations attributable to a Pre-Closing Tax Period that were not otherwise adjusted for in the Purchase Price shall be for the sole benefit of Seller. In the event Buyer receives any such refund of Taxes, Buyer shall pay to Seller the amount of such refund within five (5) days after receipt.

(c) As of the date hereof, no event has occurred that, with or without notice, lapse of time, or both, would reasonably be expected to constitute a default or breach or a failure to satisfy a condition precedent on the part of the Buyer under the terms and conditions of the Equity Commitment Letters.

(d) In no event shall the receipt or availability of any funds or financing (including, for the avoidance of doubt, the Equity Financing) by the Buyer or any Affiliate or any other financing or other transactions be a condition to any of the Buyer's obligations hereunder.

Each Limited Guaranty is in full force and effect and is a valid and binding obligation of the applicable Equity Investor, enforceable against such Equity Investor in accordance with its terms and no event has occurred which, with or without notice, lapse of time or both, could constitute a default on the part of such Equity Investor under such Limited Guaranty.

Without characterizing any Purchased Asset as a "security" within the meaning of the Securities Act or any other securities laws, Buyer is not purchasing the Purchased Assets with a view towards sale or distribution thereof in violation of the Securities Act.

5.10 Investigation. Buyer has conducted its own independent review and analysis of the businesses, assets, condition, operations and prospects of the Seller and its Subsidiaries and has been provided access to the properties, premises and records of the Seller and its Subsidiaries for this purpose. In entering into this Agreement, Buyer has relied solely upon its own investigation and analysis, and Buyer acknowledges that, except for the representations and warranties of the Seller in Article IV, none of the Seller or its Subsidiaries nor any of their respective officers, directors, employees, agents or representatives makes any representation or warranty, either express or implied, as to the accuracy or completeness of any of the information provided or made available to Buyer or its officers, directors, employees, agents or representatives. 5.11 No Other Representations or Warranties. Except for the representations and warranties contained in this Article V, neither the Buyer nor any other Person on behalf of the Buyer makes any express or implied representation or warranty in connection with the Contemplated Transactions. reasonably and as promptly as reasonably practicable. The parties shall consult with each other with respect to the obtaining of all permits, consents, approvals and authorizations of all third parties and Governmental Entities necessary or advisable to consummate the Contemplated Transactions and each party will keep the other apprised of the status of matters relating to completion of the Contemplated Transactions. Notwithstanding the foregoing, in no event shall Buyer be obligated to pay any fee, Taxes or grant any concession in connection with (i) delivering notices to third parties or obtaining any consents from third parties (other than the fees of any HSR filing, which shall be borne by Buyer in accordance with Section 9.3) or (ii) the transfer of the Purchased Assets to Buyer.

(b) Without in any way limiting the foregoing Section 7.1(a):

(i) As promptly as reasonably practicable after the date of this Agreement, the Seller shall prepare (with Buyer's reasonable cooperation), and use its commercially reasonable efforts to file, within fifteen (15) Business Days following the date of this Agreement, the preliminary Proxy Statement with the SEC (which the parties acknowledge and agree will include the relevant proposals relating to the Externalization Transaction and may, to the extent required by Applicable Law, include any required proposal relating to "golden parachute," "say on pay" or similar matters, provided that approval of the foregoing matters, other than approval of the Externalization Transaction, shall not be conditions to Closing), which Proxy Statement shall comply with the rules and regulations promulgated by the SEC. No filing of, or amendment or supplement to, the Proxy Statement as it relates to Buyer or the Contemplated Transactions will be made by the Seller without providing Buyer a reasonable opportunity to review and comment thereon which comments the Seller will consider for inclusion in good faith. In connection with the foregoing, each of Buyer and the Seller shall, upon request, furnish, and cause its accountants and other agents and service providers to furnish to the other and the other's agents, all information concerning itself, its Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement. The Seller will advise Buyer promptly after it receives any oral or written request by the SEC for amendment of the Proxy Statement or comments thereon and responses thereto or requests by the SEC for additional information, and will promptly provide Buyer with copies of any written communication from the SEC or any state securities commission and a reasonable opportunity to participate in the responses thereto. The Seller shall promptly provide responses, or additional information, to the SEC with respect to all comments, or requests, received with respect to the Proxy Statement and promptly file any amendments or supplements to the Proxy Statement. If, at any time prior to the Closing, any information relating to the Seller or Buyer, or any of their respective Affiliates, officers or directors, should be discovered by the Seller or Buyer that should be set forth in an amendment or supplement to the Proxy Statement, so that the Proxy Statement would not contain any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party that discovers such information shall promptly notify the other parties hereto and an appropriate amendment or supplement describing such information shall promptly be filed with the SEC and, to the extent required under applicable law, disseminated to stockholders of the Seller; provided that the delivery of such notice and the filing of any such amendment or supplement shall not affect or be

deemed to modify any representation or warranty made by any party hereunder or otherwise affect the remedies available hereunder to any party. The Seller will cause the Proxy Statement to be mailed to the Seller Stockholders as of the record date for the Seller Stockholder Meeting as promptly as practicable once the Proxy Statement is cleared by the SEC (which shall include upon the expiration of the ten (10) day period following the filing the preliminary Proxy Statement in the event the SEC does not review the Proxy Statement), and the Proxy Statement, in definitive form, is filed with the SEC.

(ii) Each of Buyer and the Seller shall, if and to the extent required, file with the FTC and the DOJ a Notification and Report Form relating to this Agreement and the Contemplated Transactions as required by the HSR Act as soon as reasonably practicable following the execution and delivery of this Agreement. Each of Buyer and the Seller shall (A) cooperate and coordinate with the other in the making of such filings (if required), (B) supply the other with any information that may be required in order to make such filings, (C) supply any additional information that reasonably may be required or requested by the FTC or the DOJ, and (D) take all action reasonably necessary to cause the expiration or termination of any applicable waiting period under the HSR Act applicable to the Contemplated Transactions as soon as practicable. Each of Buyer and the Seller shall promptly inform the other of any communication from any Governmental Entity regarding any of the Contemplated Transactions in connection with such filings. If any party hereto or Affiliate thereof shall receive a request for additional information or documentary material from any Governmental Entity with respect to the Contemplated Transactions pursuant to the HSR, then such party shall make (or cause to be made), as soon as reasonably practicable and after consultation with the other party, an appropriate response in compliance with such request.

(iii) Promptly following the date hereof, Seller shall (i) inform the SBA of the Contemplated Transactions and the Externalization, (ii) seek the SBA's guidance regarding the continued effectiveness of the SBA licenses held by Seller or the SBIC Subsidiaries and consent to keep the SBA Debentures outstanding, and (iii) take such actions and, in accordance with SBA guidelines, make such filings, as may be reasonably necessary to obtain the SBA's approval of the Contemplated Transactions or the Externalization, as directed by the SBA (and not Buyer or New Adviser), and the continued effectiveness of the SBA licenses held by Sellers or the SBIC Subsidiaries and consent to keep the SBA Debentures outstanding (the "**SBA Approval**"); provided, however, that receipt of the SBA Approval shall not be a condition to Closing and, in the event the SBA Approval has not been obtained by the date on which all other conditions to Closing have been satisfied (other than those conditions that can only be satisfied at Closing), then the parties shall take the steps set forth in Section 2.6(b) with respect to the SBA Debentures and the surrender of the SBIC licenses in accordance with SBA regulations. In connection with the foregoing, Seller shall reasonably cooperate with each of Buyer and the New Adviser to facilitate the obtaining of the SBA Approval and the related transfer of the SBA licenses; provided, however, that in no event shall Seller (i) be obligated to advocate on Buyer's or New Adviser's behalf in connection with the SBA Approval, and (ii) in no event shall Seller's cooperation with Buyer be deemed the failure to cooperate with New Adviser under this Section 7.1(b)(iii), and vice versa.

(c) Subject to Applicable Law, each of Buyer and the Seller shall promptly advise the other upon receiving any communication from any Governmental Entity the consent or approval of which is required for consummation of the Contemplated Transactions that causes such party to believe that there is a reasonable likelihood that any Buyer Regulatory Approval or Seller Regulatory Approval, respectively, will not be obtained or that the receipt of any such approval may be materially delayed.

7.2 Access to Information. (a) Upon reasonable notice and subject to Applicable Laws relating to the confidentiality of information, the Seller shall, and shall cause each of its Subsidiaries to, afford to the officers, employees, accountants, counsel, advisors, agents and other representatives of Buyer, reasonable access, during normal business hours during the period prior to the Closing, to the properties, books, contracts, commitments, management employees and records of Seller and its Subsidiaries, and, during such period, the Seller shall, and shall cause its Subsidiaries to, make available to the other party (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal securities laws (other than reports or documents that such party is not permitted to disclose under Applicable Law) and (ii) all other information concerning its business, properties and personnel as Buyer may reasonably request. Neither the Seller nor any of its Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would jeopardize the attorney-client privilege of such party or its Subsidiaries or contravene any Applicable Law, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The parties shall make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) The Seller shall file all periodic reports required to be filed by it between the date hereof and the Closing Date. Each such filing shall be prepared in accordance with the applicable forms, rules and regulations of the SEC and shall satisfy the standard set forth in Section 4.5(c) for Seller SEC Reports.

(c) All information and materials provided pursuant to this Agreement shall be subject to the provisions of the Confidentiality Agreement entered into between the parties as of January 8, 2018 (the "*Confidentiality Agreement*").

(d) No investigation by a party hereto or its representatives shall affect the representations and warranties of the other party set forth in this Agreement.

7.3 Stockholder Approval.

(a) As promptly as reasonably practicable following the Seller's receipt of notice from the SEC that the SEC has completed its review of the Proxy Statement (or, if the SEC does not inform the Seller that it intends to review the Proxy Statement on or before the 10th calendar day following the filing of the preliminary Proxy Statement pursuant to Rule 14a-6 under the Exchange Act, as promptly as reasonably practicable following such 10th calendar day), the Seller, acting through the Seller Board, shall duly call, give notice of, convene and hold the Seller Stockholder Meeting for the purpose of obtaining the Seller Stockholder Approval. In connection therewith, the Seller Board shall be permitted to adjourn, delay or postpone the Seller Stockholder Meeting in accordance with Applicable Law (but not beyond the Outside Date) (i) to the extent

necessary to allow reasonable additional time for the filing and mailing of any supplemental or amended disclosure which the Seller Board has determined in good faith after consultation with outside counsel is reasonably likely to be necessary or appropriate under Applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by the Seller's stockholders prior to the Seller Stockholder Meeting, (ii) if there are insufficient shares of Seller Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Seller Stockholder Meeting, or (iii) to allow reasonable additional time to solicit additional proxies to the extent the Seller Board or any committee thereof reasonably believes necessary in order to obtain the Seller Stockholder Approval. In addition, the Seller Board shall, at the instruction of the Buyer, adjourn, delay or postpone the Seller Stockholder Meeting to allow reasonable additional time to solicit additional proxies to the extent the Buyer believes necessary in order to obtain the Seller Stockholder Approval. Unless the Seller Board has made an Adverse Recommendation Change, the Seller shall, through the Seller Board, make the Board Recommendation, and shall include such Board Recommendation in the Proxy Statement, and use its commercially reasonable efforts to (x) solicit from Seller stockholders proxies in favor of the Seller Stockholder Approval (y) take all other action necessary or advisable to secure the Seller Stockholder Approval.

(b) Except as expressly permitted in Section 7.6(e) and 7.6(f), neither the Seller Board nor any committee thereof shall (i) fail to include the Board Recommendation in the Proxy Statement, (ii) withhold, withdraw or modify or qualify, or propose publicly to withhold, withdraw or modify or qualify the Board Recommendation, (iii) fail to reaffirm the Board Recommendation or fail to publicly state that the Contemplated Transactions and Externalization Transaction are in the best interests of the Seller's stockholders, within ten (10) Business Days after Buyer requests in writing that such action be taken, (or if the Seller Stockholder Meeting is scheduled to be held within two (2) Business Days, then within one (1) Business Day after Buyer requests), (iv) fail to publicly announce, within ten (10) Business Days after a tender offer or exchange relating to the securities of the Seller shall have been commenced, an unqualified statement disclosing that the Seller Board recommends rejection of such tender offer or exchange offer, (v) take or resolve to take any other action or make any other statement in connection with the Seller Stockholder Meeting inconsistent with the Board Recommendation, or (vi) approve, determine to be advisable, or recommend, or propose publicly to approve, determine to be advisable, or recommend, any Competing Proposal (any action described the foregoing (i) through (vi) being referred to as an "*Adverse Recommendation Change*").

7.4 Additional Agreements. In case at any time after the Closing any further action is necessary or desirable to carry out the purposes of this Agreement, the proper officers and directors of each party and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by Buyer.

7.5 Advice of Changes. Each of Buyer and the Seller shall promptly advise the other of any change or event (i) having or reasonably likely to have a Material Adverse Effect on it, (ii) that it believes would or would be reasonably likely to cause or constitute a breach of any of its representations, warranties or covenants contained in this Agreement that would result in the conditions to Closing set forth in Article VIII not being satisfied; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties (or remedies with respect thereto) or the conditions to the obligations of the parties under this Agreement.

7.6 No Solicitation

(a) Subject to Section 7.6(d), the Seller shall, and shall cause its representatives to, immediately cease and cause to be terminated any existing solicitation of, or discussions or negotiations with, any Third Party relating to any Competing Proposal or any inquiry, discussion, offer or request that could reasonably be expected to lead to a Competing Proposal.

(b) Until the earlier of the Closing and termination of this Agreement, the Seller shall, as promptly as reasonably practicable, and in any event within two (2) Business Days of receipt by the Seller or any of its representatives of any Competing Proposal, any inquiry that would reasonably be expected to lead to a Competing Proposal or any request for nonpublic information, deliver to Buyer a written notice setting forth: (A) the identity of the Third Party making such Competing Proposal or inquiry or request for nonpublic information (to the extent not prohibited by any applicable confidentiality agreement existing prior to the date of this Agreement), (B) the material terms and conditions of any such Competing Proposal, and (C) copies of any draft agreements or other written materials setting forth the terms of such Competing Proposal, inquiry or request for nonpublic information. The Seller shall (i) keep Buyer reasonably informed of any and all discussions, negotiations or developments in respect of and the status and details of any such Competing Proposal, inquiry or request and all discussions, modifications, developments or proposed modifications thereto on a prompt basis, and (ii) provide Buyer with copies of all correspondence and all drafts and other versions of all letters of intent, memorandums of understanding, acquisition agreements, merger agreements, joint venture agreements, partnership agreements, commitment letters or similar or related documents or agreements, in each case, on a prompt basis (and in any event, for each of clauses (i) and (ii), within two (2) Business Days.

(c) Except as otherwise provided in this Agreement (including Section 7.6(d)), until the earlier of Closing and termination of this Agreement in accordance with its terms, the Seller shall not, and shall use commercially reasonable efforts to cause its representatives not to, directly or indirectly, (i) initiate, solicit, induce or knowingly encourage the making of any proposal or offer with respect to a Competing Proposal or (ii) engage in negotiations or substantive discussions with, or furnish any information to, or enter into any agreement, arrangement or understanding with, any Third Party relating to a Competing Proposal or any inquiry or proposal that could reasonably be expected to lead to a Competing Proposal; provided however, that notwithstanding the foregoing, (A) the Seller may inform Persons of the provisions contained in this Section 7.6, and (B) the Seller shall be permitted to grant a waiver of, or terminate, any "standstill" or similar obligation of any Third Party with respect to the Seller in order to allow such Third Party to confidentially submit a Competing Proposal.

