Investment Company Act of 1940		

Triangle Capital Corporation (“Triangle,” the “Applicant” or the “Company”), an internally managed, non-diversified, closed-end investment company that has elected to be regulated as a business development company (“BDC”) under Section 54(a) of the Investment Company Act of 1940, as amended (the “1940 Act”), hereby applies for an amended order (the “Amended Order”) of the U.S. Securities and Exchange Commission (the “Commission”) pursuant to Section 6(c) of the 1940 Act<sup>1</sup> granting an exemption from Sections 23(a), 23(b) and 63 and pursuant to Sections 57(a)(4) and 57(i) and Rule 17d-1 under the 1940 Act<sup>2</sup>. The Amended Order would amend the exemptive order issued by the Commission on March 18, 2008 <sup>3</sup> (as amended by the exemptive order issued by the Commission on May 5, 2009,<sup>4</sup> collectively, the “Prior Order”) only to permit Triangle to increase the maximum number of shares of restricted common stock (“Restricted Stock”)<sup>5</sup> issued to non-employee directors under its Amended and Restated 2007 Equity Incentive Plan (the “Amended and Restated Plan”).

<sup>1</sup> Unless otherwise indicated, all section references herein are to the 1940 Act.

<sup>2</sup> Unless otherwise indicated, all rule references herein are to rules under the 1940 Act.

<sup>3</sup> *Triangle Capital Corporation*, Investment Company Act Release Nos. 28165 (February 20, 2008) (notice) and 28196 (March 18, 2008) (order).

<sup>4</sup> *Triangle Capital Corporation*, Investment Company Act Release Nos. 28692 (April 13, 2009) (notice) and 28718 (May 5, 2009) (order).

<sup>5</sup> As defined in the Prior Order, “Restricted Stock” means shares of Triangle’s common stock that, at the time of issuance, are subject to forfeiture restrictions, and thus are restricted as to their transferability until such forfeiture restrictions have lapsed. Once the forfeiture restrictions have lapsed, the shares are not restricted as to their transferability and will no longer be considered shares of Restricted Stock.

## **BACKGROUND AND SUMMARY OF APPLICATION**

In this application ("Application"), Triangle respectfully requests an Amended Order to amend the Prior Order as set forth herein. The Prior Order permits Triangle, pursuant to the Amended and Restated Plan, to permit an annual grant of Restricted Stock to each of its non-employee directors (the "Annual Grant") of \$30,000 worth of shares of common stock taken at the market value at the close of the exchange on the date of the Annual Grant. Pursuant to the Amended and Restated Plan and the Prior Order, the Annual Grant, including the amount of Restricted Stock awarded under the Annual Grant, is automatic and cannot be changed without prior SEC approval. This Annual Grant is part of the compensation that non-employee directors earn for their service on Triangle's Board of Directors (the "Board of Directors" or the "Board") and respective Board committees.

Subsequent to the Prior Order, Triangle has increased its operations while continuing its effort to hire and retain qualified directors for its Board. In order to accomplish its goal to hire and retain qualified directors for its Board, Triangle believes that it is in the best interests of Triangle and its stockholders to increase the maximum number of shares of Restricted Stock issued to non-employee directors pursuant to the Amended and Restated Plan to appropriately compensate non-employee directors for their services in proportion to Triangle's growth. Triangle proposes to amend the Amended and Restated Plan to allow for each non-employee director to receive an Annual Grant of \$50,000 worth of shares of common stock taken at the market value at the close of the exchange on the date of the Annual Grant (the "Revised Annual Grant"). Under the Amended and Restated Plan, the Revised Annual Grant will not be changed without SEC approval.

The Amended Order would (1) help Triangle to appropriately compensate its non-employee directors in the form of Restricted Stock in proportion to their responsibilities and Triangle's growth as a publically-traded business development company and (2) allow Triangle to remain competitive within the relevant financial services industry to attract and retain qualified non-employee directors.

The terms and conditions of the Prior Order will continue to apply to Triangle, except as described in this Application. No form having been specifically prescribed for this application, the Applicant proceeds under Rule 0-2 of the General Rules and Regulations under the 1940 Act.

## **GENERAL DESCRIPTION OF TRIANGLE**

Triangle was organized under the General Corporation Law of the State of Maryland on October 10, 2006, for the purpose of operating as an internally-managed, non-diversified, closed-end management investment company that has elected to be regulated as a BDC within the meaning of Section 2(a)(48) of the 1940 Act. In addition, Triangle has elected to be treated for tax purposes as a regulated investment company ("RIC") as defined under Subchapter M of the Internal Revenue Code of 1986, as amended (the "Code").

Triangle first offered its common stock to the public ("IPO") pursuant to an effective Registration Statement on Form N-2 on February 13, 2007. Triangle's common stock is listed on the New York Stock Exchange ("NYSE") and trades under the ticker symbol "TCAP."

Triangle operates as a specialty finance company that provides customized financing solutions to lower middle market companies that have annual revenues between \$20.0 million and \$200.0 million. Triangle's investment objective is to seek attractive returns by generating current income from debt investments and capital appreciation from equity related investments. Triangle's investment philosophy is to partner with business owners, management teams and financial sponsors to provide flexible financing solutions to fund growth, changes of control, or other corporate events. Triangle invests primarily in

senior and subordinated debt securities secured by first and second lien security interests in portfolio company assets, coupled with equity interests. Triangle's investments generally range from \$5.0 million to \$25.0 million per portfolio company. In certain situations, Triangle has partnered with other unaffiliated funds to provide larger financing commitments.

Triangle's market capitalization has grown significantly since its initial public offering in 2007. The following chart shows Triangle's growth.

### **TRIANGLE'S BOARD STRUCTURE AND COMPENSATION PRACTICES**

Triangle's Board currently consists of eight members, five of whom are not "interested persons" of Triangle within the meaning of Section 2(a)(19) of the 1940 Act. Triangle is internally managed by its executive officers under the supervision of the Board. As a result, Triangle does not pay external investment advisory fees, but instead incurs operating costs associated with employing investment and portfolio management professionals.

The Board has established an Audit Committee, Compensation Committee and a Nominating and Corporate Governance Committee. During 2012, the Board held five board meetings, the Audit Committee held five meetings, the Compensation Committee held four meetings and the Nominating and Corporate Governance Committee held one meeting.

For fiscal year 2012, each non-employee director was paid a \$20,000 annual cash retainer fee. Also in 2012, each of the non-employee directors earned an annual fee of \$30,000 worth of Restricted Stock, calculated based on the share price of Triangle's common stock as of the close of the NYSE on May 2, 2012, the date of grant. Based on this calculation, each of Triangle's independent directors received 1,491 shares of Restricted Stock, which will vest on May 2, 2013.

In addition, each non-employee director receives a fee of \$2,500 for each Board meeting attended in person and \$1,250 for each Board meeting attended by conference telephone or similar communications equipment; each Audit Committee member receives a fee of \$1,500 for each Audit Committee meeting attended in person and \$750 for each Audit Committee meeting attended by conference telephone or similar communication equipment; and each member of the Compensation Committee and Nominating and Corporate Governance Committee receives a fee of \$1,000 for each committee meeting attended in person and \$500 for each committee meeting attended by conference telephone or similar communication equipment. Finally, the Audit Committee chairman receives an annual fee of \$20,000, the Compensation Committee chairman receives an annual fee of \$10,000 and the Nominating and Corporate Governance Committee chairman receives an annual fee of \$5,000 for their

---

services as chairmen of their respective committees. The Company also reimburses its independent directors for all reasonable direct out-of-pocket expenses incurred in connection with their service on the Board. In 2011, total compensation for each of the Company's non-employee directors averaged \$72,400, including an average of \$42,400 in cash compensation and \$30,000 in equity compensation.

### **TRIANGLE'S CURRENT EQUITY COMPENSATION PLAN**

On March 18, 2008, Triangle received an order from the SEC authorizing the issuance of Restricted Stock to Triangle's employees, employees of Triangle's wholly-owned consolidated subsidiaries and non-employee directors and on May 7, 2008, Triangle's stockholders approved the Amended and Restated Plan at the 2008 Annual Meeting of Stockholders. Pursuant to the Amended and Restated Plan, up to 900,000 shares of common stock were initially reserved for issuance. On March 7, 2012, Triangle's Board approved, and on May 2, 2012 at the 2012 Annual Stockholder's Meeting, Triangle's stockholders approved, an increase in the number of shares reserved for issuance under the Amended and Restated Plan by 1,500,000 shares, increasing the total number of shares currently reserved for issuance to 2,400,000 shares of common stock. As of the date of this Application, Triangle has 1,529,552 shares of common stock available for issuance under the Amended and Restated Plan.

Unless terminated sooner by the Board, the Amended and Restated Plan will terminate on May 7, 2018, and no additional awards may be made after that date.

Among other things, the Prior Order is subject to the following terms and conditions:

- The maximum amount of Restricted Stock that may be issued under the Amended and Restated Plan will be 10% of the outstanding shares of common stock of Triangle on the effective date<sup>6</sup> of the Amended and Restated Plan plus 10% of the number of shares of Triangle's common stock issued or delivered by Triangle (other than pursuant to compensation plans) during the term of the Amended and Restated Plan.
- No one person will be granted awards of Restricted Stock relating to more than 25% of the shares available for issuance under the Amended and Restated Plan.
- The amount of voting securities that would result from the exercise of all Triangle's outstanding warrants, options and rights, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, at the time of issuance will not exceed 25% of Triangle's outstanding voting securities.
- Notwithstanding the immediately preceding limitation, if the amount of voting securities that would result from such exercise of all of Triangle's outstanding warrants, options and rights issued to Triangle's directors, officers and employees, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, would exceed 15% of our outstanding voting securities, then the total amount of voting securities that would result from the exercise of all outstanding warrants, options and rights, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, at the time of issuance will not exceed 20% of Triangle's outstanding voting securities.

<sup>6</sup> The "effective date" of the Amended and Restated Plan (as defined therein) is May 7, 2008.

---

## Table of Contents

- An employee participating in the Amended and Restated Plan may not receive options to purchase in excess of 100,000 shares of Triangle's common stock in any single calendar year.
- Non-employee directors receive an automatic grant of Restricted Stock at the beginning of each one-year term of service on the Board, for which forfeiture restrictions will lapse one year from the grant date. The number of shares granted to each non-employee director will be the equivalent of \$30,000 worth of shares taken at the market value at the close of the New York Stock Exchange on the date of grant. The grants of Restricted Stock to non-employee directors under the Amended and Restated Plan are automatic and not subject to change without SEC approval.

Shares granted pursuant to a Restricted Stock award are not be transferable until such shares have vested in accordance with the terms of the award agreement, unless the transfer is by will or by the laws of descent and distribution.