(d) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to the date that the Seller Stockholder Approval is obtained, in the event that the Seller (or its representatives on the Seller's behalf) receives a Competing Proposal from any Third Party, (i) the Seller and its representatives may contact such Third Party to clarify any ambiguous terms and conditions thereof (without the Seller Board being required to make the determination

in clause (ii) of this Section 7.6(d) and (ii) the Seller and the Seller Board and its representatives may engage in negotiations or substantive discussions with, or furnish any information and other access to, any Third Party making such Competing Proposal and its representatives and Affiliates if the Seller Board determines in good faith (after consultation with its outside financial advisors and legal counsel) that (A) such Competing Proposal either constitutes a Superior Proposal or could reasonably be expected to lead to a Superior Proposal, and (B) failure to consider such Competing Proposal would reasonably be expected to be inconsistent with the fiduciary duties of the directors of the Seller under Applicable Law; provided, that (x) such Competing Proposal did not result from any material breach of any of the provisions set forth in this Section 7.6, (y) prior to furnishing any material non-public information concerning the Seller, the Seller receives from such Third Party, a confidentiality agreement containing confidentiality terms that are not less favorable in the aggregate to the Seller than those contained in the Confidentiality Agreement (it being understood and agreed that such confidentiality agreement need not restrict the making of Competing Proposals (and related communications) to the Seller or the Seller Board) (an “**Acceptable Confidentiality Agreement**”) and (z) the Seller shall (subject to the terms of any confidentiality agreement existing prior to the date hereof) simultaneously provide or make available to Buyer any material written non-public information concerning the Seller that it provides to any Third Party given such access that was not previously made available to Buyer or its representatives.

(e) The Seller Board shall not (i) effect an Adverse Recommendation Change, or (ii) approve or recommend, or allow the Seller to execute or enter into, any letter of intent, memorandum of understanding or definitive merger or similar agreement with respect to any Competing Proposal (other than an Acceptable Confidentiality Agreement); provided however, that notwithstanding anything in this Agreement to the contrary, at any time prior to the receipt of the Seller Stockholder Approval, the Seller Board may (x) other than in response to a Competing Proposal, make an Adverse Recommendation Change if the Seller Board determines in good faith (after consultation with its outside financial advisor and legal counsel) that failure to make an Adverse Recommendation Change would reasonably be expected to be inconsistent with the fiduciary duties of the Seller Board under Applicable Law, or (y) if the Seller has received a Competing Proposal that the Seller Board has determined in good faith (after consultation with its outside financial advisor and legal counsel), constitutes a Superior Proposal, authorize, adopt or approve such Superior Proposal and cause or permit the Seller to enter into a definitive agreement with respect to such Superior Proposal concurrently with the termination of this Agreement in accordance with Section 9.1(g), but in each case only after providing the Notice of Adverse Recommendation or Notice of Superior Proposal, as applicable, and complying with Section 7.6(f).

(f) Notwithstanding anything to the contrary in this Agreement, no Adverse Recommendation Change may be made and no termination of this Agreement pursuant to Section 9.1(g) may be effected, in each case until 5:00 p.m. Eastern Time on the fifth (5th) calendar day following receipt of written notice from the Seller to Buyer advising Buyer that the Seller intends to make an Adverse Recommendation Change (a “**Notice of Adverse Recommendation**”) or that termination of this Agreement pursuant to Section 9.1(g) may occur (a “**Notice of Superior Proposal**”) and specifying the reasons therefor, including, if the basis of the proposed action is a Superior Proposal, the material terms and conditions of any such Superior Proposal. At the option of Buyer, the parties shall negotiate in good faith with each other and the New Adviser during such

period to amend this Agreement and the Externalization Agreement in such a manner that the offer that was determined to constitute a Superior Proposal no longer constitutes a Superior Proposal. In determining whether to make an Adverse Recommendation Change or in determining whether a Competing Proposal constitutes a Superior Proposal, the Seller Board shall take into account any revisions to the terms of this Agreement and the Externalization Agreement proposed in writing by the other party in response to a Notice of Adverse Recommendation, a Notice of Superior Proposal or otherwise. Any material amendment to such Superior Proposal shall require a new Notice of Superior Proposal and the applicable party shall be required to comply again with the requirements of this Section 7.6(f); provided, however, that the notice period for subsequent notices shall end at 5:00 p.m. Eastern Time on the third (3rd) calendar day after receipt of such subsequent notice.

(g) Nothing in this Agreement shall restrict Seller from taking or disclosing a position contemplated by Rules 14d-9 or 14e-2(a) under the Exchange Act, or otherwise making disclosure if, in the good faith judgment of the Seller Board, failure to make such disclosure is reasonably likely to be inconsistent with the fiduciary duties of the Seller Board under Applicable Law (it being agreed that a “stop, look and listen” communication by the Seller Board to its stockholders pursuant to Rule 14d-9(f) under the Exchange Act or a factually accurate public statement by Seller that describes Seller’s receipt, as applicable, of a Competing Proposal and the operation of this Agreement with respect thereto shall not be deemed to be an Adverse Recommendation Change); provided that the foregoing shall in no way eliminate or modify the effect that any such disclosure or communication would otherwise have under this Agreement.

7.7 Repayment of Indebtedness. At least five (5) Business Days prior to the Closing, the Seller shall deliver to Buyer a draft copy of a customary payoff letter in form and substance reasonably satisfactory to Buyer relating to the Loan Repayment and the release of related Liens (the “**Payoff Letter**”). At least two (2) Business Days prior to the Closing Date, the Seller shall deliver to Buyer an executed copy of each Payoff Letter to be effective upon the Closing. The Seller shall, and shall cause its Subsidiaries to, deliver all the documents required for the termination of commitments under the Seller Loan Documents, subject to the occurrence of the Closing and the repayment in full of all obligations then outstanding thereunder.

7.8 Takeover Statutes. The parties shall use their respective commercially reasonable efforts (a) to take all action necessary so that no Takeover Statute is or becomes applicable to the Contemplated Transactions and Externalization Transaction, and (b) if any such Takeover Statute is or becomes applicable to any of the foregoing, to take all action necessary so that the Contemplated Transactions and Externalization Transaction may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to eliminate or minimize the effect of such Takeover Statute on the Contemplated Transactions and Externalization Transaction.

7.9 Litigation. The Seller shall give Buyer the opportunity to participate in the defense or settlement of any stockholder litigation against the Seller and/or its directors relating to the Contemplated Transactions. The Seller agrees that it shall not settle or offer to settle any litigation commenced on or after the date hereof against the Seller or any of its directors or executive officers by any stockholder of the Seller relating to this Agreement or the Contemplated Transactions or otherwise, without the prior written consent of Buyer, which consent shall not be unreasonably withheld.

7.10 Restricted Assets. If any Restricted Asset exists on the Closing Date, notwithstanding Sections 2.1 and 2.2, neither this Agreement nor the Assignment and Assumption Agreements nor any other document contemplated hereby shall constitute a sale, assignment, assumption, transfer, conveyance or delivery or an attempted sale, assignment, assumption, transfer, conveyance or delivery of such Restricted Asset unless and until the applicable Consent is obtained, and prior to and following the Closing, the Seller shall use commercially reasonable efforts to obtain the Consent relating to each relevant Purchased Asset as soon as reasonably practicable. Buyer shall cooperate with Seller in order to obtain each such Consent (both prior to and after the Closing Date). If any such Consent is obtained after the Closing Date, Seller shall convey, transfer, assign and deliver the applicable Restricted Asset to Buyer pursuant to an Assignment and Assumption Agreement as soon as reasonably practicable following receipt of the relevant Consent. Pending the obtaining of any Consent relating to any Restricted Asset, the parties shall cooperate with each other in any reasonable and lawful arrangements designed to provide to Buyer the full benefits (including economic) and rights of ownership of the Restricted Assets, including without limitation granting a participation interest or entering into a “back-to-back” or other similar arrangement to in which all benefits and rights of ownership will be passed through to Buyer. In addition, prior to the receipt of such required Consent, Seller shall with respect to any Restricted Asset, take action, refrain from taking action, vote or abstain from voting, as directed by Buyer. Notwithstanding the foregoing, no participation interest or similar arrangement entered into pursuant to this Section 7.10 shall convey to Buyer the right to consent to any amendment, consent, waiver or other modification of any Purchased Loan Documents or Equity Governing Documents relating to any Restricted Assets to the extent that the conveyance of such right by Seller to Buyer is contested by the counterparty to such Purchased Loan Documents or Purchased Equity Interests, as applicable.

7.11 Buyer as Successor Agent. Except as otherwise agreed by the parties, from and after the date hereof, with respect to each Purchased Loan for which Seller acts as Administrative Agent or with respect to which Seller is otherwise the secured party of record, Seller and Buyer shall cooperate and use commercially reasonable efforts to obtain all Consents, approvals and agreements of any third party (other than a Governmental Entity) to the appointment of Buyer or a designee thereof as the successor (the “*Successor Agent*”) to Seller or any of its Subsidiaries or Affiliates as Administrative Agent under any of the Purchased Loan Documents with respect to such Purchased Loan and (y) to arrange on or as soon as possible after the Closing Date for (I) the transfer to Buyer or its designee of all Purchased Loan Collateral, a security interest in which may be perfected under the Uniform Commercial Code through possession by a secured party (the “*Possessory Collateral*”), (II) the filing of UCC-3 financing statement amendments with respect to the Purchased Loan Collateral amending the secured party field to identify Buyer or its designee as the secured party of record and (III) any other actions necessary or reasonably requested by Buyer to perfect the security interest of Buyer (or its designee) of its security interests in the Purchased Loan Collateral. Notwithstanding anything to the contrary contained in this Agreement, to the extent that any such Consents shall not have been obtained prior to the Closing, Buyer and Seller shall continue to cooperate with each other and use it commercially reasonable efforts to obtain such Consents as promptly as reasonably practicable after the Closing. Pending receipt of any such Consents, (i) Buyer and Seller shall, and shall cause their respective Affiliates to,

cooperate with each other to effect mutually agreeable, reasonable and lawful arrangements (each an “*Alternative Arrangement*”) designed to provide Buyer and its Affiliates with substantially similar rights and benefits that would have accrued to each such Person had such Consents, approvals or agreements been obtained, and (ii) without limitation of the foregoing, with respect to each relevant Purchased Loan, Seller (A) shall deliver, or shall cause to be delivered, to Buyer or its designee as soon as reasonably practicable, but in any event within three (3) Business Days of receipt thereof, copies of all certificates, financial statements, notices and other documents Seller or any of its Subsidiaries or Affiliates receives in connection with serving as Administrative Agent under any such Purchased Loan, (B) shall pay, or cause to be paid, to Buyer as soon as reasonably practicable, but in any event within ten (10) Business Days of receipt thereof, any fees received in connection with serving as Administrative Agent under such Purchased Loan, less any actual, out-of-pocket expenses incurred in connection therewith (such fees to be held in trust by Seller or its Subsidiaries or Affiliate for the benefit of Buyer until so paid to Buyer), (C) shall, and shall cause its Subsidiaries or Affiliates to, take any action reasonably requested by Buyer or its designee in Seller’s or its Subsidiary’s or Affiliate’s capacity as Administrative Agent under such Purchased Loan (including requesting information to which it is entitled thereunder) and (D) shall not, and shall cause its Subsidiaries or Affiliates not to, take any action (including, for the avoidance of doubt, providing or withholding consent or approval with respect to any matter thereunder) in its capacity as Administrative Agent under such Purchased Loan without the prior written consent of Buyer (which consent shall not be unreasonably withheld, conditioned or delayed). In addition, Seller hereby agrees that to the extent Buyer’s security interest in the Purchased Loan Collateral has not been fully perfected as of the Closing Date and Seller continues to constitute the secured party of record with respect to any Purchased Loan Collateral, whether in its capacity as an Administrative Agent or otherwise, Seller shall be deemed to act as Buyer’s agent for the purposes of perfection. Without limitation of the foregoing, to the extent that Seller continues to hold any Possessory Collateral on or after the Closing Date, Seller hereby agrees that it will hold such Possessory Collateral as bailee and agent for Buyer, as secured party. For the avoidance of doubt, Seller or its applicable Subsidiary or Affiliate thereof shall resign as Administrative Agent under the applicable Purchased Loan Document effective upon the appointment of Buyer or its designees as Successor Agent under such Purchased Loan Document.

7.12 Notices; Post-Closing Remittances; Correspondence; Further Assurances.

(a) Prior to Closing, except as it relates to Purchased Assets described in Section 3.4(a) that are transferred via the transfer of the equity of the Subsidiary that holds the relevant Purchased Assets (to the extent such notices are not required), Seller shall give notice to all Borrowers, issuers and other necessary parties, in form and substance reasonably acceptable to Buyer, notifying them of the sale of the relevant Purchased Assets to Buyer and shall provide them with information regarding the account(s) to which all Loan and other payments under the Purchased Loan Documents and Equity Governing Documents shall be made following the Closing Date. Buyer agrees to reasonably cooperate with Seller in connection with the foregoing and shall promptly provide Seller with such information as it may reasonably require in connection with providing such notices.

(b) Amounts which are paid in respect of the Purchased Assets and are received by Seller following the Closing in respect of Purchased Assets sold to Buyer at the Closing, shall be received by Seller as agent, in trust for and on behalf of Buyer and Seller shall pay promptly all of such amounts over to Buyer and shall provide Buyer information, to the extent known, as to the nature, source and classification of such payments, including any invoice relating thereto.

(c) Following the Closing, to the extent that Seller receives (and Buyer does not also receive) any mail (including electronic mail) or other correspondence or materials relating to Purchased Assets sold to Buyer at the Closing or the Assumed Obligations relating thereto (other than any internal mail, correspondence, or materials generated by Seller itself), Seller shall promptly forward such mail, correspondence, or other materials to Buyer.

(d) Seller shall use commercially reasonable efforts to execute such other assignments, novations, transfer documents, instruments of further assurance (including without limitation, if and to the extent necessary, lost certificate affidavits and related indemnities), approvals and consents as are necessary or proper in order to complete, ensure and perfect the sale, transfer and conveyance of the Purchased Assets and the Assumed Obligations to Buyer and the consummation of the other transactions contemplated hereby and shall reasonably cooperate with Buyer in connection with the transition of the Purchased Assets to Buyer. Any other assignments, in particular any additional assignments of any lien instruments, any transfer documents, instruments of further assurance, approvals and consents as may be desired by Buyer to complete, ensure and perfect the sale, transfer and conveyance of the Purchased Assets and the Assumed Obligations to Buyer and the consummation of the other transactions contemplated hereby shall be prepared by Buyer and submitted to Seller for execution, if necessary, and Seller has executed such documents, instruments, approvals or consents, as soon as reasonably practicable after the Closing Date.

7.13 Contact with Portfolio Companies: Confidentiality.

(a) For the period of 18 months following the Closing Date, the Seller will not, and will cause its Subsidiaries, successors and their respective employees and representatives not to, either individually or for any other Person, directly or indirectly, loan any money to, make any equity investment in, solicit or engage in any commercial capacity with any Existing Portfolio Company, in each case without the Buyer's prior consent.

(b) The parties agree that the Confidentiality Agreement shall terminate automatically as of the Closing without any further action by the parties and without further obligations or liabilities of Buyer.