Triangle proposes to amend the Amended and Restated Plan to increase the amount of the Annual Grant to its non-employee directors. Subject to approval of the requested Amended Order, Triangle will present the amendment to the Amended and Restated Plan to its stockholders at the 2013 Annual Meeting for their approval. The purpose of the increased amount of Restricted Stock available under the Amended and Restated Plan is to (1) enable Triangle to appropriately compensate its non-employee directors in the form of Restricted Stock in proportion to their responsibilities and Triangle's growth as a publically-traded business development company and (2) allow Triangle to remain competitive within the relevant financial services industry to attract and retain qualified non-employee directors. The Amended and Restated Plan, as proposed to be amended hereby, is attached to this application as Exhibit A. If granted, and subject to stockholder approval, the Amended Order will permit the revisions the Applicant proposes to Sections 2(o), 5, 6.4(d) and 9.1 of the Amended and Restated Plan. By revising Sections 2(o) and 6.4(d), Triangle will be able to better reflect its current practice and applicable rules of the 1940 Act as they relate to the determination of "Fair Market Value" for awards of Restricted Stock or options pursuant to the Amended and Restated Plan. By revising Section 9.1, Triangle will be able to award its non-employee directors, \$50,000 worth of shares taken at the market value at the close of the New York Stock Exchange on the date of grant and the revision to Section 5 makes clear Triangle's ability to do so pursuant to Section 9 of the Amended and Restated Plan. The Amended Order will also revise condition 3 to expressly exclude Restricted Stock from the term "outstanding voting securities," as such it relates to the terms set forth in condition 3.

## REASON FOR REQUEST

### ***Compensation Practices in the Asset Management Industry***

Triangle believes that the market for superior investment professionals is highly competitive. Triangle must compete for talent with commercial banks, investment banks, as well as other publicly traded companies, which are generally able to award many different types of stock-based compensation to their directors. Moreover, Triangle must compete for leadership with private equity funds, which generally have the discretion to offer a portion of their various carried interests to induce professional talent to associate with their funds without being required to obtain Commission approval each time. Triangle's success depends largely on its ability to attract top professional talent, which requires it to offer fair compensation packages to its Board of Directors that are competitive with those offered by the types of competitors mentioned above. Triangle believes that the highly specialized nature of its business, the competitiveness of its market and its significant growth make retention of its Board of Directors even more critical for Triangle. In that regard, the ability to offer additional equity-based compensation to its Board of Directors, which both aligns better the behavior of the Board of Directors with stockholder interests and provides a retention tool, is vital to Triangle's future growth and success.

---

## [Table of Contents](#)

Triangle wishes to increase the amount of the Annual Grant to its non-employee directors.<sup>7</sup> The Amended and Restated Plan would enable Triangle to offer non-employee directors compensation packages that are more competitive with those offered by its competitors and other investment management businesses, which would enhance the ability of Triangle to hire and retain highly experienced individuals to serve as non-employee directors.

### **THE AMENDMENT TO THE AMENDED AND RESTATED PLAN**

The amendment to the Amended and Restated Plan has been approved by the Board as a whole, including the required majority, as defined in Section 57(o) of the 1940 Act (the "required majority"). The amendment to the Amended and Restated Plan will be submitted for approval to Triangle's stockholders at the 2013 Annual Meeting, and will become effective upon such approval, subject to the issuance of the Amended Order.

The Board, including the required majority, found that permitting the Revised Annual Grant to each non-employee director is essential to long term success in the investment business in general and critical to Triangle's business in particular and will have a clear and meaningful benefit to Triangle and its stockholders. The Board, including the required majority, also found that the Revised Annual Grant will allow Triangle to better align its business plan, stockholder interests and Board interests based on the nature of Triangle's business as well as the characteristics of Restricted Stock, allowing Triangle's non-employee directors to become owners of additional stock with an interest in increasing market value of the Company's common stock. The Board, including the required majority, considered, among other things, the impact of the Revised Annual Grant on outside stockholders, including the impact of dilution that the Amended and Restated Plan would have with the limit on outstanding Restricted Stock of 10% of the outstanding shares of common stock of Triangle on the effective date<sup>8</sup> of the Amended and Restated Plan plus 10% of the number of shares of Triangle's common stock issued or delivered by Triangle (other than pursuant to compensation plans) during the term of the Amended and Restated Plan.

Triangle will continue to comply with all disclosure requirements applicable to BDCs, including the disclosure requirements for director compensation, related party transactions, director independence and other corporate governance matters, and security ownership of officers and directors.<sup>9</sup>

### **APPLICABLE LAW, NEED FOR RELIEF AND RESPECTIVE STANDARDS FOR EXEMPTION**

Section 6(c) provides, in part, that the Commission may, by order upon application, conditionally or unconditionally exempt any person, security, or transaction, or any class or classes thereof, from any provision of the 1940 Act, if and to the extent that the exemption is necessary or appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

Section 57(a)(4) and Rule 17d-1, made applicable to BDCs by Section 57(i), provide that the Commission may, by order upon application, grant relief under Section 57(a)(4) and Rule 17d-1

<sup>7</sup> Triangle requests that the Amended Order also permit the grant of Restricted Stock to its future non-employee directors.

<sup>8</sup> The "effective date" of the Amended and Restated Plan (as defined therein) is May 7, 2008.

<sup>9</sup> See *Executive Compensation and Related Party Disclosure*, Securities Act Release No. 8655 (Jan. 27, 2006) (Proposed Rule); *Executive Compensation and Related Party Disclosure*, Securities Act Release No. 8732A (Aug. 29, 2006) (Final Rule and Proposed Rule), as amended by *Executive Compensation Disclosure*, Securities Act Release No. 8765 (Dec. 22, 2006) (adopted as interim final rules with request for comments).

permitting certain joint enterprises or arrangements and profit-sharing plans. Rule 17d-1(b) further provides that in passing upon such an application, the Commission will consider (i) whether the participation of the BDC in such enterprise, arrangement, or plan is consistent with the policies and purposes of the 1940 Act and (ii) the extent to which such participation is on a basis different from or less advantageous than that of other participants.

With respect to the relief granted in the Prior Order pursuant to Section 6(c), the Amended Order remains appropriate in the public interest and consistent with the protection of investors and the purposes fairly intended by the policy and provisions of the 1940 Act.

With respect to the relief granted in the Prior Order pursuant to Section 57(a)(4) and Rule 17d-1, the participation by Triangle under Amended Order remains consistent with the policies and purposes of the 1940 Act and, like the Prior Order, under the Amended Order, Triangle's participation will not be "less advantageous" than that of the non-employee directors.

### **REQUESTED ORDER**

Triangle requests an Amended Order of the Commission pursuant to Section 6(c) of the 1940 Act granting an exemption from Sections 23(a)<sup>10</sup>, 23(b) and 63, and pursuant to Sections 57(a)(4) and 57(i) and Rule 17d-1 under the 1940 Act authorizing certain joint transactions otherwise prohibited by Section 57(a)(4), to permit Triangle to amend the Amended and Restated Plan to increase the amount of shares of Restricted Stock that may be granted to non-employee directors pursuant to the Revised Annual Grant.<sup>11</sup> In addition, the Amended Order will permit revisions to Sections 2(o), 5, 6.4(d) and 9.1 of the Amended and Restated Plan and will revise Condition 3 of the Prior Order as described below.

### **TRIANGLE'S CONDITIONS**

Applicant agrees that the Amended Order granting the requested relief will be subject to the same conditions as those imposed by the Prior Order, except that condition 3 is revised in its entirety as follows.

The amount of voting securities that would result from the exercise of all of Triangle's outstanding warrants, options, and rights, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, at the time of issuance shall not exceed 25% of the outstanding voting securities of Triangle, except that if the amount of voting securities that would result from the exercise of all of Triangle's outstanding warrants, options, and rights issued to Triangle's directors, officers, and employees, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, would exceed 15% of the outstanding voting securities of Triangle, then the total amount of voting securities that would result from the exercise of all outstanding warrants, options, and rights, together with any Restricted Stock issued pursuant to the Amended and Restated Plan, at the time of issuance shall not exceed 20% of the outstanding voting securities of Triangle.<sup>12</sup>

<sup>10</sup> We note that the Staff has previously stated that it would not recommend enforcement action to the Commission under section 23(a) if closed-end funds directly compensate their directors with fund shares, provided that the directors' services are assigned a fixed dollar value prior to the time that the compensation is payable. See Commission Release No. IC-24083, *SEC Interpretation: Matters Concerning Independent Directors of Investment Companies*, October 14, 1999. In the event that Triangle relies on this Staff position, any shares issued in reliance on this Staff position will be subject to the 10% limitation on outstanding Restricted Stock.

<sup>11</sup> Triangle asks that the Amended Order also apply to future non-employee directors of Triangle that are eligible to receive Restricted Stock.

<sup>12</sup> For the purposes of this condition, "outstanding voting securities" does not include Restricted Stock.

3.4. *Effects of Board's Decision*. Determinations, interpretations and constructions made by the Board in good faith shall not be subject to review by any person and shall be final, binding and conclusive on all persons.

### **Section 4. Shares Available For Awards.**

4.1. *Shares Available*. Subject to the provisions of [Section 4.5](#) hereof, the stock to be subject to Awards under the Plan shall be the Shares of the Company and the maximum number of Shares with respect to which Awards may be granted under the Plan shall be 2,400,000. If, after the effective date of the Plan, any Shares covered by an Award granted under this Plan, or to which such an Award relates, are forfeited, or if such an Award is settled for cash or otherwise terminates, expires unexercised or is canceled or settled without the delivery of Shares or with the delivery of a reduced number of Shares, then the Shares covered by such Award, or to which such Award relates, or the number of Shares otherwise counted against the aggregate number of Shares with respect to which Awards may be granted, to the extent of any such settlement, reduction, forfeiture, termination, expiration or cancellation, shall again become Shares with respect to which Awards may be granted. In the event that any Award granted hereunder is exercised through the delivery of Shares or in the event that withholding tax liabilities arising from such Award are satisfied by the withholding of Shares by the Company, the number of Shares available for Awards under the Plan shall be increased by the number of Shares so surrendered or withheld.

#### 4.2. *Limits on Grants of Individual Awards*.

(a) No individual Participant shall be granted Options under the Plan in any calendar year that relate to more than 100,000 Shares.

(b) No individual Participant shall be granted Awards under the Plan relating to more than 25% of the Shares reserved for issuance.

4.3. *Limits on Grants of Restricted Shares*. 4.4. *Limits on Number of Awards*. The amount of voting securities that would result from the exercise of all of the Company's outstanding warrants, options and rights, together with any Restricted Shares issued pursuant to the Plan, at the time of issuance shall not exceed 25% of the outstanding voting securities of the Company, except that if the amount of voting securities that would result from the exercise of all of the Company's outstanding warrants, options, and rights issued to the Company's directors, officers, and employees, together with any Restricted Shares issued pursuant to the Plan, would exceed 15% of the outstanding voting securities of the Company, then the total amount of voting securities that would result from the exercise of all outstanding warrants, options, and rights, together with any Restricted Shares issued pursuant to the Plan, at the time of issuance shall not exceed 20% of the outstanding voting securities of the Company.