(i) For a period of three years following the Closing, Seller shall, and will cause its Subsidiaries, successor, advisor, and their respective employees and representatives to, treat and hold as strictly confidential any data or information related to the Seller and its Subsidiaries (but only to the extent such information relates to Purchased Assets and Assumed Liabilities), the Buyer or its direct or indirect shareholders, including information and documents disclosed to Seller (or its respective Affiliates or representatives), whether before or after the date hereof, pursuant to this Agreement or in connection with the Contemplated Transactions, provided, that Seller shall not be bound by the confidentiality requirements of this Section 7.13(b) with respect to data or information and documents which (A) are or become generally available to the public other than as a result of a disclosure by Seller after the Closing Date in breach of its obligations

hereunder, (B) are required to be disclosed in connection with the ordinary course of Seller's SEC's reporting process, (C) are required to be disclosed by Applicable Law or the rules of any SRO so long as reasonable prior notice is given to Buyer of such disclosure and a reasonable opportunity is afforded to Buyer to contest the same, or (D) is disclosed in connection with the enforcement of any right or remedy relating to this Agreement.

(ii) For a period of three years following the Closing, Buyer shall, and will cause its Subsidiaries, successor, advisor, and their respective employees and representatives to, treat and hold as strictly confidential any data or information related to the Seller and its Subsidiaries, or its direct or indirect shareholders, including information and documents disclosed to Buyer (or its respective Affiliates or representatives), whether before or after the date hereof, pursuant to this Agreement or in connection with the Contemplated Transactions, provided, that Buyer shall not be bound by the confidentiality requirements of this Section 7.13(b)(ii) with respect to data or information and documents which (A) relates to the Purchased Assets or Assumed Obligations, (B) are or become generally available to the public other than as a result of a disclosure by Buyer after the Closing Date in breach of its obligations hereunder, (C) are required to be disclosed by Applicable Law the rules of any SRO so long as reasonable prior notice is given to Seller of such disclosure and a reasonable opportunity is afforded to Seller to contest the same or (D) is disclosed in connection with the enforcement of any right or remedy relating to this Agreement.

7.14 Solvency. Seller covenants and agrees that immediately after giving effect to the Contemplated Transactions, each of the Seller and its Subsidiaries will (a) be able to pay their respective debts as they become due, (b) own property which has a fair saleable value greater than the amounts required to pay their respective debts (including a reasonable estimate of the amount of all contingent liabilities) and (c) have adequate capital to carry on their respective businesses. No transfer of property is being made and no obligation is being incurred in connection with the Contemplated Transactions with the intent to hinder, delay or defraud either present or future creditors of the Seller or its Subsidiaries.

7.15 Externalization Transaction. Seller covenants and agrees to (i) take, or cause to be taken, all action, and to do, or cause to be done, all things reasonably necessary, proper or advisable under Applicable Law to consummate and make effective the Externalization Transaction in accordance with, and subject to the terms of, the Externalization Agreement, (ii) enforce all rights and remedies available to Seller under the Externalization Agreement to consummate and make effective the Externalization Transaction and (iii) not amend, modify or supplement the Externalization Agreement or waive any rights thereunder without the prior written consent of Buyer.

ARTICLE VIII CONDITIONS PRECEDENT

8.1 Conditions to Each Party's Obligation to Consummate the Closing. The respective obligations of the parties to consummate the Closing shall be subject to the satisfaction at or prior to the Closing of the following conditions:

(a) Stockholder Approval. The Seller Stockholder Approval and Externalization Stockholder Approval shall have been obtained.

(b) Regulatory Approvals. Each Seller Regulatory Approval listed on Schedule 8.1(b) and each Buyer Regulatory Approval listed on Schedule 8.1(b) shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired.

(c) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other law preventing or making illegal the consummation of the Contemplated Transactions shall be in effect.

(d) HSR Act. Any applicable waiting period (and any extension thereof) applicable to the Contemplated Transactions under the HSR Act shall have expired or been terminated.

(e) No Litigation. There shall be no pending suit, action or proceeding by any Governmental Entity, in each case that has a reasonable likelihood of success, (i) challenging the Contemplated Transactions, seeking to restrain or prohibit the consummation of the Contemplated Transactions or seeking to obtain from the Seller or Buyer any damages that are material in relation to the Seller and its Subsidiaries taken as a whole, or (ii) seeking to prohibit Buyer or any of its Subsidiaries from effectively controlling in any material respect the business or operations of the Seller and its Subsidiaries.

8.2 Conditions to Obligations of Buyer. The obligation of Buyer to effect the Contemplated Transactions is also subject to the satisfaction, or waiver by Buyer, at or prior to the Closing, of the following conditions:

(a) Representations and Warranties. Subject to the standard set forth in Section 8.4, the representations and warranties of the Seller set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing as though made on and as of the Closing (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date); and Buyer shall have received a certificate signed on behalf of the Seller by the Chief Executive Officer or the Chief Financial Officer of the Seller to the foregoing effect.

(b) Performance of Obligations of the Seller. The Seller shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing; and Buyer shall have received a certificate signed on behalf of the Seller by the Chief Executive Officer or the Chief Financial Officer of the Seller to such effect.

(c) Pay-Off Letter. The Seller shall have delivered to Buyer the Payoff Letter, in form and substance reasonably satisfactory to Buyer, with respect to the Loan Repayment.

(d) No Seller Material Adverse Effect. Between the date hereof and Closing, no Material Adverse Effect on Seller shall have occurred; and Buyer shall have received a certificate signed on behalf of the Seller by the Chief Executive Officer or the Chief Financial Officer of the Seller to such effect.

8.3 Conditions to Obligations of Seller. The obligation of the Seller to effect the Contemplated Transactions is also subject to the satisfaction or waiver by the Seller at or prior to the Closing of the following conditions:

(a) Representations and Warranties. Subject to the standard set forth in Section 8.4, the representations and warranties of Buyer set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing as though made on and as of the Closing (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date); and the Seller shall have received a certificate signed on behalf of Buyer by the Chief Executive Officer or the Chief Financial Officer of Buyer to the foregoing effect.

(b) Performance of Obligations of Buyer. Buyer shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing, and the Seller shall have received a certificate signed on behalf of Buyer by the Chief Executive Officer or the Chief Financial Officer of Buyer to such effect.

8.4 Standard. No representation or warranty of the Seller contained in Article IV or of Buyer contained in Article V shall be deemed untrue, inaccurate or incorrect for purposes of Section 8.2(a) or 8.3(a), as applicable, under this Agreement, as a consequence of the existence or absence of any fact, circumstance or event unless such fact, circumstance or event, individually or when taken together with all other facts, circumstances or events inconsistent with any representations or warranties contained in Article IV, in the case of the Seller, or Article V, in the case of Buyer, has had or would reasonably be expected to have a Material Adverse Effect with respect to the Seller or Buyer, respectively (disregarding, except as it relates to Section 4.8, all qualifications or limitations set forth in any representations or warranties as to “materiality,” “Material Adverse Effect” and words of similar import). Notwithstanding the immediately preceding sentence, the representations and warranties contained in (x) Section 4.2(a) shall be deemed untrue and incorrect if not true and correct except to a *de minimis* extent (relative to Section 4.2(a), taken as a whole), and (y) Sections 4.1(a), 4.3(a), 4.3(b)(i), 4.7, and 4.11(b) in the case of the Seller, and Sections 5.2(a), 5.2(b)(i) and 5.4, in the case of Buyer, shall be deemed untrue and incorrect if not true and correct in all respects.

8.5 Frustration of Closing Conditions. Neither the Seller nor Buyer may rely on the failure of any condition set forth in Section 8.1, Section 8.2 or Section 8.3, as applicable, to be satisfied if such failure was primarily caused by the party relying on such failure to perform any of its material obligations under this Agreement.

ARTICLE IX TERMINATION AND AMENDMENT

9.1 Termination. This Agreement may be terminated at any time prior to the Closing, whether before or after receipt of the Seller Stockholder Approval:

(a) by mutual consent of the Seller and Buyer in a written instrument authorized by the Seller Board and Buyer;

(b) by either the Seller or Buyer, if any Governmental Entity that must grant a Seller Regulatory Approval listed on Schedule 8.1(d) or Buyer Regulatory Approval listed on Schedule 8.1(d) has denied approval of the Contemplated Transactions and such denial has become final and nonappealable or any Governmental Entity of competent jurisdiction shall have issued a final and nonappealable order, injunction or decree permanently enjoining or otherwise prohibiting or making illegal the consummation of the Contemplated Transactions;

(c) by either the Seller or Buyer, if the Contemplated Transactions shall not have been consummated on or before October 5, 2018 (the “**Outside Date**”); provided, however, that the terminating party is not then in material breach of any representation, warranty, covenants or other agreement contained herein which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 8.2 or 8.3, as the case may be.

(d) by either Buyer or the Seller, at any time prior to the Closing, in the event that the Seller shall have failed to obtain the Seller Stockholder Approval at the Seller Stockholder Meeting (including any adjournments, delays or postponements thereof) at which a final vote is taken on this Agreement and the Contemplated Transactions and Externalization Transaction; provided, however, that the right to terminate this Agreement under this Section 9.1(d) shall not be available to a party where the failure to obtain the Seller Stockholder Approval shall have been caused by the action or failure to act of such party and such action or failure to act constitutes a breach by such party of this Agreement; or

(e) by either the Seller or Buyer (provided that the terminating party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Seller, in the case of a termination by Buyer, or Buyer, in the case of a termination by the Seller, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 8.2 or 8.3, as the case may be, and which is not cured within 15 days following written notice to the party committing such breach or by its nature or timing cannot be cured within such time period; or

(f) by Buyer, (i) at any time after the Seller Board shall have effected an Adverse Recommendation Change prior to receipt of the Seller Stockholder Approval, or (ii) in the event the Seller shall have materially breached any of its obligations under Section 7.6; or

(g) by the Seller, in the event that: (i) the Seller shall have received a Superior Proposal, (ii) subject to the Seller’s obligations under Section 7.6(f), the Seller Board or any authorized committee thereof shall have authorized the Seller to enter into a definitive agreement to consummate the transaction contemplated by such Superior Proposal, and (iii) concurrently with the termination of this Agreement, the Seller pays Buyer the Initial Termination Fee contemplated by Section 9.4 and enters into the definitive agreement to consummate the transaction contemplated by such Superior Proposal; provided, however, that Seller’s right to terminate this Agreement pursuant to this Section 9.1(g) shall not be available unless Seller simultaneously terminates the Externalization Agreement.

The party desiring to terminate this Agreement pursuant to clause (b) through (g) of this Section 9.1 shall give written notice of such termination to the other party in accordance with Section 10.2, specifying the provision or provisions hereof pursuant to which such termination is effected.

9.2 Effect of Termination. In the event of termination of this Agreement by either the Seller or Buyer as provided in Section 9.1, this Agreement shall become void and have no effect, and none of the Seller, Buyer, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever under this Agreement, or in connection with the Contemplated Transactions, except that (a) Sections 7.2(c), 9.2, 9.3, 9.4 and Article X shall survive any termination of this Agreement, and (b) except as provided in Section 10.9(c), neither the Seller nor Buyer shall be relieved or released from any liabilities or damages arising out of its knowing and intentional breach of any provision of this Agreement (which, for this purpose, shall mean an act or failure to act undertaken by the breaching party who had actual knowledge, or should have had knowledge, and intention that such party's act or failure to act would, or would reasonably be expected to, result in or constitute a breach of this Agreement); provided, however, that prior to seeking monetary damages from Buyer, Seller must first seek (but fail) to obtain specific performance against Buyer in accordance with Section 10.9; and provided, further that in no event shall the foregoing obligation to first seek injunctive relief hinder or delay a right that Seller would otherwise have had to seek monetary damages prior to Closing in connection with a breach of this Agreement by Buyer.

9.3 Fees and Expenses.

(a) Except as otherwise set forth in this Section 9.3, all fees and expenses incurred in connection with this Agreement and the Contemplated Transactions shall be paid by the party incurring such fees or expenses; provided, that (i) the costs and expenses of preparing, filing, printing and mailing the Proxy Statement (excluding legal, accounting and other related expenses of the Seller, Buyer or the New Adviser), and all other filing fees or amounts paid to the SEC in connection with the Contemplated Transactions shall be split equally by Buyer, Seller and the New Adviser, and (ii) the fees of any HSR filing shall be borne by Buyer.

(b) In the event that this Agreement is terminated pursuant to Section 9.1(d), and provided that Buyer was not in material breach of its representations, warranties, covenants or agreements hereunder at the time of termination, then the Seller will pay to Buyer, as its sole recourse (but subject to its right to receive a Tail Transaction Fee in accordance with Section 9.4(b)) in connection with the termination of this Agreement in accordance with Section 9.1(d), no later than two (2) Business Days after receipt of supporting documentation evidencing the Buyer Expenses, an amount in cash equal to the Buyer Expenses to the account or accounts designated by Buyer (the "**Expense Reimbursement**"). Each of the parties hereto acknowledges that the agreements contained in this Section 9.3(b) are an integral part of the transactions contemplated by this Agreement, without which, the parties would not enter into this Agreement.

9.4 Termination Fee.

(a) In the event that this Agreement is terminated pursuant to Section 9.1(f) or Section 9.1(g) then, the Seller will pay to Buyer, as its sole recourse in connection with termination of this Agreement in accordance with Section 9.1(f) or Section 9.1(g), as applicable, a fee in an

amount equal to \$18,000,000 (the ***“Initial Termination Fee”***). The Initial Termination Fee shall be payable no later than two (2) Business Days after the date on which this Agreement is terminated by Buyer pursuant to Section 9.1(f) and immediately prior to the time of and as a condition to termination by the Seller pursuant to Section 9.1(g).

(b) In the event that (i) this Agreement is terminated pursuant to Section 9.1(c) or Section 9.1(d), (ii) prior to such termination, a Competing Proposal shall have been made to the Seller and disclosed to stockholders of Seller, or a Competing Proposal shall have been made to the stockholders of the Seller generally, or any Person shall have publicly announced an intention (whether or not conditional) to make a Competing Proposal after the date of this Agreement and before the date this Agreement is terminated, (iii) within twelve (12) months after the date of such termination, the Seller enters into a definitive agreement with respect to a Competing Proposal (or transaction that would have constituted a Competing Proposal if made prior to the termination of this Agreement) or consummates a Competing Proposal (provided that, in each case for purposes of this Section 9.4(b), the references to “twenty percent (20%)” in the definition of Competing Proposal shall be deemed references to “fifty percent (50%)” (a ***“Tail Transaction”***), and (iv) such Tail Transaction is consummated, then, the Seller will pay to Buyer, as its sole recourse in connection with the termination of this Agreement in accordance with Section 9.1(c) or Section 9.1(d), as applicable (but subject to Buyer’s rights under Section 9.3(b) with respect to Buyer’s right to receive an Expense Reimbursement in connection with the termination of this Agreement in accordance with Section 9.1(d)), a fee in an amount equal to \$18,000,000 (the ***“Tail Termination Fee”***) (less, if applicable, any amounts previously paid in accordance with the provisions of Section 9.3(b)); provided that such fee shall be paid not later than two (2) Business Days after the date on which the Seller, or one or more of its Subsidiaries, consummates such Competing Proposal.

(c) Each of the parties hereto acknowledges that (i) the agreements contained in this Section 9.4 are an integral part of the transactions contemplated by this Agreement, (ii) the Initial Termination Fee and Tail Termination Fee are not penalties, but are liquidated damages, in a reasonable amount that will compensate Buyer, in the circumstances in which the such fee is payable, for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision, (iii) without these agreements, the parties would not enter into this Agreement, (iv) in the event that the Seller shall fail to pay the Initial Termination Fee, Tail Termination Fee or Expense Reimbursement when due, and, in order to obtain such payment, the Buyer commences a suit that results in a final, non-appealable judgment against the Seller, the Seller shall pay to the Buyer, costs and expenses (including attorney’s fees) in connection with such suit, together with interest on the Initial Termination Fee, Tail Termination Fee or Expense Reimbursement (as applicable) at a rate equal to five percent (5%) commencing on the date such payment was required to be made through the date of payment and (v) in no event shall the Seller be required to pay both the Initial Termination fee and Tail Termination Fee, and in no event shall Seller be obligated to pay an Initial Termination Fee or a Tail Termination Fee more than once.