4.5. *Adjustments*. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase or exchange of Shares

or other securities of the Company, issuance of warrants or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares, then the Board shall in an equitable and proportionate manner (and, as applicable, in such manner as is consistent with Sections 422 and 409A of the Code and the regulations thereunder and with Section 162(m)) either: (i) adjust any or all of (1) the aggregate number of Shares or other securities of the Company (or number and kind of other securities or property) with respect to which Awards may be granted under the Plan; (2) the number of Shares or other securities of the Company (or number and kind of other securities or property) subject to outstanding Awards under the Plan, provided that the number of shares subject to any Award shall always be a whole number; (3) the grant or exercise price with respect to any Award under the Plan (but only provided that the SEC has issued an exemptive order or the SEC's staff has provided written confirmation allowing the Company to do so); and (4) the limits on the number of Shares that may be granted to Participants under the Plan in any calendar year; (ii) provide for an equivalent award in respect of securities of the surviving entity of any merger, consolidation or other transaction or event having a similar effect; or (iii) make provision for a cash payment to the holder of an outstanding Award.

4.7. *Sources of Shares Deliverable Under Awards.* Any Shares delivered pursuant to an Award may consist, in whole or in part, of authorized and unissued Shares or of issued Shares which have been reacquired by the Company.

4.8. *No Grants in Contravention of 1940 Act.* No Award may be granted under the Plan if the grant of such Award would cause the Company to violate Section 61(a)(3) of the Act, and, if otherwise approved for grant, shall be void and of no effect. The grants of Awards under the Plan to Non-Employee Directors shall be automatic and shall not be changed without SEC approval.

### **Section 5. Eligibility.**

### **Section 6. Stock Options.**

6.1. *Grant.* The Board shall have sole and complete authority to determine the Participants to whom Options shall be granted, the number of Shares subject to each Award, the exercise price (subject to [Section 6.2](#) below) and the conditions and limitations applicable to the exercise of each Option. The Board shall have the authority to grant Incentive Stock Options, and to grant Non-Qualified Stock Options. In the case of Incentive Stock Options, the terms and conditions of such grants shall be subject to and comply with Section 422 of the Code, as from time to time amended, and any regulations implementing such statute. A person who has been granted an Option under this Plan may be granted additional Options under the Plan if the Board shall so determine; provided, however, that to the extent the aggregate Fair Market Value (determined at the time the Incentive Stock Option is granted) of the Shares with respect to which all Incentive Stock Options are exercisable for the first time by an Employee during any calendar year (under all plans described in of Section 422(d) of the Code of the Employee's employer corporation and its parent and Affiliates) exceeds \$100,000, such Options shall be treated as Non-Qualified Stock Options.

---

## [Table of Contents](#)

6.2. *Price.* The Board in its sole discretion shall establish the Option Price at the time each Option is granted. Except in the case of Substitute Awards, the Option Price of an Option may not be less than one hundred percent (100%) of the Fair Market Value of the Shares with respect to which the Option is granted on the date of grant of such Option. Once established, the Option Price of any Option may not be changed absent an exemptive order from the SEC or written confirmation from its staff allowing the Company to do so.

6.3. *Term.* Subject to the Board's authority under [Section 3.2](#) and the provisions of [Section 6.5](#), each Option and all rights and obligations thereunder shall expire on the date determined by the Board and specified in the Award Agreement. The Board shall be under no duty to provide terms of like duration for Options granted under the Plan. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of ten (10) years from the date such Option was granted.

### 6.4. *Exercise.*

(a) Each Option shall be exercisable at such times and subject to such terms and conditions as the Board may, in its sole discretion, specify in the applicable Award Agreement or thereafter. The Board shall have full and complete authority to determine, subject to [Section 6.5](#) herein, whether an Option will be exercisable in full at any time or from time to time during the term of the Option, or to provide for the exercise thereof in such installments, upon the occurrence of such events and at such times during the term of the Option as the Board may determine.

(b) The Board may impose such conditions with respect to the exercise of Options, including without limitation, any relating to the application of federal, state or foreign securities laws or the Code, as it may deem necessary or advisable. The exercise of any Option granted hereunder shall be effective only at such time as the sale of Shares pursuant to such exercise will not violate any state or federal securities or other laws.

(c) An Option may be exercised in whole or in part at any time, with respect to whole Shares only, within the period permitted thereunder for the exercise thereof, and shall be exercised by written notice of intent to exercise the Option, delivered to the Company at its principal office, and payment in full to the Company at the direction of the Board of the amount of the Option Price for the number of Shares with respect to which the Option is then being exercised.

(d) Payment of the Option Price shall be made in cash or cash equivalents, or, at the discretion of the Board, (i) by transfer, either actually or by attestation, to the Company of Shares that have been held by the Participant for at least six (6) months (or such lesser period as may be permitted by the Board), valued at the Fair Market Value of such Shares on the date of exercise, together with any applicable withholding taxes, such transfer to be upon such terms and conditions as determined by the Board, or (ii) by a combination of such cash (or cash equivalents) and such Shares; provided, however, that the optionee shall not be entitled to tender Shares pursuant to successive, substantially simultaneous exercises of an Option or any other stock option of the Company. Subject to applicable securities laws, an Option may also be exercised by delivering a notice of exercise of the Option and simultaneously selling the Shares thereby acquired, pursuant to a brokerage or similar agreement approved in advance by proper officers of the Company, using the proceeds of such sale as payment of the Option Price, together with any applicable withholding taxes. Until the optionee has been issued the Shares subject to such exercise, he or she shall possess no rights as a stockholder with respect to such Shares.

6.5. *Ten Percent Stock Rule.* Notwithstanding any other provisions in the Plan, if at the time an Option is otherwise to be granted pursuant to the Plan, the optionee or rights holder owns directly or

indirectly (within the meaning of Section 424(d) of the Code) Shares of the Company possessing more than ten percent (10%) of the total combined voting power of all classes of Stock of the Company or its parent or Affiliate corporations (within the meaning of Section 422(b)(6) of the Code), then any Incentive Stock Option to be granted to such optionee or rights holder pursuant to the Plan shall satisfy the requirement of Section 422(c)(5) of the Code, and the Option Price shall be not less than one hundred ten percent (110%) of the Fair Market Value of the Shares of the Company, and such Option by its terms shall not be exercisable after the expiration of five (5) years from the date such Option is granted.

### **Section 7. Restricted Shares.**

#### *7.1. Grant.*

(a) Subject to the provisions of the Plan and other applicable legal requirements, the Board shall have sole and complete authority to determine the Participants to whom Restricted Shares shall be granted, the number of Restricted Shares to be granted to each Participant, the duration of the period during which, and the conditions under which, the Restricted Shares may be forfeited to the Company, and the other terms and conditions of such Awards. The Restricted Share Awards shall be evidenced by Award Agreements in such form as the Board shall from time to time approve, which agreements shall comply with and be subject to the terms and conditions provided hereunder and any additional terms and conditions established by the Board that are consistent with the terms of the Plan.

(b) Each Restricted Share Award made under the Plan shall be for such number of Shares as shall be determined by the Board and set forth in the Award Agreement containing the terms of such Restricted Share Award. Such agreement shall set forth a period of time during which the grantee must remain in the continuous employment of the Company in order for the forfeiture and transfer restrictions to lapse. If the Board so determines, the restrictions may lapse during such restricted period in installments with respect to specified portions of the Shares covered by the Restricted Share Award. The Award Agreement may also, in the discretion of the Board, set forth performance or other conditions that will subject the Shares to forfeiture and transfer restrictions. The Board may, at its discretion, waive all or any part of the restrictions applicable to any or all outstanding Restricted Share Awards.

(c) Notwithstanding Sections 7.1(a) and 7.1(b) hereof, any grants of Restricted Shares to Non-Employee Directors under the Plan shall be automatic and shall not be changed without SEC approval.

*7.2. Delivery of Shares and Transfer Restrictions.* At the time of a Restricted Share Award, a certificate representing the number of Shares awarded thereunder shall be registered in the name of the grantee. Such certificate shall be held by the Company or any custodian appointed by the Company for the account of the grantee subject to the terms and conditions of the Plan, and shall bear such a legend setting forth the restrictions imposed thereon as the Board, in its discretion, may determine. The applicable Award Agreement will specify whether a grantee has the right to receive dividends with respect to the Restricted Shares prior to the lapsing of transfer restrictions. Unless otherwise provided in the applicable Award Agreement, the grantee shall have all other rights of a stockholder with respect to the Restricted Shares, including the right to vote such Shares, subject to the following restrictions: (i) the grantee shall not be entitled to delivery of the stock certificate until the expiration of the restricted period and the fulfillment of any other restrictive conditions set forth in the Award Agreement with respect to such Shares; (ii) none of the Shares may be transferred except for disposition by gift, will or the laws of descent and distribution during such restricted period or until after the fulfillment of any such other restrictive conditions; and (iii) except as otherwise determined by the Board at or after grant, all of the Shares shall be forfeited and all rights of the grantee to such Shares shall terminate, without further obligation on the part of the Company, unless the grantee remains in the continuous employment of the

Company for the entire restricted period in relation to which such Shares were granted and unless any other restrictive conditions relating to the Restricted Share Award are met. Unless otherwise provided in the applicable Award Agreement, any Shares, any other securities of the Company and any other property (except for cash dividends) distributed with respect to the Shares subject to Restricted Share Awards shall be subject to the same restrictions, terms and conditions as such restricted Shares.

7.3. *Termination of Restrictions.* At the end of the restricted period and provided that any other restrictive conditions of the Restricted Share Award are met, or at such earlier time as otherwise determined by the Board, all restrictions set forth in the Award Agreement relating to the Restricted Share Award or in the Plan shall lapse as to the restricted Shares subject thereto, and a stock certificate for the appropriate number of Shares, free of the restrictions and restricted stock legend, shall be delivered to the Participant or the Participant's beneficiary or estate, as the case may be.

### **Section 8. Performance Awards.**

8.1. *Grant.* The Board shall have sole and complete authority to determine the Employees who shall receive a Performance Award, which shall consist of a right that is (i) denominated in cash or Shares (including but not limited to Restricted Shares), (ii) valued, as determined by the Board, in accordance with the achievement of such Employees' individual performance goals during such performance periods as the Board shall establish, and (iii) payable at such time and in such form as the Board shall determine.

8.2. *Terms and Conditions.* Subject to the terms of the Plan and any applicable Award Agreement, the Board shall determine the performance goals to be achieved during any performance period, the length of any performance period, the amount of any Performance Award and the amount and kind of any payment or transfer to be made pursuant to any Performance Award, and may amend specific provisions of the Performance Award; provided, however, that such amendment may not adversely affect existing Performance Awards made within a performance period commencing prior to implementation of the amendment.

8.3. *Payment of Performance Awards.* Performance Awards may be paid in a lump sum or in installments following the close of the performance period or, in accordance with the procedures established by the Board, on a deferred basis. Termination of employment prior to the end of any performance period, other than for reasons of death or Disability, will result in the forfeiture of the Performance Award, and no payments will be made. An employee's rights to any Performance Award may not be sold, assigned, transferred, pledged, hypothecated or otherwise encumbered or disposed of in any manner, except by will or the laws of descent and distribution, and/or except as the Board may determine at or after grant.