9.5 Amendment. This Agreement may be amended by the parties, by action taken or authorized by the Seller Board and Buyer, at any time before or after receipt of the Seller Stockholder Approval; provided, however, that after receipt of the Seller Stockholder Approval, there may not be, without further approval of such stockholders, any amendment of this Agreement that requires further approval under Applicable Law. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties.

9.6 Extension; Waiver. At any time prior to the Closing, the parties, by action taken or authorized by their respective Board of Directors, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party, (b) waive any inaccuracies in the representations and warranties contained in this Agreement of the other party or (c) waive compliance with any of the agreements or conditions contained in this Agreement of the other party. Any agreement on the part of a party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

ARTICLE X GENERAL PROVISIONS

10.1 Nonsurvival of Representations, Warranties and Agreements. None of the representations, warranties, covenants and agreements set forth in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Closing, except for those other covenants and agreements contained in this Agreement that by their terms apply or are to be performed in whole or in part after the Closing.

10.2 Notices. 10.3 Interpretation. When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The Seller Disclosure Schedule and the Buyer Disclosure Schedule, as well as all other schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement. This Agreement shall not be interpreted or construed to require any person to take any action, or fail to take any action, if to do so would violate any Applicable Law.

10.4 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to the other party, it being understood that each party need not sign the same counterpart.

10.5 Entire Agreement. This Agreement (including the documents and the instruments referred to in this Agreement), together with the Confidentiality Agreement, constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter of this Agreement, other than the Confidentiality Agreement.

10.6 Governing Law; Jurisdiction. This Agreement and all disputes related hereto shall be governed and construed in accordance with the internal laws of the State of Maryland applicable to contracts made and wholly-performed within such state, without regard to any applicable conflicts of law principles. The parties hereto agree that any suit, action or proceeding brought by either party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Contemplated Transactions shall be brought in any federal or state court located in the State of Maryland. Each of the parties hereto submits to the jurisdiction of any such court in any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of, or in connection with, this Agreement or the Contemplated Transactions and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such action or proceeding. Each party hereto irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

10.7 Publicity. Neither the Seller nor Buyer shall, and neither the Seller nor Buyer shall permit any of its Subsidiaries to, issue or cause the publication of any press release or other public announcement with respect to, or otherwise make any public statement concerning, the Contemplated Transactions without the prior consent (which consent shall not be unreasonably withheld) of Buyer, in the case of a proposed announcement or statement by the Seller, or the Seller, in the case of a proposed announcement or statement by Buyer; provided, however, that either party may, without the prior consent of the other party (but after prior consultation with the other party and opportunity to reasonably comment) issue or cause the publication of any press release or other public announcement to the extent required by law or by the rules and regulations of the NYSE.

10.8 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by either of the parties (whether by operation of law or otherwise) without the prior written consent of the other party. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the parties and their respective successors and assigns. This Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any person other than the parties hereto any rights or remedies under this Agreement. Buyer and the Seller hereby agree that their respective representations, warranties and covenants set forth herein are solely for the benefit of the other parties hereto, in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any person other than the parties hereto any rights or remedies hereunder, including, without limitation, the right to rely upon such representations and warranties set forth herein. The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties hereto. In some instances, the representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Consequently, persons other than the parties hereto may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

10.9 Remedies.

(a) Except as otherwise provided in this Agreement, any and all remedies herein expressly conferred upon a party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party of any one remedy will not preclude the exercise of any other remedy.

(b) The parties hereto hereby agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached, and that money damages or other legal remedies would not be an adequate remedy for any such damages. Accordingly, the parties hereto acknowledge and hereby agree that in the event of any breach or threatened breach of any covenants or obligations set forth in this Agreement, the non breaching party shall be entitled to an injunction or injunctions to prevent or restrain breaches or threatened breaches of this Agreement and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of the other under this Agreement. Each party hereby agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of this Agreement and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations under this Agreement. The parties hereto further agree that (i) by seeking the remedies provided for in this Section 10.9(b), neither party shall in any respect waive its right to seek any other form of relief that may be available to a party under this Agreement (including monetary damages) in the event that this Agreement has been terminated or in the event that the remedies provided for in this Section 10.9(b) are not available or otherwise are not granted, and (ii) nothing set forth in this Section 10.9(b) shall require either party to institute any proceeding for (or limit the such party's right to institute any proceeding for) specific performance under this Section 10.9(b) prior or as a condition to exercising any termination right under Section 9.1 (and pursuing damages after such termination), nor shall the commencement of any legal proceeding pursuant to this Section 10.9(b) or anything set forth in this Section 10.9(b) restrict or limit any party's right to terminate this Agreement in accordance with Section 9.1 or pursue any other remedies under this Agreement that may be available then or thereafter.

(c) Notwithstanding anything to the contrary set forth in this Section 10.9, the parties hereto expressly acknowledge and agree that:

(i) the remedies set forth in Section 9.4(b), if applicable, shall be the sole and exclusive remedies available to Buyer in the event this Agreement is terminated under Section 9.1(c);

(ii) the remedies set forth in Section 9.3(b) and, if applicable, Section 9.4(b), shall be the sole and exclusive remedies available to Buyer in the event this Agreement is terminated under Section 9.1(d); and

(iii) the remedies set forth in Section 9.4(a), if applicable, shall be the sole and exclusive remedies available to Buyer in the event this Agreement is terminated under Section 9.1(f) or Section 9.1(g).

The receipt by Buyer of (i) the Tail Termination Fee in the event this Agreement is terminated under Section 9.1(c), (ii) the Initial Termination Fee in the event this Agreement is terminated under Section 9.1(f) or Section 9.1(g), or (iii) the Expense Reimbursement and, if applicable, the Tail Termination Fee in the event this Agreement is terminated under Section 9.1(d), as well as any amounts payable in accordance with Section 9.4(c)(iv), shall be deemed to be full and final payment for any and all losses or damages suffered or incurred by Buyer or any of its respective Affiliates or any other Person in connection with this Agreement (and the termination hereof), the Contemplated Transactions (and the abandonment thereof) or any matter forming the basis for such termination, and none of Buyer nor any of its Affiliates or any other Person shall be entitled to bring or maintain any other claim, action or proceeding against the Seller or any of its Affiliates arising out of this Agreement, any of the Contemplated Transactions or any matters forming the basis for such termination.

(d) Notwithstanding anything to the contrary set forth in this Section 10.9, Seller shall be entitled, without posting any bond and without proving the monetary damages would be inadequate, to an injunction or injunctions to enforce specifically the terms and provisions of the Equity Commitment Letter to cause the Equity Financing to be funded and to consummate the Closing if and only in the event that (i) all of the conditions set forth in Section 8.1 and Section 8.2 have been and continue to be satisfied or validly waived by Buyer (other than those conditions that by their nature are to be satisfied at the Closing) and Buyer has failed to complete the Closing by the date the Closing is required to have occurred pursuant to Section 3.1 and (ii) the Seller has confirmed in an irrevocable written notice to Buyer that it is ready, willing and able to perform its obligations to effect the Closing and that if specific performance is granted and the Equity Financing is funded, then the Seller will take such actions as are required of them to cause the Closing to occur. Subject to the immediately preceding sentence, is hereby expressly agreed that the Seller shall be entitled to cause Buyer to fully enforce the terms of the Equity Commitment Letter against the other parties thereto, including by directly filing, and/or demanding that Buyer file, one or more lawsuits against such other parties to fully enforce such other party's obligations thereunder and Buyer's rights thereunder.

10.10 Waiver of Jury Trial. Each party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each such party hereby irrevocably and unconditionally waives any right such party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement or the Contemplated Transactions. Each party certifies and acknowledges that (i) no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver, (ii) each party understands and has considered the implications of this waiver, (iii) each party makes this waiver voluntarily and (iv) each party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 10.10.

IN WITNESS WHEREOF, the undersigned parties have caused this Agreement to be executed by their respective officers thereunto duly authorized as of the date first above written.

There is no unresolved, or, to the Company's knowledge, threatened comment or stop order by any SRO or Governmental Entity with respect to any report or statement relating to any examinations or inspections of the Company or any of its Subsidiaries. Since December 31, 2016, there have been no formal or informal inquiries by, or disagreements or disputes with, any SRO or Governmental Entity with respect to the business, operations, policies or procedures of the Company or any of its Subsidiaries (other than normal examinations conducted by a SRO or Governmental Entity in the Company's ordinary course of business consistent with past practice). The Company has made available to Buyer all correspondence with the SEC, the NYSE and any other SRO or Governmental Entity since December 31, 2015.

(b) Neither the Company nor any of its Subsidiaries is subject to any cease-and-desist or other order or enforcement action issued by, or is a party to any written agreement, consent agreement or memorandum of understanding with, or is a party to any commitment letter or similar undertaking to, or is subject to any order or directive by, or has been ordered to pay any civil money penalty by, or has been since December 31, 2015 a recipient of any supervisory letter from, or since December 31, 2015 has adopted any policies, procedures or board resolutions at the request or suggestion of, any SRO or Governmental Entity that currently restricts in any material respect the conduct of its business (or to the Company's knowledge that, upon consummation of the Contemplated Transactions, would restrict in any material respect the conduct of the business of Buyer or any of its Subsidiaries), or that in any material manner relates to its credit, risk management or compliance policies, its internal controls, its management or its business (each item in this sentence, a ***"Company Regulatory Agreement"***), nor has the Company or any of its Subsidiaries been advised since December 31, 2015 by any SRO or Governmental Entity that it is considering issuing, initiating, ordering, or requesting any such Company Regulatory Agreement.

(c) The Company has filed on the SEC's EDGAR system each (i) final registration statement, prospectus, report, schedule and definitive proxy statement filed with or furnished to the SEC by the Company or any of its Subsidiaries pursuant to the Securities Act or the Exchange Act since December 31, 2015 (the "**Company SEC Reports**") and prior to the date of this Agreement and (ii) communication mailed by the Company to the Company Stockholders since December 31, 2015 and prior to the date of this Agreement. No such Company SEC Report or communication, at the time filed, furnished or communicated (and, in the case of registration statements and proxy statements, on the dates of effectiveness and the dates of the relevant meetings, respectively), contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading, except that information as of a later date (but before the date of this Agreement) shall be deemed to modify information as of an earlier date. As of their respective dates, all Company SEC Reports complied as to form in all material respects with the published rules and regulations of the SEC with respect thereto. No executive officer of the Company has failed in any respect to make the certifications required of him or her under Section 302 or 906 of the Sarbanes-Oxley Act. As of the date of this Agreement, there are not outstanding or unresolved comments from the SEC with respect to any Company SEC Report and, as of the date of this Agreement, no Company SEC Report is subject to any ongoing review by the SEC.

4.6 Financial Statements.

(a) The consolidated financial statements of the Company and its Subsidiaries included in the Company SEC Reports (including the related notes, where applicable) (i) have been prepared from, and are in accordance with, the books and records of the Company and its Subsidiaries, (ii) fairly present in all material respects the consolidated results of operations, cash flows, changes in stockholders' equity and consolidated financial position of the Company and its Subsidiaries for the respective fiscal periods or as of the respective dates therein set forth (subject in the case of unaudited statements to recurring year-end audit adjustments immaterial in nature and amount), (iii) complied as to form, as of their respective dates of filing with the SEC, in all material respects with applicable accounting requirements and with the published rules and regulations of the SEC with respect thereto and (iv) have been prepared in accordance with GAAP consistently applied during the periods involved, except, in each case, as indicated in such statements or in the notes thereto.

(b) Neither the Company nor any of its Subsidiaries has any material liability or obligation of any nature whatsoever required by GAAP to be reserved for in a balance sheet (whether absolute, accrued, contingent or otherwise and whether due or to become due), except for those liabilities that are reflected or reserved against on the consolidated balance sheet of the Company included in its Annual Report on Form 10-K for the annual period ended December 31, 2017 (including any notes thereto) and for liabilities and obligations incurred in a commercially reasonable manner since the date of such balance sheet.

(c) The Company has implemented and maintains disclosure controls and procedures (as defined in Rule 13a-15(e) of the Exchange Act) to ensure that material information relating to the Company, including its consolidated Subsidiaries, required to be disclosed by the Company in the reports that it files under the Exchange Act is recorded, processed, summarized

and reported within the time periods specified in the rules and regulations of the SEC, and that all such material information is accumulated and communicated to the principal executive officer and the chief financial officer of the Company by others within those entities in connection with the reports the Company is required to file under the Exchange Act to allow timely decisions regarding required disclosure and to make the certifications required pursuant to Sections 302 and 906 of the Sarbanes Oxley Act. For purposes of the preceding sentence, “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act. The records, systems, controls, data and information of the Company and its consolidated Subsidiaries are recorded, stored, maintained and operated under means (including any electronic, mechanical or photographic process, whether computerized or not) that are under the exclusive ownership and direct control of the Company or its consolidated Subsidiaries (including all means of access thereto and therefrom), except for any nonexclusive ownership and nondirect control that has not had and would not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect on the Company. The Company and its consolidated Subsidiaries have established and maintained a system of internal controls over financial reporting (as defined in Rule 13a-15 under the Exchange Act) (“*internal controls*”). Such internal controls are sufficient to provide reasonable assurance regarding the reliability of the Company’s financial reporting and the preparation of the Company’s financial statements for external purposes in accordance with GAAP. The Company has disclosed, based on its most recent evaluation of internal controls prior to the date of this Agreement, to the Company’s auditors and audit committee (i) any significant deficiencies and material weaknesses in the design or operation of internal controls which are reasonably likely to adversely affect the Company’s ability to record, process, summarize and report financial information and (ii) any fraud, whether or not material, that involves management or other employees who have a significant role in internal controls. Each of the Company and its consolidated Subsidiaries has substantially addressed any such deficiency, material weakness or fraud. As of the date hereof, there is no reason to believe that the Company’s outside auditors, chief executive officer and chief financial officer will not be able to give the certifications and attestations required pursuant to the rules and regulations adopted pursuant to Section 404 of the Sarbanes-Oxley Act, without qualification, when required. Neither the Company nor any of its consolidated Subsidiaries has any outstanding “extensions of credit” or has arranged any outstanding “extensions of credit” to directors or executive officers in violation of Section 402 of the Sarbanes-Oxley Act and the rules and regulations of the SEC promulgated thereunder.

(d) Since December 31, 2015, the principal executive officer and the principal financial officer of the Company have complied in all material respects with (i) the applicable provisions of the Sarbanes-Oxley Act and under the Exchange Act and (ii) the applicable listing and corporate governance rules and regulations of the NYSE. The principal executive officer and the principal financial officer of the Company have made all certifications required by Sections 302 and 906 of the Sarbanes-Oxley Act with respect to each Company SEC Document filed by the Company, and the statements contained in such certifications were true and correct on the date such certifications were made. For purposes of the preceding sentence, “principal executive officer” and “principal financial officer” shall have the meanings given to such terms in the Sarbanes-Oxley Act.

4.7 Broker's Fees. Except for the fees of Houlihan Lokey, neither the Company nor any of its Subsidiaries has utilized any broker, finder or financial advisor or incurred any liability for any broker's fees, commissions or finder's fees in connection with the Contemplated Transactions.