### **Section 9. Non-Employee Director Awards.**

9.1. Each Non-Employee Director shall receive a grant of Restricted Shares at the beginning of each one-year term of service on the Board, for which forfeiture restrictions will lapse at the end of that year. The number of Restricted Shares granted to each Non-Employee Director shall be the equivalent of \$50,000 worth of Shares based on the market value at the close of the New York Stock Exchange on the date of grant. In addition, the Board may provide that all or a portion of a Non-Employee Director's annual retainer, meeting fees and/or other awards or compensation as determined by the Board, be payable in Shares reserved under the Plan and available for issuance. The Board shall determine the terms and conditions of any such Awards, including the terms and conditions which shall apply upon a termination of the Non-Employee Director's service as a member of the Board, and shall have full power and authority in its discretion to administer such Awards, subject to the terms of the Plan and applicable law.

---

## [Table of Contents](#)

9.2. Subject to applicable legal requirements and [Section 9.3](#) below, the Board may also grant Awards to Non-Employee Directors pursuant to the terms of the Plan, including any Award described in [Sections 6](#) or [7](#) above.

9.3. Any grants of Awards to Non-Employee Directors under the Plan shall be automatic and shall not be changed without SEC approval.

### **Section 10. Provisions Applicable To Covered Officers And Performance Awards .**

10.1. Notwithstanding anything in the Plan to the contrary, unless the Board determines that a Performance Award to be granted to a Covered Officer should not qualify as “performance-based compensation” for purposes of Section 162(m), Performance Awards granted to Covered Officers shall be subject to the terms and provisions of this [Section 10](#). Accordingly, unless otherwise determined by the Board, if any provision of the Plan or any Award Agreement relating to such an Award does not comply or is inconsistent with Section 162(m), such provision shall be construed or deemed amended to the extent necessary to conform to such requirements, and no provision shall be deemed to confer upon the Board discretion to increase the amount of compensation otherwise payable to a Covered Officer in connection with any such Award upon the attainment of the performance criteria established by the Board.

10.2. With respect to any Covered Officer, the maximum annual number of Shares in respect of which all Performance Awards may be granted under [Section 8](#) of the Plan is 100,000 and the maximum amount of all Performance Awards that are settled in cash and that may be granted under [Section 8](#) of the Plan in any year is \$1,000,000.

10.3. To the extent necessary to comply with Section 162(m), with respect to grants of Performance Awards, no later than 90 days following the commencement of each performance period (or such other time as may be required or permitted by Section 162(m) of the Code), the Board shall, in writing, (1) select the individual performance goal or goals applicable to the performance period, (2) establish the various targets and bonus amounts which may be earned for such performance period, and (3) specify the relationship between performance goals and targets and the amounts to be earned by each Covered Officer for such performance period. Following the completion of each performance period, the Board shall certify in writing whether the applicable performance targets have been achieved and the amounts, if any, payable to Covered Officers for such performance period. In determining the amount earned by a Covered Officer for a given performance period, subject to any applicable Award Agreement, the Board shall have the right to reduce (but not increase) the amount payable at a given level of performance to take into account additional factors that the Board may deem relevant in its sole discretion to the assessment of individual performance for the performance period.

### **Section 11. Termination Of Employment.**

The Board shall have the full power and authority to determine the terms and conditions that shall apply to any Award upon a termination of employment with the Company and Affiliates, including a termination by the Company with or without Cause, by a Participant voluntarily, or by reason of death, Disability or Retirement, and may provide such terms and conditions in the Award Agreement or in such rules and regulations as it may prescribe.

### **Section 12. Change In Control.**

The Board may specify in the applicable Award Agreement at or after grant, or otherwise by resolution prior to a Change in Control, that all or a portion of the outstanding Awards shall vest, become immediately exercisable or payable and have all restrictions lifted upon a Change in Control.

### **Section 13. Amendment And Termination.**

13.1. *Amendments to the Plan.* The Board may amend, alter, suspend, discontinue or terminate the Plan or any portion thereof at any time; provided that no such amendment, alteration, suspension, discontinuation or termination shall be made without stockholder approval if such approval is necessary to comply with any tax or regulatory requirement.

13.2. *Amendments to Awards.* Subject to the restrictions of [Section 6.2](#) above and [Section 13.5](#) below, the Board may waive any conditions or rights under, amend any terms of or alter, suspend, discontinue, cancel or terminate, any Award theretofore granted, prospectively or retroactively; provided that any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder or beneficiary.

13.3. *Adjustments of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events.* The Board is hereby authorized to make equitable and proportionate adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (and shall make such adjustments for events described in [Section 4.5](#) hereof) affecting the Company or any Affiliate, or the financial statements of the Company or any Affiliate, or of changes in applicable laws, regulations or accounting principles.

13.4. *Section 409A Compliance.* No Award (or modification thereof) shall provide for deferral of compensation that does not comply with Section 409A of the Code unless the Board, at the time of grant, specifically provides that the Award is not intended to comply with Section 409A of the Code. Notwithstanding any provision of this Plan to the contrary, if one or more of the payments or benefits received or to be received by a Participant pursuant to an Award would cause the Participant to incur any additional tax or interest under Section 409A of the Code, the Board may reform such provision to maintain to the maximum extent practicable the original intent of the applicable provision without violating the provisions of Section 409A of the Code.

13.5. *Exercise Price of Awards.* Once established, the exercise price of an Award shall not be changed absent an exemptive order from the SEC or written confirmation from its staff that the Company may do so.

### **Section 14. General Provisions.**

14.1. *Limited Transferability of Awards.* Except as otherwise provided in the Plan, no Award shall be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Participant, except by gift, will or the laws of descent and distribution. In addition, no transfer or disposition of an Award shall be effective to bind the Company unless the Company shall have been furnished with written notice thereof and an authenticated copy of the gift affidavit, will and/or such other evidence as the Board may deem necessary or appropriate to establish the validity of the transfer.