Except as set forth in Section 4.8 of the Company Disclosure Schedules, since December 31, 2017, (a) the respective businesses of the Company and its Subsidiaries have been conducted in the ordinary course of business consistent with past practice, (b) none of the Company nor any Subsidiary has taken any action that, if taken after the date of this Agreement, would result in a breach of the covenants set forth in Section 6.2, and (c) no event or events have occurred that have had or would reasonably be expected to have, either individually or in the aggregate, a Material Adverse Effect on the Company.

4.9 Legal Proceedings. (a) Except as set forth in Section 4.9 of the Company Disclosure Schedule and except as would not, individually or in the aggregate, be material to the Company and its Subsidiaries, taken as a whole, neither the Company nor any of its Subsidiaries is a party to any, and there are no pending or, to the best of the Company's knowledge, threatened, legal, administrative, arbitral or other proceedings, claims, actions, suits or governmental or regulatory investigations of any nature against the Company or any of its Subsidiaries or to which any of their assets are subject or against or into any officers or directors of the Company or its Subsidiaries in such capacities.

(b) Except as would not be material to the Company and its Subsidiaries, taken as a whole, there is no judgment, settlement agreement, order, injunction, decree or regulatory restriction (other than those of general application that apply to similarly situated companies or their Subsidiaries) imposed upon the Company, any of its Subsidiaries or the assets of the Company, any of its Subsidiaries.

4.10 Taxes and Tax Returns.

(a) Each of the Company and its Subsidiaries (i) has duly and timely filed (including all applicable extensions) all federal, state, local and foreign income and other material Tax Returns required to be filed by it on or prior to the date of this Agreement and all such Tax Returns are accurate and complete, (ii) has paid all Taxes shown thereon as due and (iii) has duly paid or made provision for the payment of all Taxes that have been incurred or are due or claimed to be due from it by the IRS or any other federal, state, foreign or local taxing authorities other than Taxes that are not yet delinquent or are being contested in good faith, have not been finally determined and have been adequately reserved against under GAAP. There are no material disputes pending, or written claims asserted, for Taxes or assessments upon the Company or any Subsidiary for which the Company does not have reserves that are adequate under GAAP. Neither the Company nor any Subsidiary is a party to or is bound by any Tax sharing, allocation or indemnification agreement or arrangement (other than such an agreement or arrangement exclusively between or among the Company and its Subsidiaries as described in the Company Disclosure Schedule).

(b) Effective for the year ending December 31, 2007, the Company made a valid election under Subchapter M of Chapter 1 of the Code to be taxed as a regulated investment company. The Company has qualified as a regulated investment company at all times subsequent to such election, and expects to qualify as such for its current taxable year. With respect to each taxable year, the Company has satisfied the distribution requirements imposed on a regulated investment company under Section 852 of the Code and will satisfy the distribution requirements for its current taxable year.

(c) The Company and its Subsidiaries have complied in all material respects with all Applicable Laws relating to the payment and withholding of Taxes and have, within the time and in the manner prescribed by Applicable Law, withheld from and paid over all amounts required to be so withheld and paid over under Applicable Laws.

(d) There are no Liens for Taxes upon the assets of the Company or any of the Subsidiaries, except for Liens for Taxes not yet due and payable and Liens for Taxes that are both being contested in good faith and adequately reserved for in accordance with GAAP.

(e) Neither the Company nor any Subsidiary has granted any waiver, extension, or comparable consent regarding the application of the statute of limitations with respect to any Taxes or Tax Return that is outstanding, nor any request for such waiver or consent has been made.

(f) No Subsidiary of the Company is a “specified foreign corporation” as defined in Section 965(e) of the Code.

4.11 Employee Matters.

ARTICLE VII
ADDITIONAL AGREEMENTS

7.1 Regulatory and Other Matters.

(a) The Parties shall cooperate with each other and use their respective commercially reasonable efforts to promptly prepare and file all necessary documentation, to effect all applications, notices, petitions and filings, to obtain as promptly as practicable all Permits of all third parties and Governmental Entities that are necessary or advisable to consummate the Contemplated Transactions and defend any lawsuits or other Claims challenging this Agreement or the consummation of the Contemplated Transactions, and to comply with the terms and conditions of all such Permits of all such third parties or Governmental Entities. The Company and Buyer shall have the right to review in advance, and, to the extent practicable, each will consult with the other on, in each case subject to Applicable Laws relating to the confidentiality of information, all information relating to the Company, Buyer, as the case may be, and any of their respective Subsidiaries, that appear in any filing made with, or written materials submitted to, any third party or any Governmental Entity in connection with the Contemplated Transactions. In exercising the foregoing right, each of the Parties shall act reasonably and as promptly as reasonably practicable. The Parties shall consult with each other with respect to the obtaining of all Permits of all third parties and Governmental Entities necessary or advisable to consummate the Contemplated Transactions and each Party will keep the other apprised of the status of matters relating to completion of the Contemplated Transactions.

(b) Without in any way limiting the foregoing Section 7.1(a):

(i) As promptly as reasonably practicable after the date of this Agreement, the Company shall prepare (with Buyer's reasonable cooperation), and use its commercially reasonable efforts to file, within fifteen (15) Business Days following the date of this Agreement, the preliminary Proxy Statement with the SEC (which the Parties acknowledge and agree will include the relevant proposals relating to the Asset Purchase). No filing of, or amendment or supplement to, the Proxy Statement as it relates to Buyer or the Contemplated Transactions will be made by the Company without providing Buyer a reasonable opportunity to review and comment thereon which comments the Company will consider for inclusion in good faith. In connection with the foregoing, each of Buyer and the Company shall, upon request, furnish, and cause its accountants and other agents and service providers to furnish to the other and the other's agents, all information concerning itself, its Subsidiaries, directors, officers and stockholders and such other matters as may be reasonably necessary or advisable in connection with the Proxy Statement. The Company will advise Buyer promptly after it receives any oral or written request by the SEC for amendment of the Proxy Statement or comments thereon and responses thereto or requests by the SEC for additional information, in each case to the extent related to Buyer or the Contemplated Transactions, and will promptly provide Buyer with copies of any written communication from the SEC or any state securities commission and a reasonable opportunity to participate in the responses thereto. If, at any time prior to the Closing, any information relating to the Company or Buyer, or any of their respective Affiliates, officers or directors, should be discovered by the Company or Buyer that should be set forth in an amendment or supplement to the Proxy Statement, so that the Proxy Statement would not

contain any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the Party that discovers such information shall promptly notify the other Party hereto and an appropriate amendment or supplement describing such information shall promptly be filed with the SEC and, to the extent required under applicable law, disseminated to Company Stockholders; provided that the delivery of such notice and the filing of any such amendment or supplement shall not affect or be deemed to modify any representation or warranty made by either Party hereunder or otherwise affect the remedies available hereunder to either Party.

(ii) Each of Buyer and the Company shall, if and to the extent required, file with the FTC and the DOJ a Notification and Report Form relating to this Agreement and the Contemplated Transactions as required by the HSR Act as soon as reasonably practicable following the execution and delivery of this Agreement. Each of Buyer and the Company shall (i) cooperate and coordinate with the other in the making of such filings (if required), (ii) supply the other with any information that may be required in order to make such filings, (iii) supply any additional information that reasonably may be required or requested by the FTC or the DOJ, and (iv) take all action reasonably necessary to cause the expiration or termination of any applicable waiting period under the HSR Act applicable to the Contemplated Transactions as soon as practicable. Each of Buyer and the Company shall promptly inform the other of any communication from any Governmental Entity regarding any of the Contemplated Transactions in connection with such filings. If any Party hereto or Affiliate thereof shall receive a request for additional information or documentary material from any Governmental Entity with respect to the Contemplated Transactions pursuant to the HSR Act, then such Party shall make (or cause to be made), as soon as reasonably practicable and after consultation with the other Parties, an appropriate response in compliance with such request.

(iii) Promptly following the date hereof, the Company shall (i) inform the SBA of the Contemplated Transactions and the Asset Purchase, (ii) seek the SBA's guidance regarding the continued effectiveness of the SBA licenses held by the Company or the SBIC Subsidiaries, and (iii) take such actions and, in accordance with SBA regulations and guidelines, make such filings, as may be reasonably necessary to obtain the SBA's approval of the Contemplated Transactions and the Asset Purchase and the continued effectiveness of the SBA licenses held by the Company or the SBIC Subsidiaries (the "**SBA Approval**"); provided, however, that receipt of the SBA Approval shall not be a condition to Closing and, in the event the SBA Approval has not been obtained by the date on which all other conditions to Closing have been satisfied (other than those conditions that can only be satisfied at Closing), then the Parties shall take the steps set forth in Section 2.6(b) with respect to the SBA Debentures and the surrender of the SBIC licenses in accordance with SBA regulations. In connection with the foregoing, the Company shall reasonably cooperate with each of Buyer and the Asset Buyer to facilitate the obtaining of the SBA Approval and the related transfer of the SBA licenses; provided, however, that (x) in no event shall the Company be obligated to advocate on Buyer's or Asset Buyer's behalf in connection with the SBA Approval, and (y) in no event shall the Company's cooperation with Buyer be deemed the failure to cooperate with Asset Buyer under this Section 7.1(b)(iii), and vice versa.

(c) Subject to Applicable Law, each of Buyer and the Company shall promptly advise the other upon receiving any communication from any Governmental Entity the consent or approval of which is required for consummation of the Contemplated Transactions that causes such Party to believe that there is a reasonable likelihood that any Buyer Regulatory Approval or Company Regulatory Approval, respectively, will not be obtained or that the receipt of any such approval may be materially delayed.

7.2 Access to Information. (a) Upon reasonable notice and subject to Applicable Laws relating to the confidentiality of information, the Company shall, and shall cause each of its Subsidiaries to, afford to the officers, employees, accountants, counsel, advisors, agents and other representatives of Buyer, reasonable access, during normal business hours during the period prior to the Closing, to all its properties, books, contracts, commitments and records, and, during such period, the Company shall, and shall cause its Subsidiaries to, make available to Buyer (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of federal securities laws (other than reports or documents that the Company is not permitted to disclose under Applicable Law) and (ii) all other information concerning its business, properties and personnel as Buyer may reasonably request that is relevant to the Contemplated Transactions. Neither the Company nor any of its Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would jeopardize the attorney-client privilege of the Company or its Subsidiaries or contravene any Applicable Law, fiduciary duty or binding agreement entered into prior to the date of this Agreement. The Parties shall make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply.

(b) The Company shall file all periodic reports required to be filed by it between the date hereof and the Closing. Each such filing shall be prepared in accordance with the applicable forms, rules and regulations of the SEC and shall satisfy the standard set forth in Section 4.5(c) for Company SEC Reports.

(c) All information and materials provided pursuant to this Agreement shall be subject to the provisions of the Confidentiality Agreement entered into between the Parties as of December 11, 2017 (the "**Confidentiality Agreement**").

(d) No investigation by a Party hereto or its representatives shall affect the representations and warranties of the other Party set forth in this Agreement.

7.3 Company Stockholder Approval.

(a) Subject to the earlier termination of this Agreement in accordance with Article IX, as promptly as reasonably practicable following the Company's receipt of notice from the SEC that the SEC has completed its review of the Proxy Statement (or, if the SEC does not inform the Company that it intends to review the Proxy Statement on or before the 10th calendar day following the filing of the preliminary Proxy Statement pursuant to Rule 14a-6 under the Exchange Act, as promptly as reasonably practicable following such 10th calendar day), the Company, acting through the Company Board, shall duly call, give notice of, convene and hold the Company Stockholder Meeting for the purpose of obtaining the Company Stockholder Approval and the Asset Purchase Stockholder Approval. In connection therewith, the Company

Board shall be permitted to adjourn, delay or postpone the Company Stockholder Meeting in accordance with Applicable Law (but not beyond the Outside Date), after consultation with Buyer and Asset Buyer, (i) to the extent necessary to allow reasonable additional time for the filing and mailing of any supplemental or amended disclosure which the Company Board has determined in good faith after consultation with outside counsel is reasonably likely to be necessary or appropriate under Applicable Law and for such supplemental or amended disclosure to be disseminated and reviewed by the Company Stockholders prior to the Company Stockholder Meeting, (ii) if there are insufficient shares of Company Common Stock represented (either in person or by proxy) to constitute a quorum necessary to conduct the business of the Company Stockholder Meeting, or (iii) to allow reasonable additional time to solicit additional proxies to the extent the Company Board or any committee thereof reasonably believes necessary in order to obtain the Company Stockholder Approval and the Asset Purchase Stockholder Approval and the Company Board determines that such delay or postponement is consistent with its fiduciary duties. In addition, the Company Board shall, to the extent not inconsistent with its fiduciary duties under Applicable Law, at the request of Buyer or Asset Buyer, adjourn, delay or postpone the Company Stockholder Meeting in accordance with Applicable Law (but not beyond the Outside Date) to allow reasonable additional time to solicit additional proxies to the extent Buyer or Asset Buyer believes necessary in order to obtain the Company Stockholder Approval or the Asset Purchase Stockholder Approval. Unless the Company Board has made an Adverse Recommendation Change, the Company shall, through the Company Board, make the Company Board Recommendation, and shall include such Company Board Recommendation in the Proxy Statement, and use its commercially reasonable efforts to (x) solicit from Company Stockholders proxies in favor of the Company Stockholder Approval, and (y) take all other action necessary or advisable to secure the Company Stockholder Approval. In no event will the record date of the Company Stockholder Meeting be changed without Buyer's prior written consent, unless required by Applicable Law.

(b) Except as expressly permitted in Section 7.8(e), neither the Company Board nor any committee thereof shall, (i) withhold, withdraw or modify or qualify, or propose publicly to withhold, withdraw or modify or qualify, in a manner adverse to Buyer, the Company Board Recommendation as it relates to the IMA Matter, (ii) fail to reaffirm the Company Board Recommendation as it relates to the IMA Matter or fail to publicly state that the Contemplated Transactions and this Agreement are in the best interests of the Company Stockholders, within fifteen (15) Business Days after Buyer requests in writing that such action be taken, (iii) fail to publicly announce, within fifteen (15) Business Days after a tender offer or exchange relating to the securities of the Company shall have been commenced, a statement disclosing that the Company Board recommends rejection of such tender offer or exchange offer, (iv) take or resolve to take any other action or make any other statement in connection with the Company Stockholder Meeting inconsistent with the Company Board Recommendation as it relates to the IMA Matter or (v) approve, determine to be advisable, or recommend, or propose publicly to approve, determine to be advisable, or recommend, any Competing Proposal (any of the foregoing (i) through (v) being referred to as an "**Adverse Recommendation Change**"). To the extent not inconsistent with its fiduciary duties under Applicable Law, the Company Board shall not change or modify the Company Board Recommendation as it relates to the Reduced Asset Coverage Matter.