14.2. *Dividends.* In the sole and complete discretion of the Board, an Award may provide the Participant with dividends, payable in cash, Shares, other securities or other property on a current or deferred basis. All dividends which are not paid currently may, at the Board's discretion, accrue interest,

be reinvested into additional Shares, or, in the case of dividends credited in connection with Performance Awards, be credited as additional Performance Awards and paid to the Participant if and when, and to the extent that, payment is made pursuant to such Award. The total number of Shares available for grant under [Section 4](#) shall not be reduced to reflect any dividends that are reinvested into additional Shares or credited as Performance Awards.

14.3. *No Rights to Awards*. No Person shall have any claim to be granted any Award, and there is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards need not be the same with respect to each Participant.

14.4. *Share Certificates*. All certificates for Shares or other securities of the Company or any Affiliate delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Board may deem advisable under the Plan or the rules, regulations and other requirements of the SEC or any state securities commission or regulatory authority, any stock exchange or other market upon which such Shares or other securities are then listed, and any applicable Federal or state laws, and the Board may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

14.5. *Withholding*. A Participant may be required to pay to the Company or any Affiliate and the Company or any Affiliate shall have the right and is hereby authorized to withhold from any Award, from any payment due or transfer made under any Award or under the Plan, or from any compensation or other amount owing to a Participant the amount (in cash, Shares, other securities, other Awards or other property) of any applicable withholding or other tax-related obligations in respect of an Award, its exercise or any other transaction involving an Award, or any payment or transfer under an Award or under the Plan and to take such other action as may be necessary in the opinion of the Company to satisfy all obligations for the payment of such taxes. The Board may provide for additional cash payments to holders of Options to defray or offset any tax arising from the grant, vesting, exercise or payment of any Award.

14.6. *Award Agreements*. Each Award hereunder shall be evidenced by an Award Agreement that shall be delivered to the Participant and may specify the terms and conditions of the Award and any rules applicable thereto. In the event of a conflict between the terms of the Plan and any Award Agreement, the terms of the Plan shall prevail. The Board shall, subject to applicable law, determine the date an Award is deemed to be granted. The Board or, except to the extent prohibited under applicable law, its delegate(s) may establish the terms of agreements or other documents evidencing Awards under this Plan and may, but need not, require as a condition to any such agreement's or document's effectiveness that such agreement or document be executed by the Participant, including by electronic signature or other electronic indication of acceptance, and that such Participant agree to such further terms and conditions as specified in such agreement or document. The grant of an Award under this Plan shall not confer any rights upon the Participant holding such Award other than such terms, and subject to such conditions, as are specified in this Plan as being applicable to such type of Award (or to all Awards) or as are expressly set forth in the agreement or other document evidencing such Award.

14.7. *No Limit on Other Compensation Arrangements*. Nothing contained in the Plan shall prevent the Company or any Affiliate from adopting or continuing in effect other compensation arrangements, which may, but need not, provide for the grant of Options or Restricted Shares.

14.8. *No Right to Employment*. The grant of an Award shall not be construed as giving an Employee the right to be retained in the employ of the Company or any Affiliate. Further, the Company or an Affiliate may at any time dismiss an Employee from employment, free from any liability or any claim under the Plan, unless otherwise expressly provided in an Award Agreement.

14.9. *No Rights as Stockholder*. Subject to the provisions of the Plan and the applicable Award Agreement, no Participant or holder or beneficiary of any Award shall have any rights as a stockholder with respect to any Shares to be distributed under the Plan until such person has become a holder of such Shares. Notwithstanding the foregoing, in connection with each grant of Restricted Shares hereunder, the applicable Award Agreement shall specify if and to what extent the Participant shall not be entitled to the rights of a stockholder in respect of such Restricted Shares.

14.10. *Governing Law*. The validity, construction and effect of the Plan and any rules and regulations relating to the Plan and any Award Agreement shall be determined in accordance with the laws of the State of Maryland without giving effect to conflicts of laws principles.

14.11. *Severability*. If any provision of the Plan or any Award is, or becomes, or is deemed to be invalid, illegal or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Board, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Board, materially altering the intent of the Plan or the Award, such provision shall be stricken as to such jurisdiction, Person or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

14.12. *Other Laws*. The Board may refuse to issue or transfer any Shares or other consideration under an Award if, acting in its sole discretion, it determines that the issuance or transfer of such Shares or such other consideration might violate any applicable law or regulation (including applicable non-U.S. laws or regulations) or entitle the Company to recover the same under Exchange Act Section 16(b), and any payment tendered to the Company by a Participant, other holder or beneficiary in connection with the exercise of such Award shall be promptly refunded to the relevant Participant, holder or beneficiary.

14.13. *No Trust or Fund Created*. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between the Company or any Affiliate and a Participant or any other Person. To the extent that any Person acquires a right to receive payments from the Company or any Affiliate pursuant to an Award, such right shall be no greater than the right of any unsecured general creditor of the Company or any Affiliate.

14.14. *No Fractional Shares*. No fractional Shares shall be issued or delivered pursuant to the Plan or any Award, and the Board shall determine whether cash, other securities or other property shall be paid or transferred in lieu of any fractional Shares or whether such fractional Shares or any rights thereto shall be canceled, terminated or otherwise eliminated.

14.15. *Headings*. Headings are given to the sections and subsections of the Plan solely as a convenience to facilitate reference. Such headings shall not be deemed in any way material or relevant to the construction or interpretation of the Plan or any provision thereof.

All Participants holding such modified Awards shall be notified of the changes to their Awards and such change shall be binding on such Participant.