7.4 Post-Closing Employment Matters. Effective on the Closing Date, Buyer shall, or shall cause its Affiliate to, employ each Continuing Company Employee. With respect to any Buyer benefit plan in which such Continuing Company Employee will participate, including for purposes of paid time off and severance, effective as of the Closing Date (but subject to any otherwise applicable right thereafter to amend or terminate the plan), Buyer shall recognize, for vesting and eligibility purposes, and, in the case of severance and paid time-off, for accrual purposes (but, for the avoidance of doubt, not for purposes of any equity incentive plan and not for the purpose of benefit accruals under any defined benefit plan), all years of service of the Continuing Company Employees with the Company and its Subsidiaries as if such service were service with Buyer; provided, however, that such service shall not be recognized to the extent that such recognition would (i) not be permitted under any legal or tax-qualification requirement applicable to a single-employer plan, (ii) require any other employee or other participant or beneficiary to accrue or otherwise receive with any additional benefit or credit of any kind in order for the plan to satisfy any legal or tax-qualification requirement or (iii) result in a duplication of benefits. Buyer or its Subsidiaries shall assume, except as may otherwise be agreed with the respective applicable Continuing Company Employees, any obligations under (a) the Employment Agreements or (b) any retention agreements or retention plan, solely to the extent set forth on Section 4.11(a) of the Company Disclosure Schedule to which any such Continuing Company Employee is a party or beneficiary. Nothing in this Section 7.4 shall be deemed to (x) be a guarantee to any Continuing Company Employee of employment or, without limiting the express provisions of this Section 7.4, any specific term or condition of employment, (y) create any right or benefit in any person other than the signatories of this Agreement or (z) preclude the ability of Buyer to terminate the employment of any Continuing Company Employee.

7.5 Indemnification; Directors' and Officers' Insurance.

(a) In the event of any threatened or actual Claim, including any such Claim in which any individual who is now, or has been at any time prior to the date of this Agreement, or who becomes prior to the Closing, a director or officer of the Company or any of its Subsidiaries or who is or was serving at the request of the Company or any of its Subsidiaries as a director or officer of another Person (the "**Indemnified Parties**"), is, or is threatened to be, made a party based in whole or in part on, or arising in whole or in part out of, or pertaining to (i) the fact that he or she is or was a director or officer of the Company or any of its Subsidiaries prior to the Closing or (ii) this Agreement or any of the Contemplated Transactions, whether asserted or arising before or after the Closing, the Parties shall cooperate and use their commercially reasonable efforts to defend against and respond thereto. All rights to indemnification and exculpation from liabilities for acts or omissions occurring at or prior to the Closing now existing in favor of any Indemnified Party as provided in their respective certificates or articles of incorporation or by-laws (or comparable Organizational Documents), and any existing indemnification agreements set forth in Section 7.5 of the Company Disclosure Schedule, shall survive the Contemplated Transactions as a contractual obligation of the Company and shall continue in full force and effect in accordance with their terms for a period of six (6) years from the Closing Date, and shall not be amended, repealed or otherwise modified in any manner that would adversely affect the rights thereunder of such individuals for acts or omissions occurring at or prior to the Closing or taken at the request of Buyer pursuant to Section 7.8 hereof, it being understood that nothing in this sentence shall require any amendment to the certificate of incorporation or bylaws of Buyer.

(b) For a period of six (6) years from the Closing, the Company shall, to the fullest extent permitted by Applicable Law, indemnify, defend and hold harmless, and provide advancement of expenses (subject to an undertaking, in such form as may be required under Applicable Law as in effect at the time of the execution thereof, to reimburse the portion (if any) of any expenses advanced to the Indemnified Party relating to Claims as to which it shall ultimately be adjudged that the statutory standard of conduct has not been met by the Indemnified Party for entitlement to such indemnification) to, each Indemnified Party against all losses, claims, damages, costs, expenses, liabilities or judgments or amounts that are paid in settlement of or in connection with any Claim based in whole or in part on or arising in whole or in part out of the fact that such Person is or was a director or officer of the Company or any of its Subsidiaries, and pertaining to any matter existing or occurring, or any acts or omissions occurring, at or prior to the Closing, whether asserted or claimed prior to, or at or after, the Closing (including matters, acts or omissions occurring in connection with the approval of this Agreement and the consummation of the Contemplated Transactions) or taken at the request of Buyer pursuant to Section 7.6 hereof.

(c) The Company shall, at its sole cost, cause the individuals serving as officers and directors of the Company or any of its Subsidiaries immediately prior to the Closing to be covered for a period of six years from the Closing by the directors' and officers' liability insurance policy maintained by the Company through the purchase of so-called "tail" insurance (provided that the Company may substitute therefor policies of at least the same coverage and amounts containing terms and conditions that are not less advantageous than such policy) with respect to acts or omissions occurring prior to the Closing that were committed by such officers and directors in their capacity as such. In connection with the foregoing, the Company shall not be required to expend in the aggregate for the entire six-year period referred to above amount in excess of 300% of the annual premiums currently paid by the Company for such insurance.

(d) The provisions of this Section 7.5 shall survive the Closing and are intended to be for the benefit of, and shall be enforceable by, each Indemnified Party and his or her heirs and representatives.

7.6 Additional Agreements. In case at any time after the Closing any further action is necessary or desirable to carry out the purposes of this Agreement or to vest Buyer with full title to all properties, assets, rights, approvals, immunities and franchises of either Party, the proper officers and directors of each Party and their respective Subsidiaries shall take all such necessary action as may be reasonably requested by Buyer.

7.7 Advice of Changes. Each of Buyer and the Company shall promptly advise the other of any change or event (i) having or reasonably likely to have a Material Adverse Effect on it, (ii) that it believes would or would be reasonably likely to cause or constitute a breach of any of its representations, warranties or covenants contained in this Agreement that would result in the conditions to Closing set forth in Article VIII not being satisfied or (iii) with respect to the Company, that it believes would or would be reasonably likely to cause or constitute a breach of any of its representations, warranties or covenants contained in the Asset Purchase Agreement that would result in the conditions to Closing set forth in Article VIII or any conditions to closing under the Asset Purchase Agreement not being satisfied; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the Parties (or remedies with respect thereto) or the conditions to the obligations of the Parties under this Agreement.

7.8 No Solicitation

(a) Subject to Section 7.8(d), the Company shall, and shall cause its representatives to, (i) immediately cease and cause to be terminated any existing solicitation of, or discussions or negotiations with, any Third Party relating to any Competing Proposal or any inquiry, discussion, offer or request that could reasonably be expected to lead to a Competing Proposal and (ii) terminate any data room access (or other access to diligence) of any Third Party relating to any Competing Proposal.

(b) Until the earlier of the Closing and termination of this Agreement, the Company shall, as promptly as reasonably practicable, and in any event within two (2) Business Days of receipt by the Company or any of its representatives of any Competing Proposal or any inquiry that could reasonably be expected to lead to a Competing Proposal that was not solicited in breach of Section 7.8(a), deliver to Buyer a written notice setting forth: (A) the identity of the Third Party making such Competing Proposal or inquiry and (B) the material terms and conditions of any such Competing Proposal. The Company shall deliver to Buyer concurrently with such notice unredacted copies of any documents in connection with such Competing Proposal. The Company shall keep Buyer reasonably informed of any amendment or modification of any such Competing Proposal on a prompt basis, and in any event within two (2) Business Days.

(c) Except as otherwise provided in this Agreement (including Section 7.8(d)), until the earlier of Closing and termination of this Agreement in accordance with its terms, the Company and its Subsidiaries shall not, and the Company shall cause its representatives not to, directly or indirectly, (i) initiate, solicit, propose, induce or knowingly encourage, facilitate or assist the making of any proposal or offer that constitutes, or could reasonably be expected to lead to, a Competing Proposal, (ii) engage in negotiations or substantive discussions with, or furnish any material nonpublic information to, or enter into any agreement, arrangement or understanding with, any Third Party relating to a Competing Proposal or any inquiry or proposal that could reasonably be expected to lead to a Competing Proposal or (iii) approve, endorse or recommend any proposal that constitutes, or could reasonably be expected to lead to, a Competing Proposal; provided however, that notwithstanding the foregoing, the Company (A) may inform Persons of the provisions contained in this Section 7.8, and (B) grant a waiver of, or terminate, any "standstill" or similar obligation of any Third Party with respect to the Company in order to allow such Third Party to confidentially submit a Competing Proposal.

(d) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to the date that the Company Stockholder Approval is obtained, in the event that the Company (or its representatives on the Company's behalf) receives a Competing Proposal from any Third Party, (i) the Company and its representatives may contact such Third Party to clarify the terms and conditions thereof (without the Company Board being required to make the determination in clause (ii) of this Section 7.8(d)) and (ii) the Company and the Company Board and its representatives may engage in negotiations or substantive discussions with, or furnish any information and other access to, any Third Party making such Competing Proposal and its representatives and Affiliates if the Company Board determines in good faith (after consultation with its outside financial advisors and legal counsel) that (A) such Competing Proposal either constitutes a Superior Proposal or could reasonably be expected to lead to a Superior Proposal and (B) failure to consider such Competing Proposal would reasonably be expected to be inconsistent

with the fiduciary duties of the directors of the Company under Applicable Law; provided, that (x) such Competing Proposal did not result from any breach of any of the provisions set forth in this Section 7.8, (y) prior to furnishing any non-public information concerning the Company, the Company receives from such Third Party, to the extent such Third Party is not already subject to a confidentiality agreement with the Company, a confidentiality agreement containing confidentiality terms, including “standstill provisions,” that are not less favorable in the aggregate to the Company than those contained in the Confidentiality Agreement (unless the Company offers to amend the Confidentiality Agreement to reflect such more favorable terms) (an “**Acceptable Confidentiality Agreement**”) and (z) the Company shall promptly provide or make available to Buyer any material written non-public information concerning the Company that it provides to any Third Party given such access that was not previously made available to Buyer or its representatives concurrently with the delivery of such material non-public information to such Third Party.

(e) Except as otherwise provided in this Agreement, (i) the Company Board shall not effect an Adverse Recommendation Change, and (ii) the Company Board shall not approve or recommend, or allow the Company to execute or enter into, any letter of intent, memorandum of understanding or definitive merger or similar agreement with respect to any Competing Proposal (other than an Acceptable Confidentiality Agreement); provided however, that notwithstanding anything in this Agreement to the contrary, at any time prior to the receipt of the Company Stockholder Approval, the Company Board may (x) make an Adverse Recommendation Change if the Company Board determines in good faith (after consultation with its outside financial advisor and legal counsel) that failure to make an Adverse Recommendation Change would reasonably be expected to be inconsistent with the fiduciary duties of the Company Board under Applicable Law, or (y) if the Company has received a Competing Proposal that the Company Board has determined in good faith (after consultation with its outside financial advisor and legal counsel) constitutes a Superior Proposal, authorize, adopt or approve such Superior Proposal and cause or permit the Company to enter into a definitive agreement with respect to such Superior Proposal concurrently with the termination of this Agreement in accordance with Section 9.1(g), but in each case only after providing the Notice of Adverse Recommendation or Notice of Superior Proposal, as applicable, and entering into good faith negotiations as required by Section 7.8(f).

(f) Notwithstanding anything to the contrary in this Agreement, no Adverse Recommendation Change may be made and no termination of this Agreement pursuant to Section 9.1(g) may be effected, in each case until 5:00 p.m. on 5th calendar day following receipt of written notice from the Company to Buyer advising Buyer that the Company intends to make an Adverse Recommendation Change (a “**Notice of Adverse Recommendation**”) or terminate this Agreement pursuant to Section 9.1(g) (a “**Notice of Superior Proposal**”) and specifying the reasons therefor, including, if the basis of the proposed action is a Superior Proposal, the material terms and conditions of any such Superior Proposal. At the option of Buyer, the Parties shall negotiate in good faith during such period to amend this Agreement in such a manner that the offer that was determined to constitute a Superior Proposal no longer constitutes a Superior Proposal. In determining whether to make an Adverse Recommendation Change or in determining whether a Competing Proposal constitutes a Superior Proposal, the Company Board shall take into account any revisions to the terms of this Agreement and the Asset Purchase Agreement proposed in writing by the Buyer or the Asset Buyer, as applicable, in response to a Notice of Adverse

Recommendation, a Notice of Superior Proposal or otherwise. Any amendment to such Superior Proposal shall require a new Notice of Superior Proposal and the Company shall be required to comply again with the requirements of this Section 7.8(f); provided, however, that the five (5) calendar day requirement shall be changed to three (3) calendar days.

(g) Nothing in this Agreement shall restrict the Company from taking or disclosing a position contemplated by Rules 14d-9 or 14e-2(a) under the Exchange Act, or otherwise making disclosure to comply with Applicable Law (it being agreed that a “stop, look and listen” communication by the Company Board to the Company Stockholders pursuant to Rule 14d-9(f) under the Exchange Act or a factually accurate public statement by the Company that describes the Company’s receipt, as applicable, of a Competing Proposal and the operation of this Agreement with respect thereto shall not be deemed to be an Adverse Recommendation Change); provided that the foregoing shall in no way eliminate or modify the effect that any such disclosure or communication would otherwise have under this Agreement.

7.9 Takeover Statutes. The Parties shall use their respective commercially reasonable efforts (a) to take all action necessary so that no Takeover Statute is or becomes applicable to the Contemplated Transactions, and (b) if any such Takeover Statute is or becomes applicable to any of the foregoing, to take all action necessary so that the Contemplated Transactions may be consummated as promptly as reasonably practicable on the terms contemplated by this Agreement and otherwise to eliminate or minimize the effect of such Takeover Statute on the Contemplated Transactions.

7.10 Stockholder Litigation. Between the date of this Agreement and the Closing, the Company shall (i) provide prompt notice to Buyer of all stockholder litigation relating to this Agreement or the Contemplated Transactions, (ii) consult with Buyer regarding the defense and settlement of any litigation outstanding as of the date of this Agreement and (iii) give Buyer the opportunity to participate in the defense or settlement of any stockholder litigation against the Company and/or its directors relating to the Contemplated Transactions. The Company agrees that it shall not settle or offer to settle any litigation commenced on or after the date hereof against the Company or any of its directors or executive officers by any Company Stockholder relating to this Agreement or the Contemplated Transactions or otherwise, without the prior written consent of Buyer, which consent shall not be unreasonably withheld.

7.11 Asset Purchase Agreement. During the period commencing on the date of this Agreement and ending on the Closing, the Company shall not approve any waiver, amendment, consent, approval or other modification of the Asset Purchase Agreement that would reasonably be expected to adversely affect the value of the Company and the investment advisory rights set forth in the Investment Advisory Agreement or the consummation, timing or certainty of the Contemplated Transactions, in each case without obtaining the express prior written consent of Buyer. The Company shall not, and shall not be permitted to, consummate the transactions contemplated by the Asset Purchase Agreement (including the Asset Purchase) without also consummating the Contemplated Transactions, unless (i) each of the Company Stockholder Approval and the Asset Purchase Stockholder Approval shall have been obtained, and (ii) one or more of the other conditions to Closing set forth in Section 8.1 and Section 8.3 have not been satisfied. If the Asset Buyer desires to acquire the equity interests of any of Arc Industries Holdings, Inc., Energy Hardware Holdings, Inc., Emerald Waste Holdings, Inc., and Technology Crops Holdings, Inc., each of which is a Subsidiary of the Company, in connection with the transfer to Asset Buyer pursuant to the Asset Purchase Agreement of any assets held by such Subsidiary, then the Company shall not transfer such equity interests without the prior written consent of the Buyer.

7.12 Company Benefit Plans. The Company shall deliver evidence reasonably satisfactory to Buyer that each Company Benefit Plan has been terminated effective as of immediately prior to the Closing. Effective on the Closing Date, Buyer shall, or shall cause its Affiliate to, offer group major medical and dental health coverage to each eligible person (including current Company Employees and their covered dependents as well as all “qualified beneficiaries” who have elected, or are entitled to elect as of the Closing Date, continued coverage under Section 4980B of the Code) who participates in the Company’s group major medical and/or dental coverage (as applicable) as of the Closing Date (or are entitled under Code Section 4980B to elect continuation coverage as of the Closing Date), which coverage shall (i) be substantially similar to the coverage offered by Buyer as of the Closing Date to a similarly situated employee of Buyer, in terms of cost to employee and coverage, and (ii) continue for the period for which the Company would have had to have continued such coverage under Code Section 4980B absent the Company’s termination of its group health plans as of the Closing Date. For each employee who does not become a Continuing Company Employee, the premiums of such continued coverage under Section 4980B of the Code (“**COBRA Coverage**”) shall be borne by the Company for the “severance period” set forth in the Employment Agreement or retention plan for such employee. In the event the major medical COBRA Coverage offered by Buyer does not offer a coverage option that is reasonably equivalent to the major medical coverage offered by the Company prior to the Closing Date and a former employee of the Company (or his or her dependent) who does not become a Continuing Company Employee (i) selects Buyer’s major medical COBRA Coverage option most comparable to the major medical coverage offered by the Company prior to the Closing Date and (ii) incurs annual out-of-pocket costs during the applicable “severance period” which are materially in excess of those out-of-pocket costs which he would have incurred under the major medical plan offered by the Company prior to the Closing Date, then Buyer shall cause the Company to reimburse such excess expense for such employee. The premiums of continued term life insurance coverage to be borne by the Company for the “severance period” set forth in the Employment Agreement or retention plan for any employee who does not become a Continuing Company Employee shall not be required to exceed 150% of the term life insurance premium paid by the Company prior to the Closing Date.

7.13 Transition Matters. Buyer hereby acknowledges that the Asset Purchase Agreement includes a provision regarding post-Closing cooperation of the parties thereto reasonably necessary to effect the transactions contemplated thereby, and Buyer hereby covenants and agrees that it shall, in its capacity as investment adviser of the Company following the Closing, cause the Company to take such actions as may be reasonably necessary to satisfy any applicable post-Closing cooperation or other covenant set forth in the Asset Purchase Agreement. Without in any way limiting the foregoing, Buyer acknowledges and agrees that, if any Restricted Asset (as defined in the Asset Purchase Agreement) exists on the Closing Date, such Restricted Asset shall remain with the Company unless and until the applicable consent is obtained. Buyer, in its capacity as investment adviser of the Company after Closing, shall cause the Company to cooperate with Asset Buyer in the manner and to the extent required by the Asset Purchase Agreement in continuing efforts to obtain each consent required in order to transfer the Restricted Asset to Asset

Buyer to the extent required by the Asset Purchase Agreement. If any such consent is obtained after the Closing Date, Buyer, in its capacity as investment adviser to the Company, shall, solely to the extent required by the Asset Purchase Agreement, cause the Company to convey, transfer, assign and deliver the applicable Restricted Asset to Asset Buyer as soon as reasonably practicable following receipt of the relevant consent. Pending the obtaining of any required consent relating to any Restricted Asset, solely to the extent required by the Asset Purchase Agreement, Buyer shall cause the Company to cooperate with Asset Buyer to the extent and in the manner required by the Asset Purchase Agreement to provide to Asset Buyer the full benefits (including economic) and rights of ownership of the Restricted Assets. In addition, prior to the receipt of such required consent, to the extent required by the Asset Purchase Agreement, Buyer shall cause the Company to take action, refrain from taking action, vote or abstain from voting with respect to any Restricted Asset, as directed by Asset Buyer.

7.14 Calculations of Pro Forma Net Asset Value and Investment Company Taxable Income.

(a) No later than five (5) Business Days prior to Closing, the Company shall deliver to Buyer a certificate of a duly elected officer of the Company certifying:

(i) if the Closing Date is on or prior to July 31, 2018, (A) a good faith calculation, substantially in the form of the estimated calculation attached hereto as Exhibit D, of the net asset value of the Company as of June 30, 2018, which shall be prepared on a pro forma basis after giving effect to the transactions contemplated by the Asset Purchase Agreement, the payment by the Company of all Company Transaction Expenses and the other adjustments set forth in Exhibit D (the “*June 30 Pro Forma NAV*”), and (B) a good faith calculation, substantially in the form of the estimated calculation attached hereto as Exhibit E, of the investment company taxable income of the Company as of June 30, 2018, which shall be prepared on a pro forma basis after giving effect to the transactions contemplated by the Asset Purchase Agreement, the payment by the Company of all Company Transaction Expenses and the other adjustments set forth in Exhibit E attached hereto (the “*June 30 Pro Forma ICTI*”); and

(ii) if the Closing Date is on or after August 1, 2018 but prior to October 1, 2018, (A) a good faith calculation, substantially in the form of the estimated calculation attached hereto as Exhibit D, of the net asset value of the Company as of the most recently completed calendar month, which shall be prepared on a pro forma basis after giving effect to the transactions contemplated by the Asset Purchase Agreement, the payment by the Company of all Company Transaction Expenses and the other adjustments set forth in Exhibit D (the “*Interim Pro Forma NAV*”), and (B) a good faith calculation, substantially in the form of the estimated calculation attached hereto as Exhibit E, of the investment company taxable income of the Company as of the most recently completed calendar month, which shall be prepared on a pro forma basis after giving effect to the transactions contemplated by the Asset Purchase Agreement, the payment by the Company of all Company Transaction Expenses and the other adjustments set forth in Exhibit E attached hereto (the “*Interim Pro Forma ICTI*”); and

(iii) if the Closing Date is on or after October 1, 2018, (A) a good faith calculation, substantially in the form of the estimated calculation attached hereto as Exhibit D, of the net asset value of the Company as of September 30, 2018, which shall be prepared on a pro forma basis after giving effect to the transactions contemplated by the Asset Purchase Agreement, the payment by the Company of all Company Transaction Expenses and the other adjustments set forth in Exhibit D (the “*September 30 Pro Forma NAV*”), and (B) a good faith calculation, substantially in the form of the estimated calculation attached hereto as Exhibit E, of the investment company taxable income of the Company as of September 30, 2018, which shall be prepared on a pro forma basis after giving effect to the transactions contemplated by the Asset Purchase Agreement, the payment by the Company of all Company Transaction Expenses and the other adjustments set forth in Exhibit E attached hereto (the “*September 30 Pro Forma ICTI*”).

(b) Together with the certificate to be delivered by the Company to Buyer pursuant to Section 7.14(a), the Company will provide Buyer with (i) reasonable supporting documentation for the amounts and calculations set forth therein, including reasonable detail as to the computations thereof and monthly financial statements for the calendar months between the date of this Agreement and the Closing, and (ii) reasonable access to the Company’s personnel and its representatives and advisors in order to discuss such calculation. If Buyer disagrees with any item set forth in such certificate, it may provide comments to the Company, and the Company and Buyer will use their best efforts to resolve in good faith any such disagreements prior to the Closing.

(b) Regulatory Approvals. Each Company Regulatory Approval listed on Schedule 8.1(b)(i) and each Buyer Regulatory Approval listed on Schedule 8.1(b)(ii) shall have been obtained and shall remain in full force and effect and all statutory waiting periods in respect thereof shall have expired.

(c) Registered Investment Adviser. Buyer shall be registered as an investment adviser under the Investment Advisers Act.

(d) No Injunctions or Restraints; Illegality. No order, injunction or decree issued by any court or agency of competent jurisdiction or other law preventing or making illegal the consummation of the Contemplated Transactions shall be in effect.

(f) Asset Purchase. The closing under the Asset Purchase Agreement shall have occurred.

(g) No Governmental Entity Litigation. There shall be no pending suit, action or proceeding by any Governmental Entity, in each case that has a reasonable likelihood of success, (i) challenging the Contemplated Transactions, seeking to restrain or prohibit the consummation of the Contemplated Transactions or seeking to obtain from the Company or Buyer any damages that are material in relation to the Company and its Subsidiaries taken as a whole, or (ii) seeking to prohibit Buyer or any of its Subsidiaries from effectively controlling in any material respect the business or operations of the Company and its Subsidiaries.

8.2 Conditions to Obligations of Buyer. The obligation of Buyer to effect the Contemplated Transactions is also subject to the satisfaction, or waiver by Buyer, at or prior to the Closing, of the following conditions:

(a) Representations and Warranties. Subject to the standard set forth in Section 8.4, and without giving effect to the impact of the consummation of the Asset Purchase, the representations and warranties of the Company set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing as though made on and as of the Closing (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date); and Buyer shall have received a certificate signed on behalf of the Company by the Chief Executive Officer or the Chief Financial Officer of the Company to the foregoing effect.

(b) Performance of Obligations of the Company. The Company shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing Date (other than any obligations to be performed by the Company under Section 7.8, which the Company shall have performed in all respects); and Buyer shall have received a certificate signed on behalf of the Company by the Chief Executive Officer or the Chief Financial Officer of the Company to such effect.

(c) No Material Adverse Effect. Since the date of this Agreement, no Material Adverse Effect or occurrence, change, event, effect or development that, individually or in combination with any other occurrence, change, event, effect or development, is or could reasonably be expected to result in, a Material Adverse Effect shall have occurred.

(d) Payoff Letter. The Company shall have delivered to Buyer the Payoff Letter, in form and substance reasonably satisfactory to Buyer.

(e) SBA Payoff. Unless the approval of the SBA has been obtained in connection with the Contemplated Transactions in a manner that would allow the SBA Debentures to remain outstanding in accordance with their respective terms, the Company shall have delivered to Buyer evidence, in form and substance reasonably satisfactory to Buyer, of the payoff of the SBA Debentures in accordance with SBA regulations.

(f) Retail Notes. Buyer shall have received evidence of the repayment and cancellation of, or adequate security (in the form of funds deposited into an escrow account with the trustee, as required under the Indenture) for the repayment of, the Retail Notes in form reasonably satisfactory to Buyer.

(g) Board and Officer Resignations. The Company shall have received resignation letters duly executed by each director and officer of the Company and its Subsidiaries, to be effective as of the date of Closing, as members of the Company Board or officers of the Company or its Subsidiaries, as applicable.

(h) Classified Board of Directors. The Company Board shall have approved and otherwise taken all actions necessary under the MGCL and otherwise for the Company Board, effective as of the Closing Date, to be divided into three equal, or nearly equal, classes (each, a "**Director Class**") of directors to hold office for staggered terms of three years each.

(i) Board Elections. The Company Board shall have approved (i) the election of, effective as of the Closing Date, the directors identified by Buyer to the Company in writing prior to the initial filing of the Proxy Statement with the SEC and (ii) the appointment or assignment of each such director to a Director Class selected by Buyer.

(j) Change of Company Name. The Company Board shall have approved a change of the name of the Company to Barings BDC, Inc. pursuant to Section 2-605(1) of the MGCL.

(k) Pro Forma NAV. The applicable Pro Forma NAV shall be no less than \$545,000,000.

(l) Pro Forma ICTI. The applicable Pro Forma ICTI shall be no more than \$15,000,000.

(m) Management Agreements. The Company shall have entered into the Management Agreements, effective as of the date of Closing.

8.3 Conditions to Obligations of Company. The obligation of the Company to effect the Contemplated Transactions is also subject to the satisfaction or waiver by the Company at or prior to the Closing of the following conditions:

(a) Representations and Warranties. Subject to the standard set forth in Section 8.4, the representations and warranties of Buyer set forth in this Agreement shall be true and correct as of the date of this Agreement and as of the Closing as though made on and as of the Closing (except that representations and warranties that by their terms speak specifically as of the date of this Agreement or another date shall be true and correct as of such date); and the Company shall have received a certificate signed on behalf of Buyer by the Chief Executive Officers or the Chief Financial Officers of Buyer to the foregoing effect.

(b) Performance of Obligations of Buyer. Buyer shall have performed in all material respects all obligations required to be performed by it under this Agreement at or prior to the Closing, and the Company shall have received a certificate signed on behalf of Buyer by the Chief Executive Officers or the Chief Financial Officers of Buyer to such effect.

8.4 Standard. No representation or warranty of the Company contained in Article IV or of Buyer contained in Article V shall be deemed untrue, inaccurate or incorrect for purposes of Section 8.2(a) or 8.3(a), as applicable, under this Agreement, as a consequence of the existence or absence of any fact, circumstance or event unless such fact, circumstance or event, individually or when taken together with all other facts, circumstances or events inconsistent with any representations or warranties contained in Article IV, in the case of the Company, or Article V, in the case of Buyer, has had or would reasonably be expected to have a Material Adverse Effect with respect to the Company or Buyer, as applicable (disregarding for purposes of this Section 8.4, except in the case of Section 4.8, all qualifications or limitations set forth in any representations or warranties as to “materiality,” “Material Adverse Effect” and words of similar import). Notwithstanding the immediately preceding sentence, the representations and warranties contained in (i) Sections 4.2(a) and (b) shall be deemed untrue and incorrect if not true and correct except to a *de minimis* extent (relative to Section 4.2(a) or (b), respectively, taken as a whole), and (ii) Sections 4.1(a), 4.3(a), 4.3(b)(i), 4.7, and 4.17, in the case of the Company, and Sections 5.1(a), 5.2(a), 5.3(b)(i) and 5.5, in the case of Buyer, shall be deemed untrue and incorrect if not true and correct in all respects.

8.5 Frustration of Closing Conditions. Neither the Company, on the one hand, nor Buyer, on the other hand, may rely on the failure of any condition set forth in Section 8.1, Section 8.2 or Section 8.3, as applicable, to be satisfied if such failure was primarily caused by the Party relying on such failure to perform any of its material obligations under this Agreement.

ARTICLE IX TERMINATION AND AMENDMENT

9.1 Termination. This Agreement may be terminated at any time prior to the Closing, whether before or after receipt of the Company Stockholder Approval:

(a) by mutual consent of the Company and Buyer, in a written instrument duly authorized by the Company and Buyer;

(b) by either the Company or Buyer, if any Governmental Entity that must grant a Company Regulatory Approval listed on Schedule 8.1(b)(i) or Buyer Regulatory Approval listed on Schedule 8.1(b)(ii) has denied approval of the Contemplated Transactions and such denial has become final and nonappealable or any Governmental Entity of competent jurisdiction shall have issued a final and nonappealable order, injunction or decree permanently enjoining or otherwise prohibiting or making illegal the consummation of the Contemplated Transactions;

(c) by either the Company or Buyer, if the Contemplated Transactions shall not have been consummated on or before October 5, 2018 (the “*Outside Date*”), unless the failure of the Closing to occur by such date shall be due to the failure of the Party seeking to terminate this Agreement to perform or observe the covenants and agreements of such Party set forth in this Agreement;

(d) the Company or Buyer, at any time prior to the Closing, in the event that the Company shall have failed to obtain the Company Stockholder Approval at the Company Stockholder Meeting at which a vote is taken on the Company Matters; or

(e) by either the Company or Buyer (provided that the terminating Party is not then in material breach of any representation, warranty, covenant or other agreement contained herein), if there shall have been a breach of any of the covenants or agreements or any of the representations or warranties set forth in this Agreement on the part of the Company, in the case of a termination by Buyer, or Buyer, in the case of a termination by the Company, which breach, either individually or in the aggregate, would result in, if occurring or continuing on the Closing Date, the failure of the conditions set forth in Section 8.2 or 8.3, as the case may be, and which is not cured within 30 days following written notice to the Party committing such breach or by its nature or timing cannot be cured within such time period; or

(f) by Buyer, (i) within ten (10) Business Days after the Company Board shall have effected an Adverse Recommendation Change prior to receipt of the Company Stockholder Approval, or (ii) in the event the Company Board has approved, or authorized the Company or any of its Subsidiaries to enter into, a merger agreement, letter of intent, acquisition agreement, purchase agreement or other similar agreement with respect to a Competing Proposal.

(g) by the Company, in the event that:

(i) (A) the Company shall have received a Superior Proposal, (B) subject to the Company's obligations under Section 7.8(f), the Company Board or any authorized committee thereof shall have authorized the Company to enter into a definitive agreement to consummate the transaction contemplated by such Superior Proposal, and (C) concurrently with the termination of this Agreement, the Company pays Buyer the Termination Fee contemplated by Section 9.4 and enters into the definitive agreement to consummate the transaction contemplated by such Superior Proposal; provided, however, that the Company's right to terminate this Agreement pursuant to this Section 9.1(g) shall not be available unless the Company simultaneously terminates the Asset Purchase Agreement; or

(ii) the Company Board or any authorized committee thereof shall have effected an Adverse Recommendation Change in accordance with the terms of Section 7.8.

The Party desiring to terminate this Agreement pursuant to clause (b), (c), (d), (e), (f) or (g) of this Section 9.1 shall give written notice of such termination to the other Parties in accordance with Section 10.2, specifying the provision or provisions hereof pursuant to which such termination is effected.

9.2 Effect of Termination. In the event of termination of this Agreement by either the Company or Buyer, as provided in Section 9.1, this Agreement shall become void and have no effect, and none of the Company, Buyer, any of their respective Subsidiaries or any of the officers or directors of any of them shall have any liability of any nature whatsoever under this Agreement, or in connection with the Contemplated Transactions, except that (i) Sections 7.2(c), 9.2, 9.3, 9.4, and Article X shall survive any termination of this Agreement, and (ii) except as provided in Section 10.9(c), neither Company nor Buyer shall be relieved or released from any liabilities or damages arising out of its knowing and intentional breach of any provision of this Agreement. For all purposes of this Agreement, "knowing and intentional breach" means an act or failure to act undertaken by the breaching party who had actual knowledge, or should have had knowledge, and intention that such party's act or failure to act would, or would reasonably be expected to, result in or constitute a breach of the Agreement.

9.3 Fees and Expenses. All fees and expenses incurred in connection with the Contemplated Transactions shall be paid by the Party incurring such fees or expenses; provided, that the costs and expenses of preparing, filing, printing and mailing the Proxy Statement (including reasonable legal, accounting and other expenses of the Company), and all other filing fees and amounts paid to the SEC in connection with the Contemplated Transactions, shall be split equally by Buyer, Asset Buyer and the Company and the fees of any HSR Act filing shall be borne by Buyer.

9.4 Termination Fee.

(a) In the event that this Agreement is terminated pursuant to Section 9.1(f) or Section 9.1(g) then, provided that Buyer was not in material breach of its representations, warranties, covenants or agreements hereunder at the time of termination, the Company will pay to Buyer, or to its designee within (x) two (2) Business Days in the event of termination pursuant to Section 9.1(f) or (y) immediately prior to the time of termination by the Company in the event of termination pursuant to Section 9.1(g), a fee in an amount equal to \$6,000,000 (such amount, the “**Termination Fee**”) to an account or accounts designated in writing by Buyer. The right of the Buyer to receive the Termination Fee under this Section 9.4(a) shall be Buyer’s sole recourse in connection with termination of this Agreement pursuant Section 9.1(f) or Section 9.1(g), except in the circumstance where, at the time of termination of this Agreement under Section 9.1(f) or Section 9.1(g), the Buyer had the legal right to terminate this Agreement under Section 9.1(e) as a result of a knowing and intentional breach of this Agreement by the Company.

(b) In the event that (i) a Competing Proposal shall have been made or proposed to the Company (and publicly disclosed to the Company Stockholders) or otherwise publicly announced, (ii) this Agreement is validly terminated by either Buyer or the Company pursuant to Section 9.1(c) or (d) or is terminated by Buyer pursuant to Section 9.1(e) (as a result of a material breach of any of the representations, warranties, covenants or other agreements set forth in this Agreement on the part of the Company), and (iii) within twelve (12) months following the date of such termination, the Company enters into an agreement for or relating to, and consummates, a Competing Proposal, or otherwise consummates any Competing Proposal (whether or not such Competing Proposal is the same Competing Proposal referred to in clause (i), but in each case for purposes of this Section 9.4(b), the references “twenty percent (20%)” in the definition of Competing Proposal shall be deemed references to “fifty percent (50%)”), the Company will pay to Buyer, or to Buyer’s designee, the Termination Fee within three (3) Business Days of the date on which the Company enters into such agreement or consummates such Competing Proposal. The right of the Buyer to receive the Termination Fee under this Section 9.4(b) shall be Buyer’s sole recourse in connection with termination of this Agreement pursuant to Section 9.1(c), (d) or (e) (as a result of a material breach of any of the representations, warranties, covenants or other agreements set forth in this Agreement on the part of the Company), except (x) in the case that Buyer has the right to receive payment of Buyer Expenses in the circumstances described in Section 9.4(c) (the full amount of which shall be offset against any Termination Fee payable under this Section 9.4(b)), and (y) for termination of this Agreement by Buyer pursuant to Section 9.1(e) as the result of a knowing and intentional breach of this Agreement by the Company. For the avoidance of doubt, in no event shall the Company be obligated to pay a Termination Fee on more than one occasion.

(c) In the event that this Agreement is terminated pursuant to Section 9.1(d) or Section 9.1(e) (as a result of a material breach of any of the representations, warranties, covenants or other agreements set forth in this Agreement on the part of the Company), the Company shall pay to Buyer, or to its designee, within two (2) Business Days of the termination of the Agreement an amount in cash equal to that required to reimburse Buyer and its Affiliates for the Buyer Expenses to an account or accounts designated in writing by Buyer; provided, however, that if (i) Buyer is otherwise entitled to terminate the Agreement pursuant to Section 9.1(f), or (ii) the Company is otherwise entitled to terminate the Agreement pursuant to Section 9.1(g), this Section 9.4(c) shall not be applicable, and the Termination Fee shall be payable pursuant to Section 9.4(a). To the extent that Buyer Expenses are paid and the Termination Fee is subsequently due pursuant to Section 9.4(b), the amount of Buyer Expenses actually paid shall be deducted from the amount due pursuant to the Termination Fee.

(d) The Parties acknowledge and hereby agree that in no event shall the Company be required to pay a Termination Fee on more than one occasion, and that only a single Termination Fee, if payable, shall be paid to Buyer.

(e) Each of the Parties acknowledges that (i) the agreements contained in this Section 9.4 are an integral part of the Contemplated Transactions, (ii) the Termination Fee is not a penalty, but is liquidated damages, in a reasonable amount that will compensate Buyer, in the circumstances in which the Termination Fee is payable, for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Contemplated Transactions, which amount would otherwise be impossible to calculate with precision, (iii) without these agreements, the Parties would not enter into this Agreement, and (iv) in the event that the Company shall fail to pay the Termination Fee or the Buyer Expenses pursuant to this Section 9.4 when due, and, in order to obtain such payment, Buyer commences a suit that results in a final, non-appealable judgment against the Company, the Company shall pay to Buyer costs and expenses (including attorneys' fees) in connection with such suit, together with interest on the Termination Fee or Buyer Expenses (as applicable) at a rate equal to five percent (5%) commencing on the date such payment was required to be made through the date of payment.

9.5 Amendment. This Agreement may be amended by the Parties, by action taken or authorized by the Buyer Board and the Company Board, at any time before or after receipt of the Company Stockholder Approval; provided, however, that after receipt of the Company Stockholder Approval, there may not be, without further approval of such Company Stockholders, any amendment of this Agreement that requires further approval under Applicable Law. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

9.6 Extension; Waiver. At any time prior to the Closing, the Parties, by action taken or authorized by the Buyer Board and the Company Board, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other Parties, (b) waive any inaccuracies in the representations and warranties contained in this Agreement or (c) waive compliance with any of the agreements or conditions contained in this Agreement. Any agreement on the part of a Party to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such Party, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure.

ARTICLE X GENERAL PROVISIONS

10.1 Nonsurvival of Representations, Warranties and Agreements. None of the representations, warranties, covenants and agreements set forth in this Agreement or in any instrument delivered pursuant to this Agreement shall survive the Closing, except for the matters set forth in Section 7.5 and for those other covenants and agreements contained in this Agreement that by their terms apply or are to be performed in whole or in part after the Closing.

10.2 Notices. All notices and other communications in connection with this Agreement shall be in writing and shall be deemed given if delivered personally, sent via facsimile (with confirmation), mailed by registered or certified mail (return receipt requested) or delivered by an express courier (with confirmation) to the Parties at the following addresses (or at such other address for a Party as shall be specified by like notice):

When a reference is made in this Agreement to Articles, Sections, Exhibits or Schedules, such reference shall be to an Article or Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.” The Company Disclosure Schedule and the Buyer Disclosure Schedule, as well as all other schedules and all exhibits hereto, shall be deemed part of this Agreement and included in any reference to this Agreement. This Agreement shall not be interpreted or construed to require any person to take any action, or fail to take any action, if to do so would violate any Applicable Law.

10.4 Counterparts. This Agreement may be executed in two or more counterparts, all of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that each Party need not sign the same counterpart.

10.5 Entire Agreement. This Agreement (including the documents and the instruments referred to in this Agreement), together with the Investment Advisory Agreement, the Administration Agreement, the Registration Rights Agreement and Confidentiality Agreement, constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the Parties with respect to the subject matter of this Agreement, other than the Investment Advisory Agreement, the Administration Agreement, the Registration Rights Agreement and the Confidentiality Agreement.

10.6 Governing Law; Jurisdiction. This Agreement shall be governed and construed in accordance with the internal laws of the State of Maryland applicable to contracts made and wholly-performed within such state, without regard to any applicable conflicts of law principles. The Parties hereto agree that any suit, action or proceeding brought by a Party to enforce any provision of, or based on any matter arising out of or in connection with, this Agreement or the Contemplated Transactions shall be brought in any federal or state court located in the State of Maryland. Each of the Parties hereto submits to the jurisdiction of any such court in any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of, or in connection with, this Agreement or the Contemplated Transactions and hereby irrevocably waives the benefit of jurisdiction derived from present or future domicile or otherwise in such action or proceeding. Each Party hereto irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

10.7 Publicity. Neither the Company nor Buyer shall, nor shall they permit any of their respective Subsidiaries to, issue or cause the publication of any press release or other public announcement with respect to, or otherwise make any public statement concerning, the Contemplated Transactions without the prior consent (which consent shall not be unreasonably withheld) of Buyer, in the case of a proposed announcement or statement by the Company, or the Company, in the case of a proposed announcement or statement by Buyer; provided, however, that any Party may, without the prior consent of the other Parties (but after prior consultation with the other Parties to the extent practicable under the circumstances) issue or cause the publication of any press release or other public announcement to the extent required by law or by the rules and regulations of the NYSE.

10.8 Assignment; Third Party Beneficiaries. Neither this Agreement nor any of the rights, interests or obligations under this Agreement shall be assigned by any Party (whether by operation of law or otherwise) without the prior written consent of the other Parties; provided, however, that Buyer will have the right to assign all or any portion of its rights and obligations pursuant to this Agreement from and after the Closing to any of its Affiliates; provided, further, that no such assignment shall relieve Buyer of its obligations hereunder. Subject to the preceding sentence, this Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the Parties and their respective successors and assigns. Except as otherwise specifically provided in Section 7.5, this Agreement (including the documents and instruments referred to in this Agreement) is not intended to and does not confer upon any person other than the Parties any rights or remedies under this Agreement. Except as provided in Section 7.5 only, Buyer and the Company hereby agree that their respective representations, warranties and covenants set forth herein are solely for the benefit of the other Parties, in accordance with and subject to the terms of this Agreement, and this Agreement is not intended to, and does not, confer upon any person other than the Parties any rights or remedies hereunder, including, without limitation, the right to rely upon such representations and warranties set forth herein. The Parties further agree that the rights of third

party beneficiaries under Section 7.5 shall not arise unless and until the Closing occurs. The representations and warranties in this Agreement are the product of negotiations among the Parties and are for the sole benefit of the Parties. In some instances, the representations and warranties in this Agreement may represent an allocation among the Parties of risks associated with particular matters regardless of the knowledge of any of the Parties. Consequently, Persons other than the Parties may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

10.9 Remedies.

(a) Except as otherwise provided in this Agreement, any and all remedies herein expressly conferred upon a Party will be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy will not preclude the exercise of any other remedy.

(b) The Parties hereby agree that irreparable damage would occur in the event that any provision of this Agreement was not performed in accordance with its specific terms or was otherwise breached, and that money damages or other legal remedies would not be an adequate remedy for any such damages. Accordingly, the Parties acknowledge and hereby agree that in the event of any breach or threatened breach of any covenants or obligations set forth in this Agreement, the Company shall be entitled to an injunction or injunctions to prevent or restrain breaches or threatened breaches of this Agreement and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations of the other under this Agreement. Each Party hereby agrees not to raise any objections to the availability of the equitable remedy of specific performance to prevent or restrain breaches or threatened breaches of this Agreement, and to specifically enforce the terms and provisions of this Agreement to prevent breaches or threatened breaches of, or to enforce compliance with, the covenants and obligations under this Agreement. The Parties further agree that (i) by seeking the remedies provided for in this Section 10.9(b), neither Party shall in any respect waive its right to seek any other form of relief that may be available to a Party under this Agreement (including monetary damages) in the event that this Agreement has been terminated or in the event that the remedies provided for in this Section 10.9(b) are not available or otherwise are not granted, and (ii) nothing set forth in this Section 10.9(b) shall require either Party to institute any proceeding for (or limit such Party's right to institute any proceeding for) specific performance under this Section 10.9(b) prior or as a condition to exercising any termination right under Section 9.1 (and pursuing damages after such termination), nor shall the commencement of any legal proceeding pursuant to this Section 10.9(b) or anything set forth in this Section 10.9(b) restrict or limit either Party's right to terminate this Agreement in accordance with Section 9.1 or pursue any other remedies under this Agreement that may be available then or thereafter.

(c) Notwithstanding anything to the contrary set in this Section 10.9, the Parties expressly acknowledge and agree that the remedies set forth in Section 9.4 shall be the sole and exclusive remedies available to Buyer in the event this Agreement is terminated under Section 9.1(c), (d), (e), (f) or (g). To the extent Buyer is entitled to receive the Termination Fee or reimbursement of Buyer Expenses, except as otherwise provided in Section 9.4, the receipt of such amounts shall be deemed to be full and final payment for any and all losses or damages suffered

or incurred by Buyer or any of its Affiliates or any other Person in connection with this Agreement (and the termination hereof), the Contemplated Transactions (and the abandonment thereof) or any matter forming the basis for such termination, and none of Buyer or any of its Affiliates or any other Person shall be entitled to bring or maintain any other claim, action or proceeding against the Company or any of its Affiliates arising out of this Agreement, any of the Contemplated Transactions or any matters forming the basis for such termination.

10.10 Waiver of Jury Trial. Each Party acknowledges and agrees that any controversy which may arise under this Agreement is likely to involve complicated and difficult issues, and therefore each such Party hereby irrevocably and unconditionally waives any right such Party may have to a trial by jury in respect of any litigation directly or indirectly arising out of or relating to this Agreement or the Contemplated Transactions. Each Party certifies and acknowledges that (i) no representative, agent or attorney of any other Party has represented, expressly or otherwise, that such other Parties would not, in the event of litigation, seek to enforce the foregoing waiver, (ii) each Party understands and has considered the implications of this waiver, (iii) each Party makes this waiver voluntarily and (iv) each Party has been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 10.10.

IN WITNESS WHEREOF, the undersigned Parties have caused this Agreement to be executed by their respective officers thereunto duly authorized as of the date first above written.
